# THE MARKETS.

Wall Street Review.

New York, April 4,-The interest and the principal activity in the stock market today were in the first hour. The bulge at the opening was caused by the scramble to execute all at once buying orders or several thousand shares in each of the leading stocks. shares in each of the leading stocks.

The orders were placed by frightened bears who saw a warning in the very buoyant tone assumed by American securities on foreign exchanges and who had in mind the sad experiences that clairy, Halstac, do. creamery, 1842 to the control of the leading stocks.
