GRAND CHIEF F. P. HUNSICKER, The Most Exalted Active Officer of the Pennsylvania Grand Castle.

President McKinley was remembered at yesterday morning's opening session of the Grand Castle of Pennsylvania, Knights of the Golden Eagle. The following message was started over the telegraph wires at noon:

The Grand Castle of Pennsylvania, Knights of the Golden Eagle, in annual session convened, sends greeting to President McKinley expressing the confi-dence of its members in the righteousness of our cause in making war upon the enemies of humanity.

Our order inculcates the teachings of the Saviour of mankind, the Fatherhood of God and the Brotherhood of Man, and we therefore tender our earnest sym-pathy and approval to you personally, to the congress of the United States, and to those in authority directing the con-duct of this crusade against the oppression of the weak and downtrodden Submitted by John C. McKinney, A. R. Tomlinson C. S. Taylor, Robert W. R.

Grand Chief Hunsicker's report was Hunsicker's reference to an element ter as follows:

A CAUSTIC COMMENT.

It will be seen that the letter virtually offered a threat that, it I did not appoint Past Chief Volkhardt on a committee, the votes of his castle would be given to another candidate. As I would not permit myselt to be influenced by any such contemptible measures, the vo-was cast in accordance with the threat. I submit this matter to you, hoping you will give such expression as will deter others from offering such threats and insults to your grand chiefs in the future, I have also to complain of the tactics adopted by the above named association or its members, who have traversed the state, visiting castles and spreading discord, destroying that harmony which has existed up to this year. While their object was reform and economy, it was apparent that they were introducing political methods under that cry, for the so purpose of electing a G. M. of R.

The grand chief asks that action be taken in the case of Crescent castle, No. 98, of Philadelphia, for issuing a circular letter to members of the order asking their support of Past Grand

It was 10.30 o'clock when the opening session began in the Academy of Music. Seldom has any organization met in a more lavishly decorated hall in Scranton. The balcony and gallery railings, proscenium walls and every other spot on which colors could b displayed to advantage were covered, draped or hung with the stars and ACADEMY OF MUSIC IN THE stripes and nation's colors of red, white and blue,

MANY LADIES PRESENT.

Knights and spectators occupied the seats on the main floor. The front rows of the balcony chairs were reserved for members of the Grand Temple, Ladies of the Golden Eagle. The Allentown band, one of the three best organizations of the kind in the state, was stationed on the main floor near the stage. Its several selections contributed largely to the pleasure of the session

On the stage were the elective and appointive grand officers and local past chiefs and members of the general committee. Past Chief Henry Geiss, chairman of the reception committee, presided as master of ceremonies. After a selection by the band, six speeches, two each being of welcome and response, were heard. Each speaker's remarks were characterized by brevity which permitted an ad-journment in less than an hour.

George M. Okell, chairman of the general committee, was first heard. He was followed by Grand Chief F. P. Hunsicker, of Allentown, who dilated upon some references made by Mr. Okell to the principles of the order and thanked the committee and Scranton's people for the splendid arrangements made for the annual session.

Mayor James G. Bailey was represented by his secretary, Richard J. Beamish, in extending a municipal welcome. Mr. Beamish remarked that visitors to Scranton just now would find the city serious. Six companies of infantry had gone from here to Mt. Gretna and nearly 300 more of Scranton's young men were then on the way to the state camp. The attendant seriousness of the community would not, however, smother its well known hospitality. The speaker was authorized to say that any courtesies wanted from the mayor's department or from other city officials would be free-

MR. TOBIN'S RESPONSE.

Past Grand Chief L. H. Tobin, of Philadelphia, made an eloquent response. At no time he said had the country been more in need of the sterling principles of patriotism and of the uplifting of humanity taught by the order. He felt sure that the Knights individually and collectively would to a man be found ready to respond to any call in defense of their ountry. In the present hour he would not thing of standing with covered head beneath the stars and stripes which draped from the arch above him. He paid tribute to the excellent sion the Grand Castle convened and principles of the Ladies Templar order and regretted that its officers had not

The response and concluding address was by Past Chief J. McKinney, of Philadelphia. The substance of his remarks was highly patriotic. After thanking the local committee and Knights he entered upon a laudation of the order's benevolence, its stimulation of moral and mental culture, its avoidance of sectarian and political controversy and its purpose to uplift man-

TELEGRAPHED TO PRESIDENT.

