Daniel Danvers Had One of His Fingers Almost Severed by Falling on a Piece of Glass—Preparations Are Being Made for the Entertainment of the Dutch Gap Mission—There Was a Large Attendance at the New England Kitchen.

The man in charge at the time was seated in one end of the wagon and was started by a loud report, which was followed by a burst of flames.

LIVE NEWS OF WEST SCRANTON

Scranton Railway Company Is Getting Ready to Extend Its Lines.

NEW TERRITORY TO BE REACHED

The Extensions Will Furnish Accommodations to a Heretofore Neglected Region—The Members of the Tuesday Evening Thimble Club Entertained at the Residence of Mr. and Mrs. John J. York—Cases Heard Before the Aldermen—Movements of People.

No definite time has been set, but in the course of a week or two several important changes will be begun on the several West Scranton lines of the Scranton Street Railway. It greatly depends on the state of the weather as to how soon these operations will begin.

During the past two years ordinances have been passed by the council granting the right of extension along certain streets to the Scranton Railway company and in accordance with these ordinances many of these extensions are to be made in the near future.

Many sections of this side, heretofore, not reached by any mode of public conveyance, will by this work be conveniently reached. In fact in one or two instances a belt line may be formed.

A few of the proposed extensions are as follows: From Sweetland street terminus at North Bromley avenue, along Bromley to Lafayette, thence along Lafayette to Van Buren. This extension will be about 10 blocks in length and will reach into a territory in which the increase of residents is spreading.

The Washburn street-Laurel Hill line will continue from its present terminus at South Filmore avenue to Grant avenue, along Grant to Jackson in a northern line, and thence to Jackson to the city line, a distance of about a mile and a quarter. This extension also affects a large territory, and will, no doubt, be of great convenience. In time the Sweetland street and Washburn street lines can be connected and a belt line formed.

From its present terminus at Twenty-second street the Luzerne street line will be pushed along Luzerne street to the city line and may sometime be connected with a belt line along the Beck road, which is now under construction.

Already the poles have been hauled and placed at convenient points for this latter extension and the rails and ties will probably follow in about three weeks. The residents in this vicinity, especially those in the Beck road hamlets along the Beck road, are looking forward to the time when walking will be a luxury and shopping trips be made in less than a day.

POLICE AND ALDERMEN.

Owen Moran, much offending, was again before Alderman Jones yesterday morning charged with uttering dangerous threats, breaking furniture and crockery, and being a nuisance. Owen's brother, Edward Moran, appeared against him and in default of \$500 bail Owen was committed to the county jail.

G. W. Nieber, over 78 years of age and a veteran of the late war, was fined \$2.50 in police court yesterday morning by Alderman Kellow on a charge of being "helplessly drunk." Mr. Nieber claimed he was a farmer from Taylor to do some business Monday afternoon. He met some friends and the alderman knew the rest.

The "rest" implied was when Patrolman Saul found him fast asleep in his carriage and the horse standing on South Main avenue near Elm street. So the patrolman brought him in out of the rain.

THIMBLE CLUB SESSION.

Last evening the members of the Tuesday evening Thimble club were entertained by Mr. and Mrs. John J. York at their residence, 1515 Price street. The club's membership is composed only of ladies, with the majority of them married and while the ladies served, the gentlemen chatted. After the hour allotted to the evening had been done, a short social session followed and cake and coffee were served by Mr. York.

The guests present last evening were Mr. and Mrs. Robert J. Williams, Mr. and Mrs. George Jones, Mr. and Mrs. William N. Chase, and the Misses Rachel Jones, Anna Broadbent and Libbie Jones, of Pittston.

RESULT OF THE CAVE.

Thursday, March 24, in The Tribune an exclusive account of the settling of the territory in the vicinity of Horatio and Lauer avenues was made. Yesterday the attention of the street department was called to the condition of the place.

Foreman Lavelle was notified that the depression affecting portions of the avenues in question had formed an excellent site for large pools of water and the recent heavy rains had supplied the water. The matter was reported to Street Commissioner Dunning and steps will be taken to repair the streets and drain the water away.

PERSONAL MENTION.

