OBITUARY.

Mrs. Elizabeth Deegan and Ira Swingle Pass Beyond.

Mrs. Elizabeth Deegan, relict of Martin Deegan, died at the home of her daughter, Mrs. Harry Wasmann, on New Cemetery street, at noon yesterday, December 1, 1897, at the oldest residence of Carbondale. She was born in Ireland about seventy years ago. She has been living in this city upwards of half a century.

She is survived by two daughters and three sons. They are Mrs. Thomas Connel and Mrs. Andrew Lenehan, of Wilkes-Barre; Mrs. Harry Wasmann, John and Matthew Deegan, of Carbondale, and Patrick Deegan, who lives in the west.

Ira W. Swingle, of South Canaan, died at the home of his daughter, Mrs. C. M. Benjamin, No. 29 Laurel street, Monday night, Mr. Swingle came to this city for treatment about two months ago. FLAG POLE DOWN.

Staff at No. Nine in Several Pieces on the Ground.

The school board recently employed Mr. Cooper, the traveling steple climber to ascend the staff on the tower of No. 3 school and adjust the flag pole. He did the job neatly enough, and took the contract for the same kind of work at No. 2 school. At the Park street building the staff was from the ground and sixty feet high. Yesterday Cooper tried to climb it, but found the pole in such condition as to render the job almost impossible. He then made arrangements to take the pole down and set it up again. He fastened a guy rope about twenty feet from the base and then knicked the main bolt out. As soon as the weight came on the rope it broke. The pole fell to the ground and the fine sixty foot staff now lies in three pieces on the ground.

OLYPHANT.

Proceeding the performance P. F. Walsh the president of the society delivered an address of welcome in behalf of the society. "Among the Breakers" is a story of love and treachery and is entertaining throughout. All the parts were well sustained. John L. Killeen as "David Murray" acted the role in a skillful manner. James A. O'Malley in the role of "Larry Devine" was

his part to satisfaction and won much applause from the audience. T. M. Gibbons' portrayal of "Scud," the colored servant was perfect. He kept the audience in a continuous roar of laughter by his funny antics. James J. Loftus as "Hon. Bruce Homer" and M. J. McNulty as "Clarence Homer" both did excellent. Frank McLoughlin in the role of "Peter Paragrass" rendered his part in a very creditable manner and was not at all backward in making love. Kenyon, \$14; Jesse Morris, \$2. As no report has been received from the ex-treasurer or tax collector, the president instructed the finance committee to await on them and have them report at the next meeting. An ordinance providing for the laying of a sewer on Delaware, Lackawanna and Hudson streets was read. It specifies that the work will be done under the supervision of Civil Engineer A. B. Dunning and be accepted by the borough council. Councilman Howard objected to this point, and thought a correction should be made to make it read that it be accepted by the civil engineer's approval and that of the council. Mr. Fatten also raised objections, stating that he believed the Susquehanna street should be included in the sewer district. It was explained that the reason that street was omitted was that no petition was received from the residents along that thoroughfare. No action was taken on the ordinance, and in the meantime an effort will be made to have Susquehanna street included in the district. The rules and regulations governing the board of health were passed on first reading. The council will appropriate \$200 to defray the expenses of the new board. A report was read from ex-Secretary Schumel, showing that he had made collections for the year to the amount of \$234. The meeting then adjourned to meet next Tuesday evening.

NERVOUS PROSTRATION.

A Young Girl at a Critical Period of Life.

In the spring of 1895 my daughter took sick through a cold. First she had mumps and neuritis; later it went into cramps in her joints; she could not move her arms or legs—could not walk or even stand on her feet. She had no appetite. Stool and menses were absent and retention of urine; prodromal symptoms of a nervous prostration. I tried all the usual remedies, but to no avail. I then resorted to the Pe-ru-na and after one bottle she felt as if an electric current went through all her limbs. When we think how low our daughter was we must say it was a great miracle. All that saved my daughter was the Pe-ru-na. We have since used it for all ailments with success. I cannot recommend Pe-ru-na highly enough. Write to you again—John Ohlrich, Millin, Wis.
