ENCOURAGEMENT wanted FROM CLEVELAND

tle Advises the Sound Money Democrats to Get Together.

FATHERLY ADVICE TO KICKERS

He Believes that the Gold Bug Element of Democracy Can Make a Showing by Hard Work in Pennsylvania .. Wants to Be Blessed

With Safe Money.

Philadelphia, March 4.-Representatives of the state organization of the Jeffersonian or gold Democratic party met in the Herel Walton today and resolved in favor of putting in the field a ticket of their own for state officers. from the gevernorship down and for members of congress in every district.

The meeting was presided over by James Denton Hancock, of Venango county, former candidate for congressman-at-large, and was composed of representatives from about twenty Thomas H. Greevy, of Blair, counties. was secretary. A. B. Farquhar, of York, read the following letter from ex-Prosident Grover Cisveland, dated Morch I, 1898, at Princeton, N. J.:

My Dear Mr. Farquhar. Your letter is received and I hope most differely that there may be a sound money movement in Pennsylvania that will be strong and gant confidence of the tree silver forces gant connected of the theory that they are led to believe that there is very little ag-gressive effort to be made by their oppopremive effort to be made by their other tents. It is a strange thing that the al-parent aboth in many of our sound money states should give plausibility to such helicit. If any cue believing with us supports that free silicer can be prevented from controlling the two houses of the next congress without effective organ-ization and hard work, the ourker he mandens that blea the more useful he will be a a sound money man-

Lum securities) in my desire to see our country blessed with a safe money and a suitable financial system that I am of the adulton we ought to give patriotic and consistent support to any plan which insures this result and which has the de-ments that promise its successful advocacy. Yours very truly

Grever Cleveland.

An outline of an address to be circulated throughout the state was agreed upon. It is to the effect that the gold Democrats of the state should at an carly day take the steps necessary for making the nominations. An executive committee of fifteen was appointed to distribute the addresses and arrange for the nominating conventions and otherwise carry out the purposes of the meeting.

DAUNTLESS FXPEDITION.

#### Mr. Nunez Claims to Have Landed 700,000 Bullets.

Philadelphia, March 4 .-- Emilie Nunex, the promoter of Cuban filibustering expeditions who has just returned to his home in this city from his recent trip to Cuba on the filibustering steamer Dauntless, was today shown the Washington dispatch which stated that Senor du Bose, the Spanish charge d'af'aires, had informed the state department that the Dauntless expedition was not successful and had failed

to effect a landing. Mr. Nunez shrugged his shoulders after the dispatch had been read to him

term of court. Gentner entered ball in the sum of \$2,500 for his appearance when Pennsylvania Pensions. Washington, March 4.-These Pennsyl-vania pensions have been issued: In

### Gentuer Jury Disagrees.

Philadelphia, Morch 4.-Henry P. Ett-ner, formerly a clerk in the Lancaster, Pa., postoffice, was acquitted in the United States district court today of the charge of robbing the mails. This was Ettner's second trial, the first jury having disagreed.

Dubois, March 4.-The first death from yesterday's mine explosion here occurred today when Garfield Rhodesa, a 17-yearold boy, succumbed. Edward Cryer, an-other of the victims, will probably dic. The other four victims will recover.

M'COYS' QUICK WORK.

#### In Two Rounds He Disposed of Nick

Hot Springs, Ark, March 4.-Kid Mc-Koy knocked out Nick Burley in the second round here today. The fight took place at Whitington park, in the open air. The weather was fine. There were 1,200 spectators, including about twenty-five ladies. The seconds for McCoy were Dock Payne, Bill Lay-

ton and Tom Galvin; the seconds for Burley were Jack Grace, Fred. Campbell and Paddy O'Toole; timekeepers, Aldermen Carberry, of Chicago, for Burley: George Forbes, of Cleveland, for McCoy. Official timekeeper, Cap-tain H. O. Price, of Hot Springs. McCoy entered the ring at 12.30 p. m. with his seconds amid loud cheering. He was followed at 12.34 by Burley

gong sounded at 12.40.

blows and clinch; McCoy puts three lefts on the jaw in quick succession. Barley lands a left and McCoy a right; clinch. McCoy land a right on the heart and swings on the mouth. McCoy's first blood. Burley swings but McCoy ducks." The round ends in a rally: McCoy cool and confident; McCoy's round

Burley going. McCoy leads with left and fall short, then lands a left on the jaw. Burley bleeding badly from the mouth: McCoy making Eurley lead the fighting. Burley swings short with left. McCoy plants his left on the stomach and repeats the dose twice. Burley very groggy, Burley swings with his left but lands the right on McCoy's shoulder. No damage. McCoy retreats; both fighting like de-mons. McCoy feints with left and follows with a heavy right on Burley's jaw. Burley counted out. Time of last round one minute and forty seconds,

Loud cheers for McCoy and the crowd surges to the ring to shake the hand of the victor.

He Died in War.

Nalls, a war veteran, who was once sentenced to death in a southern prison was reunited with his two daughters

and remarked that it is just as well that the Spanish authorities shall have that opinion regarding the Dauntless expedition, but evidently becoming more interested in the topic he continued "My last expedition put into Cuba 700,000 bullets located at the end 700,000 Mauser cartridges. And every one of these bullets is now being used to let daylight into the Spaniards who think as Senor du Bosc thinks. If Senor du Bose knows as much about my recent expedition as the Spanish authorities in Havana know about the destruction of the Maine, and if Senor du Bose says that expedition was a failure, as the Havana authorities say the Maine blew up on her own account, then Senor du Bosc is of the same stripe as the authorities in Havana. He is a liar." Mr. Nunez expressed the opinion that the battleship Maine was destroyed "hy Spanish officials, with their knowledge and by their hands."
