**DEMOCRATS COULDN'T
BREAK THE COMBINE**

Tried in Vain to Amend the 1898 Appro-
priation Measure.

REPUBLICANS SOLID IN COUNCILS

They Vote 11 to 9 in the Common
Branch Against the Amendments
and Obstruction Offers Made by the
Democrats—President Moir Shows
His Mettle and Requires the Busi-
ness to Be Done Regularly—Select
Branch Also in Session.

Common council, usually despised by
the Republicans in contemplating the
passage of any party measure, re-
deemed itself last night. Its eleven Re-
publican members stood solid for over
one hour on the 1898 appropriation or-
dinance as reported by the joint estimates
committee. The measure was passed
two readings, although a dozen eye and
nay roll calls were required to defeat
all kinds of amendments offered by
the Democratic minority. The Demo-
crats resorted to ward appropriation
amendments and appeals to the sup-
port of the laboring element and tried
other avenues ordinarily calculated to
weaken susceptible members, but there
was no weakening among the eleven last
night.

The ordinance was reached in the
regular order of business, referred to
the estimates committee for immedi-
ate report and was finally reported
favorably and called up for first reading
by Mr. Oliver. It was declared
passed without a division of the house.
On a motion that it pass second reading
Mr. Grier offered an amendment to
reduce the asphalt repair item from
\$100,000 to \$75,000. It applied to the \$1,000
thus gained for the salary of a plumbing
inspector. Mr. Grier asked that with
the amendment, a letter from the
Building Trades council, favoring a
plumbing inspectors' bond, Mr. Oliver
moved that the amendment be tabled.

MR. GRIER INSISTED.
Mr. Grier paid no heed to the amend-
ment, which under the rules is not de-
batable, and Mr. Keller raised a point
of order. President Moir decided the
point taken, but Mr. Grier walked
up the aisle and insisted on debate,
charging Mr. Keller with a desire to
enforce gag rule.

"Take your seat, sir," exclaimed
President Moir to Mr. Grier in a loud
tone of voice, and again "Take your
seat," in louder tones when Mr. Grier
continued to talk. The last mandate
was so imperative and accompanied
with such a ringing sound of the gavel
that Mr. Grier did not hesitate to obey.
The amendment was tabled by the
following vote of 11 to 9:

Ayes—Reese, M. Morris, Griffiths, Walk-
er, Zitzelman, E. W. Thayer, Wirtz, Jack-
son, Oliver, Keller, Moir.
Nays—Grier, Caplin, Gilroy, Monahan,
C. Wenzel, Coleman, T. Morris, Custer,
Snyder.

By the same division the further at-
tempts of the Democrats to amend or
delay action on the measure was de-
feated.

The following amendments were offered:
By Mr. Gilroy—Providing for five fire
department engine stokers at \$150 each
per annum instead of at \$50, the required
\$500 to be taken from the asphalt repair
item, increasing the second, seventh,
eighth, fourteenth and eighteenth wards
appropriations for street repairs to the
amounts contained in the old ordinance,
the necessary sums to be obtained from
the asphalt repair item; increasing the
fire department clerk's salary from \$690
to \$720, the increase to be obtained from
the asphalt repair item; providing for the
substitution of the old appropriation or-
dinance in its entirety for the present
measure.

By Mr. Grier—Providing for a new item
of \$50 for filling the Bloom avenue cul-
vert and reducing by a corresponding sum
the item of \$1,500 for repairing the Abing-
ton turnpike.

EFFORTS USELESS.
Each of these amendments was de-
feated by an 11 to 9 ye and nay vote,
as was each of the several other ob-
struction offers made by the Demo-
crats.

