THREE MONTHS' IDLENESS.

Employes of No. 3 Shaft Thrown Out of Employment.

The miners and most of the other workers about No. 3 mine were laid off indefinitely last week, and Monday a meeting of the men interested was held to consult over the state of affairs now existing and the outlook for the future. The matter was talked over at length.

The men were anxious to learn what action the company contemplates taking, so that they might know whether or not to seek employment elsewhere, and a committee consisting of Joseph and William Davis was appointed to wait upon superintendent C. C. Rose, of Scranton, superintendent of the coal department, and learn the company's
