HARD ON THE MEN.

D. & H. Miners Will Have to Lond One Hundred Pounds Extra.

A notice has been posted at the various Delaware and Hudson collieries in the city, to the effect that beginning with Monday, May 2, the miners will be obliged to load twenty-eight hundred pounds of coal for a ton. Heretofore twenty-seven hundred was a ton. The employes of the mines do not take kindly to the new order.

"The miner's lot is becoming harder every year." said an old employe of the It is almost impossible to mines. make a living now, the way the mines are working. The price of food is going up but the wages instead of increasing accordingly are going down. Now we have to load a hundred extra pounds of coal for a ton, but we are not going to get any more for the ton. The residents of the coal regions will be depending on the charity of the people of other parts of the country. I the times don't change for the better pretty soon."

HAPPY GATHERING.

Miss Mamie Pender, of Canaan street, pleasantly entertained a number of friends at her home Thursday evening. It has done won-ders, independent of curling my catarrh, it has greatly improved my general health. I cannot describe the change, Anyone suffering from caturrb, and knowing that it can be cured, would be very unwise not to take Dr. Hariman's Follow directions. Pe-ru-n Miss Linnie Wiggins. Pe-ru-na does the rest.

Four Bottles of Pe-ru-na.

I write to let you know how I am getting along. I have taken about five bot-tics of Pe-room and am proud to say that 1 have fully recovered. At first the ca-tarrh was so had 1 could scarcely hear; I have taken about five botbut now they is no difficulty in hearing and all the symptoms of catarrh have disappeared. Many thanks for your kindness and, for your wonderful media the supposed polypus, as I then could bot afford to have it removed. I began to ake Pe-ru-na, thinking I might at least Lee Stephens