The following resolution was introduced
by Mr. Keller: "Directing the mayor
to execute a contract with the
Lawn Sprinkling and Street Cleaning
company to sprinkle Washington ave-
nue and Mulberry street fronting prop-
erty owned by the city; also the Linden
street, Roaring Brook and Lackawanna
avenue bridges, this contract to
include the cost of the water, and the
sprinkling to be at the rate of \$1 per
month for every 50 feet." Mr. Oliver
moved for reference to committee, and
Mr. Grier amended to adopt. The
amendment was defeated by a vote of
9 to 10, and the resolution was referred.
New resolutions were introduced as follows:

Moir—Directing the city engineer to pre-
pare specifications and estimate for in-
terior sidewalks and curbs on the fol-
lowing named streets and avenues: On the
easterly side of Monroe avenue, between
Gibson and Pine streets; on the southerly
side of Gibson street, between Monroe
and Washington streets; on the westerly side
of Quincey avenue, between Pine and Myrtle
streets.

Zitzelman—Granting Fred W. Zitzelman
to connect at his own expense a fire alarm
sinker at his residence with the city fire
alarm system, the same to be done under
the direction of the chief engineer.

Keller—Directing the city commis-
sioner to advertise for sealed proposals
for repairing the asphalt pave, said re-
pairs to be done under the direction and
supervision of the street commissioner
and in accordance with specifications pre-
pared by him.

Reese—That the city engineer ascertain
the exact mileage of trolley wire within
the city limits and report the same to
common council at his earliest possible
convenience.

Walker—That the street commissioner
is hereby directed to notify the street rail-
way company to repair the stone pave
along their tracks on Ashburn street.
If the said company refuse or neglect to
put the pave in proper repair the street
commissioner is hereby directed to have
the same done and charge the expense to
the Scranton Railway company.

E. F. Wenzel—That the proposals to
furnish a steam fire engine for Franklin
Engine company be rejected, and directing
the city clerk to return the several
deposits.

CONCURRENT RESOLUTIONS.
Among the concurrent resolutions
adopted were the following: Approv-
ing the bonds and the appointments of
collectors of delinquent city and school
taxes; appointing Thomas Davis de-
linquent tax collector in the sixteenth
ward, vice R. H. Pennman, resigned;
providing for a special joint committee
to endeavor to have the railroad piers
in Carbon street removed; providing
for a special joint committee of three
from each branch of council to pre-
pare a bond ordinance directing the
city clerk to prepare an ordinance for
the paving of Providence Road and
North Main avenue.

In accordance with two of the fore-
going resolutions, President Moir ap-
pointed Messrs. Gilroy and Zitzelman
on the carbon street committee, and
Messrs. Oliver, Jackson and Norton on
the bond ordinance committee. Mr.
Jackson was named vice Mr. Keller,
who declined to serve as he was a
property owner on West Lackawanna
avenue and would, in consequence, be
accused of prejudice in any consid-
eration the committee might give a
project for bonds for a West Lackawanna
avenue viaduct.

A communication from G. L. Fields,
of 626 Lackawanna avenue, claiming
damages for a broken arm sustained
from a bicycle mishap caused by the
imperfect Adams avenue pavement,
was referred to the judiciary commit-
tee.

The meeting adjourned to next Tues-
day evening.

IN SELECT COUNCIL.
Select council expedited matters and
finished its business quickly.

Mayor Bailey's nomination of Charles
Conrad for janitor of the city hall vice
John Marshall, removed, and George E.
Bailey for permanent man for General
Phinney Engine company vice H. A.
Altemus, resigned, were received. Both
nominations were referred to commit-
tee, although in the case of the janitor-
ship Mr. Robinson sought to proceed
to immediate confirmation. Mr. Rob-
inson's motion lacked a second.

Mayor Bailey's nominations of stokers
and engineers for the fire depart-
ment were received as follows and referred
to committee:

Franklin Engine Company—Thomas H.
Allen, engineer; William H. Kime, stoker.
Crystal Hose Company—George A. Con-
nor, engineer; William Martin, stoker.
General Phinney Engine Company—H.
A. Altemus, engineer; F. W. Andrews,
stoker.

Neptune Engine Company—Max Rosar,
engineer; Peter Robling, Jr., stoker.
New Aug Hose Company—Enoch Page,
engineer; H. V. Stock, stoker.

A communication from Mayor Bailey
contained the appointment of Michael
J. O'Malley as plumbing inspector for
the term of three years in accordance
with the result of the examinations by
the board of examiners. Mr. McCann
and Mr. Roche moved to consider the
nomination, but the required affirma-
tion of two-thirds vote did not material-
ize and the communication was referred
to committee. Messrs. Ross, Kearney,
Thomas, Williams, Wagner, Sanderson
and Chittenden voting for reference.

