OLDEST FATHER MATHEW MAN

Died in This City Yesterday .- Others

Called Hence. William McHale died suddenly at 1 o'clock yesterday afternoon at the home of his daughter, Mrs. Thomas Nealon, on South Main street. He was apparently in his usual health and sat in his chair eating his dinner when Mrs. Nealen noticed that he had lost consciousness. Her husband was summoned and Mr. McHale was carried to his bed but by that time life was ex-

Mr. McHale was 82 years of age. He was born in Ballana, county Mayo, Ireland. In 1849 he, with his wife, came to this city. She died ten years ago. The surviving children are: Undertaker Edward J. McHale, Mrs. Mary Cox and Mrs. Thomas Nealon, of this city, and Mrs. Bridget Grady, of Mayfield.

Mr. McHele was the oldest living Father Mathew man in the United States and had been for some time the only one so far as known, living in this country who took the pledge from the famous temperance apostle. Mathew administered the pledge to Mr. McHale, at Bridge Arnarab, on the 15th of August, 1837. During the sixty-two years that have intervened he has lived up to his obligation faithfully and could never, even as medicine, be tempted to drink intoxicating liquor.

He looked upon the occasion as a red letter day in his life and was always proud to recount the story to the younger generation. Until the present year when his health would not permit he has always been an honored guest of the temperance societies at each 10th of October parade. He was an henorary member of the Knights of Father Mathew.

Ten years ago a cataract was formed over Mr. McHale's eyes. He was op-erated upon a year later but without success and since then has been totally blind. He has been able to get about however, until six months ago, when one of his legs became inflamed. Since then he has been compelled to remain

in a chair. He was a man of much intelligence and possessed a remarkable memory which made him a most interesting conversationalist. As husband, father, neighbor and citizen he sized up to his highest obligations and his memory will be held in the deepest respect by

all who were privileged to know him. The funeral will be held at 3 o'clock will be made in St. Rose cemetery.

Alexander Burnett Dies.

The home of Richard Burnett, of Fighth avenue, was saddened yesterday afternoon by the death of Mr. Burnett's son Alexander, which occurred at 2.30 o'clock, and was due to typhoid pneumonia. Deceased was one of the well known and popular young men of the city. He was 20 years of age and had been engaged as a machinist in the omotive repair shop of the Delaware and Hudson company in this city.

Deceased was a young man of exemplary habits and besides his immediate family leaves a large circle of friends to mourn his demise. He was a member of the Knights of Father Mathew

Haydn Williams Dead.

Haydn, the young son of Mr. and Mrs. William P. Williams, of South eled. Church street, died Thursday night at o'clock after being 31 only thirty-six hours with cerebro-spinal meningitis He was 10 years 3 months and 4 days old, a bright boy and a general favor-The funeral will take place Sunday afternoon at 2.30 o'clock. Rev. T. E. Jepson will conduct the services at Maplewood cemetery.

The impression made on Monday night was that no better priced opera company had ever played in this city. Last night the decision of the audience was that this company is particularly the strongest all-around aggregation of talent in that line as ever appeared here. The piece was beautifully staged and the company throughout gave a smooth, artistic and pleasing performance. The specialties were very fine. Popular prices will prevail throughout this engagement. LOCAL AND PERSONAL.

Monday afternoon at 3 o'clock.

The Palace creamery proprietors will ommence in a few days to remodel their building on Church street and Salem avenue, permission for which has been gained from councils. Professor Thomas will move his bookbindery to the Lyceum hall, on Church street, and the quarters vacated by him will be converted into two handsome offices suitable for lawyers or doctors. The job printing office of C. R. Munn will be enlarged and provided with an entrance from Salem avenue. The Palace creamery will have a plate glass front on the Church street side of the building with a corner entrance. The exterior of the old structure will be very much beautified.

The members of Diamond lodge, No. 26. Shield of Honor, of this city, are preparing to celebrate in a joyous manner the seventh anniversary of the organization and the committee in charge already have the preliminary preparations well under way. The anniversary occurs on Friday evening, April 4, and the celebration will take place in the W. W. Watt building on Church street.

Fred, son of Mr. and Mrs. Jacob Henry, of No. 4, was kicked in the face by a mule while at his work yesterday morning in Coalbrook mines, receiving a partial or incomplete fracture of the upper jaw-bone and a severe laceration of the cheek. KINGS OF THE CIRCUS WORLD

The Sells Brothers, Greatest Living Circus Men, Write Strong Letters Emphatically Endorsing Pe-ru-na, the National Catarrh Remedy.

