

COMING WEEK IN CONGRESS

Bill to Furnish Men for Coast Defenses Will Probably Pass.

TWO NEW REGIMENTS

Opposition to the Artillery Bill Has Disappeared.

Any Unlooked-For Development in the Spanish Situation May Change the Programme.—The Senate Will in All Probability Begin the Week with the Consideration of the District of Columbia Appropriation Bill.—Several Measures May Be Antagonized by the Hawaiian Annexation Treaty.

Washington, March 6.—It is probable that both the bill for the relief of the survivors and the victims of the Maine disaster and the senate bill creating two additional regiments of artillery with which to man the coast defenses will pass the house this week. The former bill was held up until it could be investigated, as it was said that the special bill for the relief of the survivors and victims of the Samoan wreck in 1888 led to some scandal. That bill was loosely drawn and it has been asserted some advantage of its provisions was taken. The present bill has been carefully drawn and is one satisfactory to Mr. Cannon, chairman of the committee on appropriations. Practically all opposition to the artillery bill has now disappeared in the house. The leaders were, it is said, in favor of delaying action upon it to allow public alarm which might have been intensified had it been rushed through the house as it was through the senate. Beyond action on these two measures the house programme this week so far as is now anticipated is entirely peaceful and has no reference to possible foreign complications. Tomorrow is District of Columbia day and Friday by special order has been set aside for the consideration of the Mahon war claims bill. The Thorp-Epps contested election case will occupy two, possibly three days, and such time as remains will probably be consumed in the consideration of the postoffice appropriation bill which is expected to be ready by Wednesday. Any unlooked-for development in the Spanish situation might change the programme.

IN THE SENATE. The senate will in all probability begin the week with the consideration of the bill making appropriations for the District of Columbia, and when this is completed take up the conference report on the legislative, executive and judicial appropriation bill which has been agreed upon and will be made to the senate tomorrow. It is considered quite probable that the district bill will consume two or three days or even more. One of the questions in this bill which may arouse debate is the action of the senate committee on appropriations in striking out the item in the bill as it came from the house limiting telephone charges in the district. There will be an effort to restore this provision.

THE MOVER MISSING. The census bill, the Methodist book agent bill and Senator Pettigrew's bill donating five per cent. of the proceeds of sales of public lands to the various states in which the lands are located will contend for right of way when there are no appropriation bills to receive attention, and it is as yet uncertain which of them will be first taken up.

TRAGEDY IN AN ILLINOIS CITY. Chicago Man Supposed to Have Committed Murder and Suicide. Ottawa, Ill., March 6.—A double tragedy occurred in this city yesterday. A man, supposed to be C. W. Wood, of Chicago, appears to have committed suicide after having shot and killed an Ottawa woman, known as Irene Bridor. She spent last week in Chicago, and Wood followed her here. The coroner is investigating. There are rumors that the man was John H. Wood, who was jealous of Wood, because of his attentions to the woman, committed the deed.

DRIVE FRENCH OUT OF SOKOTO. Niger Company's Forces Will Assist the Sultan of That Country. Brass, West Coast of Africa, March 6.—The Royal Niger company's forces left Lokoja yesterday for Sokoto to assist the Sultan of Sokoto to drive the French out of his territory should the French forces refuse to recross the Niger river.

Liverpool, March 6.—Colonel Lugard, the commander-in-chief of the Royal Niger company's forces, accompanied by other officers, sailed today for Rio dos Forcados, Upper Guinea.

PENNSY GOLD DEMOCRATS. Their State Chairman Opposed to Running a Separate Ticket. Philadelphia, March 6.—William B. Given, state chairman of the Jeffersonian or gold wing of the Democratic party of Pennsylvania, arrived here today on his way home to Lancaster from a prolonged southern trip. He said the conference of gold Democrats held here last night, at which a decision was reached in favor of putting separate state and congressional tickets in the field, was not called by himself nor by direction of the executive committee.

It was an informal gathering, he said,

and did not pretend to represent the organization. Mr. Given added that he would call a meeting of the executive committee to consider the situation. A united and aggressive Democracy, he declared, could win in Pennsylvania in November.

HARDSHIPS ON CHILKOOT TRAIL.

A San Francisco Man Crawls on Hands and Knees Into Dawson. San Francisco, March 6.—Stories of hardship and disaster on the Chilkoot trail to the Klondike are coming in by every mail. One of the worst cases concerns W. E. Fisher, a young San Francisco real estate man, who for several years did a large business as a partner with Lloyd Trevis's Son. Fisher failed here recently and determined to try his luck in the Klondike. He secured an outfit, and reached Dyea just as the severe blizzard began to rage on the trail. He was cautioned about venturing out, but he was in a fever to reach Dawson. A letter was received today by Dalton Brothers, produce merchants, from Charles E. Greyson, their agent at Dyea, saying: "You remember W. E. Fisher? Well, he came into town last Thursday crawling over the trail on his hands and knees. You would never know him, for he is a total physical wreck. Both his legs are frozen, and it is said they have since been amputated."

Many similar cases have been reported of men without experience in the north who have had limbs frozen on the trail.

MOURNING IN MEXICO.

Masonic Lodge of Sorrow for Those Lost with the Maine. Mexico City, March 6.—The Lodge of Sorrow held last night in honor of the Masons who perished in the Maine explosion was well attended. A joint call for it was issued by the native Egyptian lodge and the Mexican lodge. It was attended by all lodges working under the grand symbolical lodge of Mexico. The hall was draped in black, and speeches were made expressive of sympathy for the United States. There will be a public Lodge of Sorrow between the 15th and 25th of this month. There will also be religious services on Sunday night in honor of the dead sailors at the Methodist Episcopal church.

FOREST CITY.

The Republican caucus to elect delegates to the coming county convention will be held next Tuesday evening. The caucus in the first ward will be held in the Ames building, next door to the bank, and in the second ward two doors above Davis' drug store, in the Manning building.

John S. Carmichael, of Scranton, who is generally conceded to be the champion checker player of northeastern Pennsylvania, has sent the following challenge to Clarence W. Lewis, of Thompson, who holds the championship of Susquehanna county: "I will give Clarence W. Lewis, the self-styled champion checker player of northeastern Pennsylvania, one game of checkers in the first five wins for \$100 a side and play him at Forest City, Susquehanna or Scranton, and give or take expenses. This challenge will be open one week." John Carmichael, 1545 Dickson avenue.

To Insurance Men. The old Massachusetts Mutual Accident Association of 131 Devonshire street, Boston, desires an active agent in Scranton. The enviable reputation of this association, the great popularity of its new "Model Policy" and its very low rates renders its business easy to place. Address with reference the home office.
