KILLED ON THE D. AND H.

Passenger Train Struck an Unknown Man Just Relow Carbondale.

The Delaware and Hudson passenger train which left this city at 7.06 last evening struck and instantly killed an unknown man just below the city

The remains were brought to Undertaker McHal'es mergue where a a number viewed the remains but failed to indentify them.

BETTER TELEPHONE SERVICE.

Another Pair of Wires Will Be Run from Here to Scranton.

Dusiness men who are frequently called upon to use the telephone service between this city and Scranton have been much annoyed by the delay that is often experienced in securing the line, due to the great amount of business that is transacted. Through the efforts of the Hendrick Manufacturing company which called attention to the congested state of affairs an extra pair of wires will be put in which it is thought will relieve the pressure. Superintendent W. R. Prior, jr., of Wilkes-Barre, to whom the matter was referred by Local Manager Gilleran Is Catarrh in Any Form, Stage writes:

'Upon investigating the matter we find that your complaint is well grounded. It seems that while the records show that the business between these two points is not in excess of what should be carried by the two pairs of wires, at the same time, we find that the bulk of the business is done between the hours of 8 and 11 in the fore. noon, and 2 to 5 in the afternoon, which results in overloading the lines at these

In view of this condition, we have decided to run an additional pair o wires at once in order to relieve this congestion of business."

Another Man Departs Suddenly, Leaving Sorry Creditors.

About a year ago Peter Kane came to this city and paid the fabulous sum of \$22,500 for the Rogers block, known as the old Flynn hottl property on South Main street. He opened a fish market and fruit store through which, it is said, he has been steadily losing money.

It was learned yesterday that on Monday he disposed of the property and that he was preparing to leave town. His creditors of this city and Jermyn commenced looking up the matter. Kane had gone and hs wife and ten children were making ready to leave on the 10.50 train which they did last

MAYOR O'NEILL'S PERPLEXITY.

Cannot Veto Appropriations Without

Vetoing His Own Salary. There is a great deal of speculation is to what Mayor O'Neill will do with the appropriations recently passed, and passed just as they were sent to him when he withheld his approval. The doubt, however, is caused by his sup-posed objection to the board of health appropriation, where as the real perplexing part of the situation is in the fact that the chairmen of councils have not certified to the passage, the lack of which certification, the mayor alleged, was his reason for vetoing before.

men do not intend to certify to the passage of the ordinance, believing the signatures of the clerks to be sufficient as they have been in the past.

If the city's chief executive vetoes the ordinance again an effort will be made to pass it over his head. There is, however, one heavy weight on the approval side of the balance. That is the mayor's salary. If he kills the ordinance he will cut off his own pay-and "pay-day" has a joyful ring.

THE BISHOP WILL BE HERE.

Rellin A, Sawyer as rector of Trinity church. This ceremony has not been carried out of late years on such occasions in this city, and it will be of much interest. It will also give the Episcopalians of this city a chance to meet their new bishop for the first time, The exact date of the installation is net known as other duties will occupy the bishop's time for the present.

THANKFUL TO MRS. PINKHAM.

Earnest Words From Women Who Have Been Relieved of Backache -Mrs. Pinkham Warns Against Neglect.

DEAR MRS. PINKHAM: -I have been thankful a thousand times, since I wrote you, for what your Vegetable Compound has done for me. I followed your advice carefully, and now I feel like a different person. My troubles were backache, headache, nervous tired feeling, painful menstruation and

leucorrhæa. I took four bottles of Vegetable Compound, one box of Liver Pills, and used one package of Sanative Wash, and am now well. I thank you again for the good you have done for me .- ELLA E. BRENNER, East Rochester, Ohio. Great numbers of such letters as
