The Sells Brothers, Greatest Living Circus Men, Write Strong Letters Emphatically Endorsing Pe-ru-na, the National Catarris Remedy.

Independent Letters to Dr. Hartman

All three of these Gentlemen have Personal Knowledge of the Virtues of Pe-ru-nal-Each tells how He has been helped by It.-Several other Letters from People Pe-ru-na has Permanently Cured

Managing large affairs successfully is a constant nervous strain. From nervousness to catarrh is but a step. The source of catarrh is in the mucous membrane, which is a mass of nerves. The letters here printed from the Sells Brothers, owners of the great combined Forepaugh and Sells' Shows, describe the peculiar strain to which each is subjected in carrying on their immense business. That Pe-ru-na has been a great help to these gentlemen is

not strange, as it is perfectly adapted to assist nature in throwing off the evil effects of nervous strain

Pe-ra-na is a scientific catarrh remedy. It does not attempt to reach catarrh by local treatment, for catarrh cannot be treated locally without harm. It reaches out for the very roots of catarrh by making its existence impossible.

Mr. Ern. Sells says, "I would not he without it for any money." Here

As the financial manager of the great combined Forepaugh and Sells Brothers' Shows, I am necessarily subjected to constant strains of the nervous system and brain. This kind of wear and tear makes me feel frequently in need of a good tonic to assist digestion and to keep my nerves steady and my brain cool. I find in Pe-ru-na exactly such a tonic. The letter of Mr. PETER SHALS is as emphatic as that of his brother. Hic writes:

I wish to say a word in praise of Pe-ru-na. My business as advertising agent of our immense consolidated show makes it necessary for me to be constantly on the go; a constant change of ellimate and diet. This will sooner or later derange the strongest man's digestion. I find i'u-ru-na an admirable remedy to correct the evils which follow a constant change of diet. I would not be with. out Pe-ru-na in my travels. No better remedy for catarrh of the stomach can be found. With an occasional use of Pe-ru-na I find myseli always in splendid health and good spirits.

Very sincerely yours,

PETER SELLS. Catarrh is the curse of America. The thoroughness of Dr. Hartman's treatment of catarrial dis-

cases is evidenced by his permanent cures. Bright's disease is catarrh of the kidneys, and Pe-ru-na cures it and ceres it permanently by making the membranes healthy. Mr. Brake's letter is only one of many on file. He writes as follows: The state of the s

My personal use of it also leads me to know of its remarkable efficacy in all cases of chronic catarrh, coughs, colds and chronic affections. A few doses of Pe-ru-na will cure colds, stop coughs, and prevent what would otherwise become chronic catarrhal conditions. I trust that the Pe-ru-na Drug Mig. LOUIS SELLS.

Louis Sella The catarrh problem is complicated. Many of the most serious diseases are catarrh under other names. Catarrh cannot be cleared up anywhere by any remedy that will not clear it up everywhere. Dr. Hartman's books on catarrhal diseases are plain, open common sense, and are scientifically sound. They prove a revelation to nine-tenths of their readers.

No person interested in the subject should fail to write for one or more of these books. They are called "Chronic Catarrh," "The Ills of Life," and "Winter Catarrh."
