### **EXCITEMENT IN** THE WHEAT PITS offer.

A Jump of 30 Cents in the Cast duct Vesterday.

MAY WHEAT REACHES \$1.50-JULY WHEAT ADVANCING, TOO-LEITER his manager, who is in New York: SAID TO BE BUYING IT-CHICAGO PREDICTIONS AND THE COURSE OF THE MARKET THERE LAST WEEK.

New York, May 9.-There was great excitement on the Produce exchange this morning. May wheat rose to 190. The shorts made frantic efforts to get in when the market opened at 170, an advance of 10 over Saturday's closing prices, but within half an hour the price was run up to 190, an advance of 30 cents in half an hour. Then there was a lull, but the price remained firm, and an hour later had fallen off only 14 of a cent.

July wheat opened at 118, an advance of 5 over Saturday, and rose at once to 121%, an advance of 8%, where it Everybody admits now that Leiter has absolute control of the May option, and the shorts realize that they can deliver only at such prices as he may dictate. The feeling is rapidly gaining ground that Leiter also is heavily interested in July, notwith-standing his disclaimers. Liverpool cables showed an advance this morning equivalent to 12 cents a bushel.

In Chicago wheat opened at 173, an advance of 6 cents over Saturday's close, and rose to 175. July opened at 109%, against Saturday's closing price of 106%, and rose to 115, a total advance of nearly 9 cents. The market is decidedly builish and those who have been predicting \$2 wheat are getting their vocal organs into shape to say "

The excitement in the wheat pit continued through the day. About noon May wheat fell off to 170, but later rallied to 185, at which figure it stood when the market closed. The net advance over Saturday was 2519. After May fell July rose to 128%, and closed at 12819, against 113 Saturday, an advance of 15%. The prices advanced M cent and 1 cent at a time, and up to noon 30,000 bushels had changed hands The expected sympathetic rise in flour took place. One sale of Minneapolis best was reported at \$8 per barrel. This is an advance of 60 cents to-day, and of over \$2 per barrel in three weeks. Other grades rose in propor-J. Smith to J. Boston, May 9.-Bob Fitzsimmons has announced his acceptance of the offer of Kid McCoy to pay the champion \$10,600 for a fight at middleweight. and also his acceptance of the offer of James J. Corbett of \$25,000 for an opportunity to regain the heavyweight championship. Fitzsimmons will meet either man before the regularly organized club offering the largest purse, but he will insist on a side bet of \$10,-000 in each case, and both matches must take place before the last of September, this year.

This announcement is accompanied with the offer of Martin Julian. Fitz-

If every man could live an out-door life, passing his time with gan and fishing rod and cause, there would be less illness in the world. Unfortunately, the demands of modern civilization will permit very few men to live tale ideal, healthful life.

Many men have to pass the day shut up in offices and stores, and the nights in close sparaments in crowded cities. They get little out doo; exercise. One of the results of this unnealthy, sedentary living is the awful prevalence of that dread disease— consumption. One sixth of all the deaths each year are due to this relentless enemy. Formerly physicians pronounced this disease incurable. It is now generally known that there is a marvelous medicine that for the past thirty years has been curing con-sumption almost without a failure. It is Dr. Pierce's Goides Medical Discovery. It cures of per cent. of all cases of consum; tion, bronchitis asthma, laryngitis and other diseases of the air passages. It is the great re-builder. It team down, carries off and exercise old, nurt tissues and replaces them with the firm tissues of health. It restores the lost appetite and makes the

"The doctor said I had disease of the threat and bronchial tubes. I continued to grow worse. I had pain in the upper part of my chest and a severe cough, which grew worse at hight and is the morning, with heavy expectoration. I would cough up mattery scales, after which I would experience a burning and anounting sensation in my threat tery scain, after which I would experience a burning and sourting sensation in my throat. I look the doctor's prescriptions without num-ber, but they did me no good. I took sixteen buttles of cod liver oil and was as bad as ever. I then took five hottles of Dr. Pierce's Golden Medical Discovery, and three of the Pellets.

# THE MARKETS.

Wall Street Review.

New York, May 9 .- Probably today's stock market owed its firmness and, at some points, its strength to the extra-ordinary course of prices in the wheat market. With May wheat selling in this market at \$1.09 a bushel for the middle of month and with July option almost keeping apace with it, there is assured promise of an abundant increase of wealth for this country. The outbreaks of violence and of bloodshed in Italy and Spain on account of the dearness of bread and the advancing price for that necessity at other points in Europe are only too convincing evidence that the high prices for wheat are not due to speculative manipulation but to the urgent need of toreign consumers. The day's business was the heaviest since last fall, the total sales of all stocks reaching