The report of the board of examiners
showed the following percentages at-
tained by the candidates: Michael J.
O'Malley, 87%; John J. Kearney, 58%;
William Dougherty, 45%; Lincoln H.
Williams, 42%.

BOARD'S OBSERVATION.
The report contained the following:
"Mr. O'Malley being the only applicant
who proved himself a certificate of
plumbing inspector, from the an-
swers given, and in consideration of
his knowledge and clerical ability to
perform the duties of said office, we
have this day delivered to the said
Michael J. O'Malley a certificate of
competency. And we trust your honor
will appoint the said Mr. O'Malley
plumbing inspector, Scranton, Pa.,
April 4, 1898. Joe F. Evans, president;
Thomas W. Cleary, secretary; I. L.
Williams, Henry Wolfstetter, John J.
Schneider."

Mr. Sanderson introduced an ordi-
nance providing for a lateral sewer on
the easterly side of Washington ave-
nue. It was referred for printing.

A petition was read for a pavement
on Quincey avenue, between Pine and
Gibson streets. It asks for sheet as-
phalt on a concrete base at a cost not
to exceed \$2.10 per square yard, the as-
sessment to be by the foot-front rule,
payments to be made in five annual
installments, the space occupied by the
tracks of the Scranton Railway com-
pany to be deducted from the property
owners.

**CONVENTION IN
FOURTH DISTRICT**

State Delegate and a Candidate for the
Legislature Named.

WERE INSTRUCTED FOR CONNELL.

In Addition to the Hearty Endorse-
ment of the Congressman's Candi-
dacy for Governor Contained in the
Resolutions a Motion Was Passed
Instructing the Delegates to Vote
First, Last and All the Time for
Hon. William Connell for Governor.

A remarkably harmonious and busi-
ness-like convention was held yesterday
afternoon by the Republicans of the
Fourth Legislative district in the Father
Matthew opera house at Olyphant.
Hon. John F. Reynolds was renom-
inated for the legislature and D. W.
Humphrey, of Carbondale, E. A. Jones,
of Archbald, and E. W. Bishop, of
Dunmore, were selected to represent
the district at the state convention in
Harrisburg on June 2. By motion the
delegates were directed to vote first,
last and all the time for Hon. William
Connell for governor.

The resolutions approved of the presi-
dent's Cuban policy; expressed pleasure
at the record made by Hon. John F.
Reynolds in the last legislature and
warmly endorsed the candidacy of Hon.
William Connell for governor.

The convention was called to order by
E. A. Jones, of Archbald, the chair-
man of the district standing commit-
tee, and Secretary S. S. Jones, of Car-
bondale, read the call. Chairman Jones
named W. C. Nicholson, of Jermyn,
and Julius Spangh, of Carbondale, as
assistant secretaries, and the work of
receiving and recording the creden-
tials of the delegates was then begun.
It was shown when the roll was com-
pleted that the following delegates were

TEMPORARY ORGANIZATION.
After the credentials were received
it was announced that the convention
would affect a temporary organization
and J. W. Smith, of the Second ward of
Hakely, was chosen temporary chair-
man by acclamation. For temporary
secretary S. S. Jones was chosen with
like unanimity. Mr. Smith, in accept-
ing the office of chairman, said he
would not indulge in a speech and con-
tented himself with thanking the dele-
gates for their presence. He then appointed
the following committee:

Credentials—J. W. Dimock, Carbondale;
J. R. Edwards, Winton; H. Chapman,
Dunmore.

Resolutions—H. A. Willman, Jermyn;
Frank Marshall, Dunmore; Frank P.
Thomas, Olyphant.

Rules—W. W. Jones, Olyphant; Michael
Swift, Archbald, and John R. Shanon,
Carbondale.