Mr. McKinney read the resolutions ndorsing the present war and moved their adoption. They were carried by a rising vote and were ordered telegraphed to President McKinley. From the beginning to the end of the meeting each patriotic reference brought

forth great applause. The session closed with a round of gift presentaions. Mr. Okell presented gavels carved from anthracite coal to Grand Chief Hunsicker and Grand Chief-elect Pelly. Lieutenant General Reinicke received an onyx table and Grand Master of Records Barnes an take to it as naturally as they inkstand cut from coal. The crowd was well managed by Acting Chief of Police Gurrell and squads of patrolmen in charge of Lieuenants Davis, Spellman, Williams and Zang.

At 3 o'clock the parade started, a half hour behind schedule time. An hour was occupied in going over the route, which ended at Court House square, where the marchers were re-viewed. George W. REVIEWING PARTY.

Three carriages contained the party who reviewed the marches from a point in front of the fountain in Court House square on Washington avenue. In one carriage was the following military staff of the National Military branch: Lieutenant General H. P. Reinicke, Assistant Adjutant General E. S. Jonhson, Colonel A. C. Lytle and Color Sergeant E. C. Absolam, all of Philadelphia. Standing in another carraige were Past Chief L. H. Tobin. Grand Chief F. P. Hunsicker, Grand Master of Records J. D. Barnes and Grand Vice Chief W. H. Pelly. In the third vehicle were Grand Sir Herald C. H. Webster, Grand Keeper of Exchequer H. C. Gearhart, Grand High Priest D. Gary Lewis and Grand First Guardsman George C. Stahl. Of the reviewers the only one who

did not salute the commandery and castle commanders were those on the military staff. Their chapeaux were raised, however, in deference to each national flag carried by a color bearer. Immediately following the parade the competitive drills were held on Vine street in front of the High school building. The smooth asphalt pavement and a big open space furnished splendid facilities for the drilling. Strong ropes had been stretched across the street in two places and along the curbing. This precaution and the presence of a numer of patrolmen in charge of Acting Chief Gurrell and Sergeant Dieter kept a big crowd of spectators in check.

Two commanderies competed. They were St. Mary's, No. 7, of Allentown, and Harmony, No. 39, of Harrisburg. Each organization drilled with four sets of men in the ranks and officers to the total number of twenty-one. In command of the former were Captain H. E. Mullen, First Lieutenant Emanuel Rhinehart and Second Lieutenant C. J. Schneak. The Harmony officers were Captain D. A. Smith, First Lieu-

THE SELFISH BRAIN.

According to De Quincey, the supreme prize in life is the union of a fine intel-lect and a healthy stomach. Why this embination of blessings is so rare is easy to see. The brain is selfish and the more active it is, the more blood it takes from the stomach. That the stomach may need the blood for the digestion of a

the stomach. That the stomach may need the blood for the digestion of a tough, intractable dinner makes no difference to the brain. Honce so many clever men are more or less dyspeptic, and some of them say, with Alexander Pope, 'my life is a long disease."

The whole bodily machinery is thrown out of kilter by a disordered stomach. Sedentary habits, nervous stress and strain and careless living make matters worse. Doctors agree on some things, a popular proverb to the contrary, notwithstanding. They agree that the best medication for a feeble stomach is a stimulant free from any of the thousand and one mischlevous substances that make so many "liquors" dangerous.

The king of medicinal stimulants is Duffy's Pure Mait Whiskey, which you can obtain from grocers and druggists. It is immediately beneficial in cases of impaired digestion, for it promotes the secretion of gastric juice and expands the net-work of i'ny blood vessels in the stomach so that the rich blood fills them. You can get rid of that stuffy, heavy after-duner feeling if you use Duffy's Pure Malt Whiskey.

With no hint from them it was plain that St. Mary's commandery would be declared the winner. The precision, accuracy and speed of the command was pronounced far above the average of organized military companies.

St. Mary's was declared the winner of the first prize, \$150, by Colonel Hitchcock, who spoke for the committee from the platform during the progress of last evening's ball at the Scranton Bicycle club house. The Harmony commandery's second prize was

It was also announced by Colonel Hitchcock that Dorian castle, of Philadelphia, had won the prize of \$35 for the best appearing castle in line, and Pittston castle the prize of \$15 for having the largest number of members in line. The committee who decided on the two latter awards were: John E. Owens, of Taylor, chairman; Charles W. Williams, of Olyphant, and Rudolph Koons and Henry Gelss, of Scranton Lackawanna county organizations were barred from all the competitions. Dorian castle was also adjudged the organization which had come the greatest distance and for which a prize of \$25 had been announced, but the com-mittee interpreted the conditions to exclude the awarding of two prizes to any one organization.

The representatives to the Grand Temple, Ladies of the Golden Eagle, were obliged to leave the Academy early during the morning session in order to transact certain business before noon, as required by their constitution. Their meetings are held in A. O. U. W. hall on Lackawanna ave-