Independent Letters to Dr. Hartman

All three of these Gentlemen have Personal Knowledge of the Virtues of Pe-ru-na.—Each tells how He has been helped by It.—Several other Letters from People Pe-ru-na has Permanently Cured

Managing large affairs successfully is a constant nervous strain. From nervousness to catarrh is but a step. The source of catarrh is in the mucous membrane, which is a mass of nerves. The letters here printed from the Sells Brothers, owners of the great combined Forepaugh and Sells' Shows, describe the peculiar strain to which each is subjected in carrying on their immense business. That

Pe-ru-na has been a great help to these gentlemen is not strange, as it is perfectly adapted to assist nature in throwing off the evil effects of nervous strain

and faulty digestion. Pe-ru-na is a scientific catarrh remedy. It does not attempt to reach catarrh by local treatment, for catarrh cannot be treated locally without harm. It reaches out for the very roots of catarrh by making its existence impossible.

Mr. Eph. Sells says, "I would not be without it for any money." Here

is his letter:

Dr. S. B. HARTMAN, Columbus, O. Dear Sir:-Your Pe-ru-na is certainly one of the very best tonics that was ever brought to my attention. As the financial manager of the great combined Forepaugh and Sells Brothers' Shows, I am necessarily subjected to constant strains of the nervous system and brain. This kind of wear and tear makes me feel frequently in need of a good tonic to assist digestion and to keep my nerves steady and my brain cool. I find in Pe-ru-na exactly such a tonic. It produces an even and natural appetite, aids in digestion, and procures sound and refreshing sleep. I would not be without it for any Sincerely yours,

Financial Manager Sells Brothers' Show. EPH. SELLS.

Mr. S. JAMESON, Weston, S. C., tried in vain for twenty-eight years to get relief from his catarrhal troubles. Pe-ru-na cured them all. He writes as follows to Dr. Hartman:

Dr. S. B. HARTMAN, Columbus, O. Dear Str.—'I am very glad to tell you that I consider your medicine everything that is claimed for it. I am cured of all my troubles—the blindness, the roaring in my head, catarrh in the throat, the pain in my shoulders and back, and my bowel troubles, are all cured. The leg that used to pain from the wound is well. I have been trying to get relief all over the country for twenty-eight years, without the least benefit. But your three medicines, Pe-ru-na, Man-a-lin and La-cu-pi-a, have completely crited me. It is my one wish to recommend your medicines to all sufferers." The letter of Mr. PETER SELLS is as emphatic as that of his brother. He writes: PE-RU-NA DRUG MFG. Co.

Dear Sirs:-I wish to say a word in praise of Pe-ru-na. My business as advertising agent of our immense consolidated show makes it necessary for me to be constantly on the go; a constant change of climate and diet. This will sooner or later derange the strongest man's digestion. I find Pe-ru-na an admirable remedy to correct the evils which follow a constant change of diet. I would not be without Pe-ru-na in my travels. No better remedy for catarrh of the stomach can be found. With an occasional use of Pe-ru-na I find myself always in splendid health and good spirits.

Very sincerely yours,

PETER SELLS.

Catarrh is the curse of America. The thoroughness of Dr. Hartman's treatment of catarrhal diseases is evidenced by his permanent cures. Bright's disease is catarrh of the kidneys, and Pe-ru-na cures it and cures it permanently by making the membranes healthy. Mr. BRAKE's letter is only one of many on file. He writes as follows:

Dr. S. B. HARTMAN, Columbus, O. Dear Sir. — Four years ago I had a severe attack of Bright's disease which brought me so low the doctor said nothing more could be done for me. When one of your lectures on the above disease was read to me, I began to take Pe-ru-na and Man-a-lin, and found it acted just as represented. In three months I was a well man, and have continued so ever since. Seeing the good effects on me, numbers of people of this town have called on me who were suffer. ing from dyspepsia. They have taken your medicine with the best results.—J. BRAKE, Petrolea, Ontario, Canada. Mr. Louis Sells recommends Pe-ru-na

to everybody for every catarrhal trouble. His letter follows:

PE-RU-NA DRUG MFG. Co.

Dear Sirs:-You are putting upon the market one of the best remedies of which I have any knowledge. Wherever I travel I hear Pe-ru-na spoken of in the highest terms. My personal use of it also leads me to know of its remarkable efficacy in all cases of chronic catarrh, coughs, colds and chronic affections. A few doses of Pe-ru-na will cure colds, stop coughs, and prevent what would otherwise become chronic catarrhal conditions. I trust that the Pe-ru-na Drug Mfg. Co. will meet with the success that the merits of their great remedy entitles them. I recommend Pe-ru-na to everybody.

Very respectfully yours,

LOUIS SELLS.

The catarrh problem is complicated. Many of the most serious diseases are catarrh under other names. Catarrh cannot be cleared up anywhere by any remedy that will not clear it up everywhere. Dr. Hartman's books on catarrhal diseases are plain, open common sense, and are scientifically sound. They prove a revelation to nine-tenths of their readers.

No person interested in the subject should fail to write for one or more of these books. They are called "Chronic Catarrh," "The Ills of Life," and "Winter Catarrh." Any or all mailed free on application to the Pe-ru-na Drug Mfg. Co., Columbus, O. Pe-ru-na may be obtained of all druggists. Special book for women, called "Health and Beauty," mailed to women only.
