## FOREST CITY.

S. Philip Golden, elocutionist, impersonator and humorist, will give an entertainment in the Methodist church on Tuesday evening next, for the benefit of the church choir. The price of admission will be fifteen cents. Mr. Jesse Holmes, of South Gibson, has been spending the past two or

three days in Forest City, looking after his business interests. "Cuba" will be the subject of a sermon to be delivered in the Presbyterian church, tomorrow evening by the pastor, Rev. W. A. Carrington. Rev. J. Irwin Brodhead, rector of

family to Dundaff, where they will reside this summer. Mr. Brodhead's parish includes Forest City and Dundaff. Rich specimens of gold-bearing quartz were exhibited at several places about town by two Forest City men, on Thursday. In the smaller piece, which would weigh about a half pound, there was said to be nearly four dollars' worth of the precious metal and it looked as if that claim was nothing more than the truth. The larger piece

was five or six times the weight of the first and also contained a plentiful sprinkling of the yellow mineral. Where he quartz came from was not divulged, but the statement was made that it was not a great distance from Forest City and that there was plenty of it, A man named Arnold had brought the quartz here and was desirous of organizing a company to conduct mining operations. It is surmised that the ore came from the South Canaan mine,

over in Wayne county.

## Christ Episcopal church, has moved his A Suffering Soldier.

This veteran fought for his country; suffered untold hardships, and returned with health shattered. Many a brave soldier has the same history. To-day this one rejoices in a new-found strength and tells his experience to benefit others.

No man is better known and liked in that rich tier of Illinois counties, of which Peoria is the centre, than genial Chester S.

Harrington, of Princeville, Ill. Mr. Harrington is a veteran of the war. Like many another brave soldier, suffered not only during that service, be for years afterwards from diseases contracted then.

For years his health was shattered; his

sufferings increased. He was unable to gain relief, but now he tells a story which

gain relief, but now he tells a story which is of profit to many:

"I served three years in the 124th Illinois, enlisting at Kewanee, Ill.," said he.

"I was in Libby Prison and suffered like many another Northern soldier. "The strain of army life did its work in undermining my health, although the collapse did not come for sometime after.
"For fifteen years I suffered from general

debility and nervousness so badly that I could not sleep. Indigestion resulted and my misery increased.

"My eyes began to fail, and as my body lost vitality my mind seemed to give way.

I could scarcely remember events that hap-pened but a few weeks before.

' For two years I was unfitted for business. I was just able to creep around dur-ing part of this time, and there were many

mes when I could not get up.
"My brother is a doctor, but all his forts to help me failed to give any relief. efforts to help me failed to give any

avail. Finally, having read articles by garding cures that had been effected by Dr. Williams' Pink Pills for Pale People decided to try them. That was in 185 I bought a box and took the pills accord

"Four days later I had the happiest hours I had known for years. That night I went to sleep easily and slept soundly as a child and awoke refreshed.

"After I had taken four boxes of the pills, I found that I was cured and had also increased 27 pounds in weight.

"This greatly surprised my friends, who thought my case was a hopeless one. I began my work again and have continued ever since in excellent health. "Another valuable gain to me was, that while I was taking these pills I had been cured of the smoking habit, which had formed when I was a boy and had clung to me all these years. The craving for tobacco left me and I have never experienced in slower to the craving for tobacco left me and I have never experienced.

rienced it since.
"I cannot say enough for these pills and have recommended them to many."

To verify this statement Mr. Harrington made affidavit to its truthfulness before Lincoln M. Coy, Notary Public.
Dr. Williams' Pink Pills for Pale People strike at the root of disease by acting di-rectly upon the impure blood. Their power is marvelous and many wonderful cures have been made. Druggists consider them a potent remedy, and all sell them.

# THE MARKETS.

Wall Street Review. New York, March 25.—Today's clos-ing prices were the lowest in most cases since the Cuban question became a dominant factor in the situation. Twenty active shares averaged lower than at any time this year and government new fours coupon were down to 118% bid. This was on the assumption that new issues were possible if expenditures for war purposes continued long. Before the battleship Maine was blown

up they were quoted above 128. It was freely predicted that the Maine report would be extremely unfavorable. The market opened with quotations slightly below yesterday's final figures. The bears, however, were determined to bring about a substantially lower level and hammered many of the leading stocks vigorously in an endeavor to precipitate liquidation. After the day progressed the market dipped frequently, but there was an absence of feature in the general speculation until the final hour, when extensive liquidation Dull. set in, which depressed the bulk of the high-priced specialties to the lowest

figures of the day. Total sales were 546,000 shares. Furnished by WILLIAM LINN ALLEN & CO., stock brokers, Mears building, rooms 705-706.
