SEVERAL RESIGNATIONS.

Machinists Leave This City to Enter the Government Employ. Quite a considerable change was ne-

cessitated today in the position of the working force at the Delaware and Hudson lecomotive repair shops in this city, several of the mechanics having resigned on Friday night last. The men were not dissatisfied with their positions, but extra inducements in other quarters led them to accept new places. Skilled machinists are greatly needed by the government just now and in fact its service is the one most rushed with work. It offers high pay and two of those who resigned on Friday have aiready left to enter upon naval work. They are Frank Binir and Hugh Wylle,

Mr. Blair had already passed the civil service examination and goes at once to the Brooklyn navy yard. Mr. Wyllie's abilities are well known, he having been sent by the English government some time ago on an important work in South America. He will now enter the League Island navy yard at Philadelphia. Messrs. Gettings and McDonald baye

also resigned from the Delaware and Hudson shop to enter the employ of the Dickson Manufacturing company at their Cliff works in Scranton.

BURGLARS.

Two Homes in This City Entered on Saturday. Thickes entered the cellars of Philip

Bergan, of Darte avenue, and William Brokenshire, of Garfield avenue, some time on Saturday evening getting away with a goodly amount of edibles from the Bergan house and a like quantity of canned fruit from Mr. Brokenshire's The thieves gained entrance to Mr. Bergan's by an open window and to Mr. Brokenshire's by an open coal hole

No trace of the miscreants has yet been found, but it is needless to say that extra vigilance for open windows will be exercised in at least two homes in this city for some time to come.

LOCAL AND PERSONAL.

H. F. Clark, prescription clerk of T. E. Dennis' drug store: A. H. Van Der-mark, Ontario and Western operator; Dan Scurry, news clerk; Edward Yarrington and Hal Jadwin, clerks at the Hendrick works, have enrolled as recruits for the Thirteenth regiment. Alhert Crane has also expressed his intention of going to war. These, with the three who have already gone, will give Carbondale a fair representation, considering the city had no military agent.

The Young People's Christian Endeavor society of the Berean Baptist church have nearly completed arrangements for a free course of lectures by their pastor, Rev. T. E.
