A FINANCIAL FAILURE.

Mikado Met with Another Poor House Last Evening.

fourth presentation of the "Mikado" by home talent, under the direction of Mr. and Mrs. Brummel, of New York, for the benefit of the Mozart band, was very poorly attended at the Grand last evening. The audience, however, was the most responsive. All the efforts were warmly received and Russell Shepherd as 'Mikado," was encored five times in his second act solo. Charles Patrick O'Connor in pantomimic specialties. shared the glory with him.

The original intention was to give three performances, but bad weather prevailed and the promoters of the enterprise thought a fourth could be made profitable. They lost money, the attendance not being large enough to pay the \$35 charge of the theater.

vere in the midst of the spring house cleaning, and the ones who had taken down the stoves looked rather dismraged as they gathered around the kitchen fire. A minature war-ship in the window

INTERESTING EXPERIENCE Of an Iowa Lady Who Was Cured of Dyspepsin After Suffering for

Twenty-five Years. Mrs. Sarah A, Skeels, an estimable lady residing at Lynnville, Jasper Co., lowa, was for twenty-five years a sufferer from Dyspepsia, and her complete restoration to health is so remarkable that we present the facts in the case for the benefit of our readers, many of whom have doubtless suffered in the same manner and will, therefore, be interested in learning how all stomsch troubles may be avoided and cured. Mrs. Skeels says: I used only one pack-age of Stuart's Dyspepsia Tablets and received such great and unexpected benefit that I wish to express my sin-cere gratitude. In fact, it has been six months since I took the medicine and I have not had one particle of distress or difficulty since. And all this in the face of the fact that the best doctors I consulted told me my case was incurable as I had suffered for twenty-five years. I want half a dozen packages to distribute among my friends here who are very anxious to try this remedy.

Truly yours, Mrs. Sarah A. Skeels. The reason why Stuart's Dyspepsla Tablets are so successful in curing indigestion and stomach trouble and the reason why it never disappoints those who need it and use it is because nothing is claimed for it except what it will actually perform. It is not a cureall and no such claims are made for it. It is prepared for the sole purpose of curing Dyspepsia and the various forms of indigestion.

There is scarcely a patent medicine made but what is claimed to cure dyspesia as well as a hundred other troubles. When as a matter of fact a remedy to cure Dyspepsia must be prepared especially for that and nothing else; and among all the rememdies, patent nostrums, bitters, etc., so ex-tensively advertised you will find that Stuart's Dyspepsia Tablets is the only one advertised as a cure for dyspepsia and nothing else. The remedy is pre-
