Bryan Kerrigan, of Jackson street, was given a hearing before Alderman John last evening on a charge of assault and battery preferred by a neighbor, Mrs. Agnes Messinger. The alleg-ed assault consisted of a slap in the face. The circumstances connected with the case as brought out by the evidence showed that the trouble arose from some amusements of the children of both parties.

It seems that some other children were chasing some cows along the street and one of the boyines nearly ran over two of Mr. Kerrigan's children. Mrs. Messinger alleged that he insinuated that her children were to blame and when she wented to explain he slapped her in the face. He was discharged for tack of evidence.

Telling Bargain Truths

The last week in May has come, and we're getting anxious about our Fancy Dress Goods Stock; not, however, because it is any larger than usual at this season of the year, but because there's always so many odd lots and seasons lines to clean up before our semiannual inventory comes along on the first of July next. As a Proof of Our Earnestness

to make a clean sweep throughout the department before we take stock, we submit the following remarkable price-cutting examples, and assure our friends that there are many more in the store just as good in every way, which lack of space forbids our mentioning.

SOUTH SCRANTON.

The boxing tournament of the South Side Sporting club in Central Park hall last night drew a large crowd and from beginning to finish the affair was exceedingly lively. The concluding bout be-tween John Giles, colored, and Jos, Hennigan, was stopped in the second round by Patrolman Feeney. The men were to fight four rounds, but when the police saw the second round fought it was deemed advisable to stop it. Glies pounded Henmgan unmercifully, and the latter was mable to land a telling blow on his oppo-rent. The decision was given to tilles Frank Judge, brother of James Judge, the well known puglist, and Moxie Jordan fought four rounds, and notwithstanding Jordan being many pounds heavier than Judge, who is a promising fighter, he was hadly used. Judge gained the decision. Peter Lavelle and Thomas Mahon put up a scrap very similar to the Giles-Hennigun go, and at the conclusion of the fourth round Lavalle had to be assisted to his corner, yet young Laveile is a capable fellow with the gloves, but his propensity to do all the leading and dighting was the use of his defeat. Joe Rafter and Ike Weir gave a clever exhibition of three rounds and their bout was marked with pulck work and heavy blows. As agreed to, the bout was declared a draw.

APPLICATION REFUSED.

A great deal of discussion was ere ated by the High and Training committee's report of the application of the Scranton Conservatory of Music for the use of the High school auditorium for commencement purposes The application was finally refused, the sentiment of the members being decidedly against renting the auditorium to other than public school institutions. Another of several long discussions followed the building committee's rec ommendation through its chairman Mr. Schriefer, that M. J. Ruddy be awarded the contract for erecting the new No. 3 school building for \$19,811 It developed that Mr. Ruddy's bid was the lowest on the specifications that did not include extras, but the proposals which included the extras were as follows: E. S. Williams, \$22,142; Peter Stipp, \$22,155; M. J. Ruddy, \$22, 311.

An amendment offered by Mr. Neuls and Mr. Shires to table the committee's recommendation was lost by a vote of 14 to 6, Messrs, Shires, Shafer Neuls, Jayne, Schriefer and Francoi voting negatively. The original mo tion to award to Mr. Ruddy then pre vailed, the vote being unanimous.