The committee on credentials only
had one contest, that from Hakely to
dispose of and the report was in
favor of giving the warring delegates
half a vote each. The report of the
committee on resolutions were read at
this point by Secretary Jones. They
were as follows, and were unanimously
adopted:

"We, the Republicans of the Fourth leg-
islative district of Lackawanna county
in convention assembled, hereby reaffirm
our unwavering loyalty to the party
of the Republican party as enunciated
on the platform at St. Louis in 1896.

We further affirm and declare our im-
plicit confidence in the party's loyalty
and sterling Americanism of William Mc-
Kinley and heartily endorse the action of
the administration in its dealing with
Spain on the Cuban question, satisfied
that its outcome will reflect credit on
this country and its people.

We commend and endorse the splendid
effort of our representative,
Hon. John F. Reynolds, and assure him
of our appreciation and future support.

We take pride in endorsing the candi-
dacy of our able representative in congress,
Hon. William Connell, for the nomination
for governor of this great commonwealth,
believing that his selection would re-
sultate as follows, and were unanimously
adopted:

Be it resolved, by the Republicans of
the Fourth legislative district of Lacka-
wanna county, in convention assembled,
that we voice our approval of the Craw-
ford system of primary elections and
that we hereby urge the adoption of said
system for conducting delegate elections
upon the delegates, who shall assemble at
the next Republican county convention
for the county of Lackawanna, and that
this convention hereby pledge their suc-
cessors to concur in the adoption of the
said Crawford county system in so far as
it can apply to primary elections within
the scope of this convention.

The mention of the names of McKin-
ley, Reynolds and Connell was greeted
by rounds of applause. The temporary
organization was made permanent and
the chairman then called for nomi-
nations for state delegates. Chapman,
of Dunmore, arose and made a motion

that the delegates to the state con-
vention be instructed to vote first, last
and all the time for Hon. William Con-
nell for governor. The motion was
seconded by Thomas J. Gildea, of
Archbald, and was unanimously adopt-
ed.

J. W. Dimock, of Carbondale, in a
heat speech, nominated D. W. Humphrey
for state delegate. S. S. Jones, of
Carbondale, did a like service for E.
A. Jones, of Archbald, in a quaintly
humorous speech. Frank Marshall, of
Dunmore, nominated Earl W. Bishop,
of the same place. There were no oth-
er nominations and the election of these
gentlemen was made by acclamation.

Chairman Smith called for nomi-
nations for the legislature, and H. Chap-
man, of Dunmore, placed Hon. John F.
Reynolds, the present representative of
the district, in nomination. His nomi-
nation was seconded by S. S. Jones,
who paid a high tribute to Mr. Rey-
nolds' honesty, integrity and loyalty to
his constituents. "He served this dis-
trict," said Mr. Jones, "with great
faithfulness and without attempting to
detract from the good work accom-
plished by the able gentlemen who have
represented the district, it can be hon-
estly said that Mr. Reynolds stands
just a little higher than any of his
predecessors. It is our duty to send
back in November a tried and true man
and with this end in view we should
leave no stone unturned to make Mr.
Reynolds' election in November a cer-
tainty by an even larger majority than
he received in November, 1896."

After Mr. Jones had finished the
chairman asked if there were any other
nominations.
"Not today," was the laconic reply
of a delegate. Mr. Reynolds was the
man they wanted and no one was nomi-
nated to oppose him. His nomination
was made by acclamation. There were
loud calls for the nominee and in re-
sponse Mr. Reynolds appeared on the
platform. He was greeted with a hearty
round of applause. He said he was
very grateful for the unanimous nomi-
nation, and if re-elected will go
back to Harrisburg strengthened by the
evidence given him that his work in the
legislature during the last session was
approved by his constituents. He
trusted that he would receive the hearty
support of every Republican in his
district. He would need it and if it
was given to him he felt that his re-
election would be assured.

Short addresses were also made by
the state delegates nominated.

The Pennsylvania Bicycle Protective
association, yesterday, arranged with
Joe Rice, long distance rider of Wilkes-
Barre, Pa., to insure against theft
every wheel he sold.

The Green Ridge Wheelmen
at their meeting Wednesday evening,
adopted resolutions endorsing the Pen-
sylvania Bicycle Protective association
of this city, and recommending it to