Mr. and Mrs. Thomas Potter, of North Gardner street, are happy over the arrival of a boy.

William McCreeley, of Hallstead, has returned from a visit among friends here.

Miss Annie Lewis, of West Locust street, has returned from a visit at Wyoming.

Mrs. John Wardell, of North Garfield avenue, has as her guest, her sister, Miss Pauline Jacoby, of Portland, Pa.

Miss Emma Becker, the hostess of Jackson street, has returned from a business trip to New York city.

MINOR NEWS NOTES.

This evening at the parsonage of the Chestnut Street German Presbyterian church a "Feme" social will be held.

INTERESTED PEOPLE.

Advertising a patent medicine in the peculiar way in which the proprietor of Kemp's Balsam for Coughs and Colds does is indeed wonderful. He authorizes all druggists to give to those who call for it, a sample bottle free, that they may try it before purchasing. The large bottles are 25 and 50c. We certainly would advise a trial. It may save you from suffering.

IDEAL GRANDMOTHERS.

Women Who Know the Laws of Nature and Obey Them May Live to Green Old Age.

Mrs. Pinkham Says When We Violate Nature's Laws Our Punishment Is Pain—If We Continue to Neglect the Warning We Die.

Providence has allotted us each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely. Nervous exhaustion invites disease. This statement is the positive truth. When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out into perspirations easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger; your nerves have given out; you need building up at once! To build up woman's nervous system and restore it to its normal condition, there is no better or more inspiring medicine than Lydia E. Pinkham's Vegetable Compound. For ailments that in time can be thrown off, if neglected it will run on into great suffering and pain. Here is an illustration. Mrs. Lucy Goodwin, Holly, Vt., says: "I suffered with nervous prostration, faintness, all-gone feeling and palpitation of the heart. I could not stand but a few moments at a time without having that terrible bearing-down sensation. "When I commenced taking Lydia E. Pinkham's Vegetable Compound I only weighed 108 pounds, and could not sit up half a day; before, however, I had used a whole bottle, I was able to be about. I took in all about three bottles of the Compound, and am entirely cured; now I weigh 131 pounds and feel like a new woman, stronger and better than ever in my life." So it transpires that because of the virtues of Mrs. Pinkham's wonderful Compound, even a very sick woman can be cured and live to a green old age.

An excellent programme will be rendered, followed by the serving of refreshments. The affair is being given by the members of the Young People's Society of Christian Endeavor, of the church, and a small admission will be charged.

The funeral of Percy, the young son of Mr. and Mrs. Charles W. Lasher, will be held this morning at 9 o'clock from the parental residence. Interment will be made at Junction, N. J.

Mr. and Mrs. T. H. Roberts, of 329 North Garfield avenue, entertained last Friday evening at their home in honor of the sixteenth anniversary of the birthday of their daughter, Miss Eva. A large party of the young lady's friends were present and the evening passed pleasantly. Refreshments were served at a seasonable hour.

All members of the Cambro-American Choral society are requested to be present at the session tomorrow evening at 7:30 o'clock at the Tabernacle Congregational church. A first rehearsal will be held and any person having a copy of the piece, "Worthy is the Lamb," are requested to bring it with them.

The Ladies' Auxiliary committee of the Haledon Young Men's Christian association will give a supper Tuesday evening, April 12, at the home of Mr. and Mrs. L. W. Kramer, 329 North Lincoln avenue.

The Junior Young People's Society of Christ, of Plymouth Congregational church, under the management of Mrs. W. J. Morgan, will give a Mother G-ose concert in the lecture room of that church on April 7.

The Ladies' Aid society of the Ashbury Methodist Episcopal church will meet Friday afternoon at the home of Mrs. L. M. Peck, on Capouse avenue.

The young people of the Green Ridge Baptist church will hold a bell social in Nettleton's hall, on Green Ridge street.

Miss Dora Koch, of Capouse avenue, will leave for Philadelphia tomorrow, where she will attend the commencement of the dental department of the University of Pennsylvania.

Mr. and Mrs. Fred. Hummer, of Cherry lane, have returned from Philadelphia, where they were spending a few days with friends.

