

DAY'S DOINGS IN NORTH SCRANTON

T. H. C. Maloney Still Pursuing the Proprietors of Speak-Easies.

TWO MORE WARRANTS ARE ISSUED

They Were for J. F. Timlin and Nicholas George. The Latter Was Discharged—Alderman Fidler Decided That H. B. Davenport Was Justified in Forcibly Ejecting Uninvited Guests from His House. Two Social Events.

T. H. C. Maloney's crusade against "speak-easies" has not come to an end. He only stopped for a few days to get his breath, as it were. He says he will proceed fearlessly with his self-imposed task until he has exterminated every place where liquor is sold illegally.

Yesterday he caused warrants to be issued for the arrest of J. F. Timlin, of Brick avenue, and Nicholas George, and they were arraigned before Alderman Roberts. Timlin entered bail for his appearance at court and George was discharged.

DAVENPORT DISCHARGED.

H. B. Davenport was arrested by Constable Seth Smith yesterday on the charge of assault and battery, preferred by Z. Walentysh. The testimony given by the defendant was that he procured a stove from the prosecutor, which was placed in his store. When Walentysh waited what he thought was sufficient time for the price of the stove he decided to take a decisive step and entered Davenport's store to remove the stove, and took along with him his wife. Davenport in the meantime had been made aware of their intentions and hurriedly rushed to the scene. On arriving at the place he made inquiries as to their business, and in answer he had to dodge a club which was viciously aimed at his head by the prosecutor's wife. He then proceeded to rid the premises of his guests, and for so doing was arrested. In disposing of the case, Alderman Fidler said every man's home is his castle and he believed Davenport was justified in his actions while dealing with the prosecutors. He discharged him.

SOCIAL EVENTS.

The home of Mr. and Mrs. John A. Jones, of Green street, was the scene of a merry gathering last evening, when a large number of young people assembled for the purpose of celebrating their son, William's, twenty-first birthday. Games and musical selections were indulged in until a seasonable hour, when refreshments were served to the guests, after which the guests departed for their homes. Present were: Mr. and Mrs. Jones, Misses Maggie Jones, Mary Davies, Mary Leonard, Lizzie Leonard, Alice Thomas, Hattie Richards, Margaret Evans, Sarah Boes, Lizzie Davies, Maggie Harris, Maggie Morgan, Maggie Davies, Mr. and Mrs. Howell Davies, Mr. and Mrs. Thomas, Mrs. Haswell, Mrs. Simms, Mrs. Jenkins, Gus Reese, David Davies, Thomas Lewis, Joseph Williams, James Cowells, David Nicholas, Gwilym Edwards, William Bowen, Richard E. A Commendable Idea.

A contribution box has been placed in the store of Jonas Long's Sons' into which contributions for the fund for the erection of a monument in memory of the sailors who lost their lives on the battleship "Maine" can be dropped. It is a worthy cause the members of this progressive firm have enlisted themselves in, and the numerous contributions placed in the box shows how popular the monument idea is with the public.

HAPPENINGS OF SOUTH SCRANTON

Big Crowd Attended the Entertainment of Camp 430, P. O. S. of A.

ATTORNEY ZIMMERMAN'S ADDRESS

He Said the President is Pursuing a Common Sense Policy and He Advised His Hearers to Await the Result of the Inquiry into the Government is Now Conducting--John Moran Proved a Hard Man to Arrest.

Hartman's spacious and pretty hall was far too small to admit the large number of friends of the boys of Camp 430, P. O. S. of A., at their complimentary entertainment last night. Every available bit of room was used, and in the corridors many were standing. Jacob Christophel was chairman of the occasion. There were fifteen numbers on the excellent programme and each were well rendered and received. The opening ode, "The Star Spangled Banner," was sung by the audience. Owing to the fact that in the hall there is not a piano, the selections were instrumental.

Habenstroh's zither club, the younger Maennerchor, Miss Lena Shumann, Louis Kehler, Arthur Tisdale, Charles Weber and Fred Jones and his mammoth phonograph comprised the array of talent. Attorney R. A. Zimmerman was the speaker of the evening. His address, a timely topic, was on the grave situation that now confronts this nation and Spain. Mr. Zimmerman stated that while he was a patriotic American, he believed it wise for the American people to await the result of the board of inquiry's investigation. If our flag has been outraged by the Spanish, most assuredly the insult should be redressed. In scathing terms he denounced the "yellow journals" that are urging the people on to a point where an outbreak is imminent. This where he considered unpatriotic, and enemies to the government. The policy maintained by the president was a common sense one in the speaker's opinion. He spoke for nearly an hour, and his address was listened to with attention and loudly applauded all through.

An interesting feature of the entertainment was a banjo solo rendered by Louis Hausroth and Arthur Tisdale, that was recorded in the phonograph of Fred Jones, and when the solo was ended the phonograph repeated it.

DESPERATE PRISONER.

John Moran, a young man, residing with his parents on Maple street, was dragged to the station house on Alder street last night by Stephen Cleary, a special officer, and James Griffin, whom the special deputized to assist in making the arrest. Moran was charged with fighting and threatening to kill, and when he reached the jail he was greatly disfigured. His clothes were torn in sides and his shirt was hanging from him, but he fought like a tiger with the officers, and Griffin has a broken nose and a discolored optic to nurse, caused by the terrific blows of Moran.

MINOR NEWS MENTION.

Warren Wells, who was arrested on Sunday on a charge of horse stealing, waived a hearing before Alderman Owen D. John yesterday, and furnished bail for his appearance at court. The following officers are now doing police duty under Lieutenant Williams: John Thomas, William Mathews, James Hart, Martin Gurrell, James Saul and Thomas Lowry. The board of health, Young Men's Institute, held an important meeting last evening in their hall on South Main avenue. Simpson social circle, of the M. E. church, held a meeting last evening. The members of the Dowell Street Lodge, Order of American True Ivoites, held several convocations at the inn. The Baptist Young People's Union, close of the business season last evening of the Scranton Baptist church, will hold a roll-call meeting this evening. The members of Camp 33, P. O. of T. A., will hold a members' social this evening.

The property is held by the district which it is intended to annex are willing to change governments and as far as can be learned the township authorities are in a spirit of charity offering no opposition to the secession. Court being willing the annexation will occur and then there will be office filling and to spare. Attorneys W. Gaylord Thomas and B. F. Tinkham are looking after the annexation proceedings.
