Farewell Reception to John Welch by St. Leo's Battalion.

HE WILL GO TO GREINA WITH THE THIRTEENTH REGIMENT THIS MORNING—WORK OF EXTENDING THE WASHBURN STREET LINE HAS BEGUN—AMOUNT ADDED TO THE SCHOOL DEPOSITS—ARRANGEMENTS FOR THE DEDICATION OF WASHBURN STREET CHURCH.

St. Leo's battalion met in regular session in their rooms at St. David's hall last evening. The routine business was quickly disposed of and the session resolved itself into an impromptu farewell reception in honor of the departure of John Welch, one of the members. Mr. Welch will leave here this morning for Mt. Gretna where he will enlist with the Thirteenth regiment into the United States service.

Cigars were passed about John Cardigan was made chairman and a short programme was carried out. As a mark of their esteem and to serve the purpose of a memento of the occasion, a handsome gold badge was presented to Mr. Welch. J. H. Devine made the presentation remarks in his usual happy vein and yet impressing upon Mr. Welch the fact that inasmuch as he was presenting this badge, trifle as it was, in behalf of the other members of the battalion, so also did he in behalf of the members expect that wherever he went the badge should remind him that St. Leo's battalion expected him to do his duty as he found it.

To this Mr. Welch responded. His words were broken with emotion as he expressed his appreciation of the gift and prizing it as he did far above its intrinsic value, he assured them that so far as he should be able, they could not be disappointed in him. The other part of the programme consisted of solos by Thomas Ford, Michael McDonough, J. Shaughnessy, and Joseph McLaughlin. J. P. Kelly acted as accompanist and played a piano solo. Impromptu speeches were made by Thomas Murphy, P. J. Hiltz and J. H. Devine, all in line with the sentiment of the evening.

EXTENDING THE LINE.

Time is not far distant when the residents of Washburn street beyond South Plumrose avenue to Grant, beyond Grant to Jackson street and thence to the city line will be boarding the street cars in front of their houses. Then, too, the hundreds who live beyond the city limits will be able to get in and out of the city limits as they find it convenient. The work of extending the lines has begun and will be pushed rapidly forward.

IS AGAIN ON DUTY.

Patrolman Thomas Has Entirely Recovered from His Injuries. Patrolman John D. Thomas, who was so seriously stabbed about two months ago on North Main avenue by a drunken man, resumed his duties as a patrolman yesterday with the West Scranton Detail. Mr. Thomas will be day patrolman this week.