Monday morning Constable Black closed the hardware store of A. C. Monies, of Dickson avenue, on a landlord's warrant of \$720.

ERIE CUT-OFF AT GOSHEN.

Erie Officials Incorporate a Company to Build the New Line.

The Goshen Railroad company was incorporated Friday with a capital of \$300,000, to operate a standard steam road two and three-quarters miles long, from a point on the main line of the Erie road, two and one-half miles west of the Erie road, to a point in the village of Goshen, to a point on the company's line one and one-quarter miles east of the Goshen station.

The proposed road is a cut-off, which has long been talked of by different Erie managements, the object of which is to shorten the route between Goshen and the present line. When the new road is built all through passenger and freight trains will be run over it, and only local passenger and freight trains will be run through Goshen village.

OBITUARY.

Early yesterday morning Miss Genevieve Gettrude Gaynor, daughter of Mrs. Mary Gaynor, died at the residence, 513 North Lincoln avenue. Deceased was 36 years of age and a bright, winsome girl, gentle and loving in her disposition. It is thought that the grief felt by her for two other sisters who died within a year brought on a decline which resulted in death. Deceased was attending the Scranton high school at the time of her first illness and was a member of the Angels' sodality of St. Patrick's church.

Her mother was the late Margaret, Winifred and Nellie, and five brothers, Thomas, James, Joseph and William, of this city, and John, of Elmira, survive her. The funeral will be held Friday morning at 9 o'clock. Interment will be made at the Hyde Park Catholic cemetery.

GAYNOR.—In West Scranton, March 29, 1898, Miss Genevieve G. Gaynor, 36 years of age, at the residence, 513 North Lincoln avenue. Funeral Thursday morning at 9 o'clock. Interment at the Hyde Park Catholic cemetery.

HAPPENINGS OF SOUTH SCRANTON

Albert Gutheinz Tendered a Surprise Party by the Young Maennerchor.

FRED KESSLER MADE A SIR KNIGHT

James Mahon Arrested While Prowling Around the Burns of Connell & Company—John H. Brooks Had One of His Fingers Injured While Testing a Soap Cutting Machine. Chicken Thieves Are Causing Much Annoyance—Other Items.

Albert Gutheinz, a well-known and highly esteemed young man of this city, was twenty-three years of age yesterday, and following the weekly rehearsal last night of the Junior Maennerchor, an organization of which Mr. Gutheinz is a member, the members went in a body to his home and tendered him a surprise party. Immediately upon entering the young man's home, the merry crowd began to render a selection, one that is a favorite with the host.

Mr. Gutheinz was equal to the occasion and in a manner commendable endeavored his guests a luncheon was prepared, and all partook freely, and at the conclusion several selections were sung. Archie Patterson, Otto Robinson, Edward Conley and Professor Schmidt made speeches, and all spoke in a congratulatory vein. Those present were: John and Will Bergbauer, Will Ehrhardt, Archie Patterson, Joseph Helreich, Will and Oscar Budenbach, Peter Zang, John Frutche, Fred and Jacob Schunk, George Scholl, George Heitrich, Fred Heitz, Charles Lewert, William Zeeman, John Leyb, Eugene Fannler, Otto Robinson, Albert Welchel, and Professor Schmidt.

MADE A SIR KNIGHT.

At the regular meeting of Comet lodge, Knights of Pythias, held in Hartman's hall, last night, the rank of sir knight was conferred upon Fred Kessler, by the uniformed rank, of Scranton's company, No. 60, David Brown, commander. At the conclusion of the ceremonies the members of the lodge and their brother visitors proceeded to Germania hall, and a reception was held.

Lunch and cigars were served and during the evening the Scranton company gave an exhibition drill.

A NATIONAL SPRING REMEDY.

