NOW THE EVENING HERALD.

Having tried the Morning Field, it returns to the Evening Herald.

Without any ceremony the Herald flopped into an evening paper again yesterday afternoon.

The truth is, the lack of telegraphic news service was a serious handicap to the Herald. During these hot times of wars and rumors of wars and other dire disasters, the people desire the very latest and in detail.

A POPULAR STAR.

There seems to be the best reasons for anticipating in the appearance of

Miss Ullie Akerstrom, at the Grand next Monday night, a dramatic event of more than ordinary merit and interest.

Miss Akerstrom writes many of the plays she produces and yet they are not one-part plays, but require the services of a large and capable supporting company to properly produce them.

Miss Akerstrom has a fine stage presence, is a mistress of the art of stage productions, and is ably supported by a company which is the equal of much more pretentious organizations.

Between the acts of each play specialties will be introduced, thus carrying out the popular "continuous show" idea, and at the close of every performance Miss Akerstrom will present her new spectacular dancing novelties with elaborate electric effects and illusions.

During Miss Akerstrom's recent tour of Europe she had an opportunity to see the latest things in novelty dances, the best of which she has incorporated into her routine of dances.

Card from Dr. Grover: I am informed that the article recently published in both the Republican and The Tribune concerning the "small" bill and the big tree, was inspired by the president of the Blakely lodge of Jermyrn. The article portrays more rancorously than I would have thought it should. It is regrettable that such pusillanimity should ever obtain public office. J. B. Grover, Peckville, April 7, '98.

THE COLUMBUS DISPATCH MAN TESTIFIES.

HARRY C. WYLIE, OF THE COLUMBUS DISPATCH. COLUMBUS, OHIO, July 28, 1897.

The Pe-ru-na Drug Mfg. Co. Gentlemen--It affords me great pleasure to attest to the excellence of your Pe-ru-na as a general blood medicine. In my work as a newspaper reporter I, at times, have been completely run down and hardly able to hold up under the strain of my duties.

Every one should have a copy of a book of testimonials in the language of the people concerning the cures of Pe-ru-na. These testimonials are absolutely genuine and cover a great variety of cases, and cannot fail to be of interest to every one.

A Chronic Invalid. I have been sick since last fall. The doctors said that I had catarrh. I employed three physicians, but they did not help me at all.

Weak Nerves Cured. I have read many books in regard to health, but none like yours. I shall never be able to thank you in words.

Made Young Again. I have used two bottles of Pe-ru-na and I am prepared to say that I am much better than I have been for years.

An Invalid Restored. I am restored to health, thanks to your medicine, O Almighty God, I can recommend Pe-ru-na as one of the best medicines for nervous prostration and liver or stomach trouble ever heard of.

Nervous Debility. I took a bottle of Pe-ru-na and I received great benefit from it. I feel every day I feel good.

Two Physicians Failed. I again thank you for your good advice and medicine. Two physicians gave me up and there was no hope for me.

Now Well and Hearty. It gives me much pleasure to recommend to the public such a valuable remedy as Pe-ru-na. My health was completely broken down and had been for almost a year.
