SOME VERY SPIRITED CONTESTS

The Choir of the Wayne Avenue Baptist Church Won the First Prize in the Principal Competition -- Birthday Party for Rose Farichon--Runaway Caused Much Excitement on West Market Street -- Entertainment | Willie and Social of T. G. W. Social Club.

The first annual eisteddfod of the Young People's Society of Christian Endeavorers of the Welsh Congregational church was held last evening in the main auditorium of the church under auspicious circumstances. The inclement weather of the early evening was not in the least detrimental to the attendance, and long before the hour for commencement many were turned Mingled in the throng were BWAV. singers of much repute who participated and manifested considerable interest despite the small prizes. So large was the list of entries for the different contests that the contestants were compelled to forego a preliminary test, which was conducted in the West Market Street Welsh Baptist church, directly opposit.

In the absence of Judge H. M. Edwards, who was slated as chairman of the evening, Rev. Dr. R. S. Jones was chosen by acclamation. He made a brief introductory speech, which was followed by a call for the bards present. Many responded and the result was several interesting lines spoken by each in the Welsh tongue. The adindicators were then named as follows: Literature, Rev. David P. Jones, of the West Side; music, William W. Evnns and Thomas G. Williams, both of the West Side. Then came a programme of unusual interest, which was intercepted with music and recitations. An impromptu speech was one of the most interesting features. There were contestants and the judges three awarded the prize to David J. Wilhams

WASHBURN STREET CHURCH.

The members and friends of the Washburn Street Presbyterian church assembled in large numbers from 6 to 8 o'clock and partook of an excellently prepared course tea. The menu consisted of tomato bisque, cold ham, pressed meat, scalloped potatoes, celry, bread, tea biscuits, chicken saiad, cheese wafers, banquet crackers, tea, cake, coffee and ice cream. Open Congress was held last evening in 323 Adams avenue and was very lively and interesting. The constitution was approved and then E. L. Williams introduced the subject of the evening, "The Currency Question." At times the enthusiasm ran high. The lecturer maintained that neither gold nor silver was fit for money, and explained the desirability of giving the government a monopoly of the banking busi ness instead of giving this monopoly to private individuals. He said that one hundred dollars per capita would be sufficient to do our business and great believer in your Compound. I was almost despairing of ever again being that the amount issued should be so limited.

> John Gray delivered quite an oration on the subject of the evening and received a hearty applause. He showed that it makes no difference to the working people what kind of currency is in use and that they are equally poo in all countries where the same system

Dr. Szlupas took the same ground and expressed the hope that intelligent people would not remain indifferent antil a revolution would become inevitable.

Rev. Dr. Bird made the most im pressive speech of the evening. He de-clared that he was in favor of the free coinage of silver at the ratio of 16 to 1, but that this without prohibition would not establish complete prosperity. Professor A. Langerfeld put in a good word for gold money as a means for accomplishing the purposes of its advocates. He also showed that no system would bring about any real improvements unless men would carry out among themselves the teachings of Christ in an intelligent manner and in the spirit in which He evidently in tended to have them interpreted. LeRoy Wheeler expressed his joy at the success of this organization and told a very amusing incident of how some people looked upon it as a dan gerous place, because some cranks were

Miss Anna Rosar. Cultured, appreciative and representative were the salient features of the immense throng that filled the Hickory Street Presbyterian church last night, and the attraction that gathered them was an entertainment under the aus-

pices of the church choir. The programme that was listened to with close attention was composed of the best talent in the city. Such artists as John T. Watkins, "Charles Doersam, Gustav Repert, Arnold Lohmann, of Wilkes-Barre; Miss Lydia Sailor and Miss Porter participated. The programme being lengthy, encores were not responded to, and each number received great applause. The opening was an overture by Lawrence, which was well rendered; and was followed by Charles Doersam, whose playing was in keeping with his past work. "Gipsy Life" was sung by the choir, and the rendition was perfect. Mes-dames A. A. Chase and L. W. Bensen

rendered Kuecken's "Die Schwalben' faultlessly, and the violin solo of Christian Scheuer was excellent. The favorite of the evening, John T.

Watkins, was greeted with prolonged applause, and sang "Flona." The audience encored again and again, and the announcement that Mr. Watkins would be heard again later in the evening sufficed. Miss Sailor was well received, and her rendition of "Spring Song," by Weil, was a treat. Then Mr. Lohmann, the talented young Wilkes-Barrean, was introduced. Next followed the Scranton Saengerrunde and they sang that favorite German ballad, "Sontag ain Rhein" (Sunday on the Rhine). Miss Porter, the elocutionist, was at her best, and proved a favorite. A duct by Miss Sailor and Mr. Watkins followed, then came Gustav Repert, the tenor soloist, who won his way into the hearts of all with his excellent singing of "On the Waters." The second part of the programme was a re-appearance of the talent in equally as good selections, and the chorus, "My Country, 'Tis of Thee," by the audi-ence, brought to a close the exercises.