The distinguished member of the Ohio senate, Hon. John E. Smiley, in writing of Pe-ru-na, gave it as his opinion that it is the greatest remedy of the age. In saying this of course he is but reiterating what thousands of other people are saying, and the chief interest which attaches to his statement is the authority which his position gives to it. Such men would not write such things except there was considerable enthusiastic belief behind it. He goes on to say that Pe-ru-na is an excellent remedy for catarrh, especially catarrhal diseases of the stomach. As this happens to be a very prevalent disease in the spring of the year, this remark is especially timely. It is catarrh of the stomach that produces the indigestion of springtime, for which it is quite common to take some spring medicine. Pe-ru-na does not temporarily relieve these symptoms, but cures them by removing the cause. Pe-ru-na is not a physic or purgative, or a stimulant merely, but is a natural invigorator of the whole system. Mr. Smiley goes on further to say that, as a tonic, he believes Pe-ru-na has no equal. His remark is entirely true. Pe-ru-na is an ideal spring tonic, and is rapidly becoming the most popular medicine in the world for this purpose.

The Pe-ru-na Drug Manufacturing Company, of Columbus, Ohio, are sending free a volume of similar testimonials, entitled "The Nation's Witness." Send for a copy of it before the edition is exhausted.

HER POSTAGE STAMP COSTUME

Thirty Thousand Stamps of Various Kinds Used in Making It.

From the Baltimore Sun.

"I used about 30,000 cancelled postage stamps in making my dress, and I would not make another like it for \$100," said Miss Antoinette Warlitz yesterday. She was the winner of the first prize at the Harmonic masked ball.

The idea of the postage stamp dress was suggested to Miss Warlitz by a friend who had seen one at a masked ball in Vietnam. Miss Warlitz thought it worth repeating, and appealed to her friends for aid in collecting stamps—stamps of all countries—United States ordinary stamps, revenue or special delivery, Spanish, French, Swiss, Italian, Dutch, German, even Chinese, any old thing was acceptable, just so it was a stamp. A few of the 30,000 were bought from stamp collectors. The most valuable, so far as face value goes, were a 15-cent United States stamp and a 25-cent Mexican one, but some of the foreign stamps were quite rare and could not be replaced for anything like their face value.

Five weeks were spent in stamp collecting and three in making the dress, which consisted of a short, full skirt and round waist with long, full sleeves. The foundation of the dress was muslin. On this the stamps were pasted and not an inch of the muslin was left uncovered. The skirt was cut by a circular pattern, and after it was fitted the design on the front was drawn upon it in pencil. Every detail of the design was carried out accurately.

In the centre of the front breadth was an eagle, made of brown Columbian stamps. Suspended from the eagle was a globe made of very old two-cent blue revenue stamps, the meridians being outlined by the narrow title borders cut from Columbian stamps. On either side the globe was an American flag, the stripes of blue and red revenue stamps, the stars of the stars of the blue stamps.

Except where it was taken up by the design the skirt was striped—not up and down, but around. It was finished at the bottom by a border of brown Columbian stamps 100 in number. Above this were three rows of the red two-cent stamps, then another row of the Columbian, then more of the red, and so on to the top.

Blue instead of brown Columbian stamps were used in one of the rows; in another the large green medallions cut out of the stamped envelope, and in another a series of stamps of all values, from 1 up to 15 cents.

The foreign stamps were pasted on the bodice in the form of a shield, the centre of which was made up of portraits of Washington cut from revenue stamps. The full sleeves were made of blue and red stamps and were finished at the hand with a cuff of foreign stamps.

The bodice was fastened in the back, and after it was on a pair of slippers had to be pasted on to hide the fastenings.

A large Leghorn hat covered entirely with red and blue stamps was worn with the costume, and a pink mask and a round fan covered with red stamps, was carried. Over the shoulder was slung a tiny red mail box, with the letter U. S. M. in gilt on it.

The wearer of this unique costume is a daughter of Dr. Gustav Warlitz, of 27 North High street. Miss Warlitz has bright brown eyes and dark hair, but to complete her disguise she wore a blonde wig, and even her best friends were amazed when she unmasked.

Miss Warlitz mother and sister helped her to make the dress, but the plan was kept a close secret, and whenever visitors would come in the dress would be hustled out of sight. After everything was finished it seemed as though the trouble had been for nothing, for the paste used had stiffened the skirt so that it stood out like a balloon. A kindly disposed rainy day took out the superfluous stiffness, however, and reduced the refractory gown to something like submission.
