LIVE NEWS OF WEST SCRANTON

Memorial Day Exercises in the Various Public Schools.

A. B. STEVENS DELIVERED AN IN-TERESTING, PATRIOTIC ADDRESS ATTONE OF THEM-MEMBERS OF THE WOMEN'S HOME MISSIONARY SOCIETY ENTERTAINED THE HON-ORARY MEMBERS OF THE SOCIE-TY-SCHOOL GIRL INJURED BY BE-ING HIT WITH A STONE-OTHER NEWS NOTES.

Perhaps it was because of the present warlike times and the apparent connection between the present and what next Monday means as Memorial Day, that caused the depth of patriotism which surged in and about the several public schools on this side yesterday afternoon. Here one room, there two or more rooms, and else where the whole school observed in some manner the approaching anniversary on which all loyal Americans pay tribute to a nation's honored dead.

The exercises, consisting as they did of songs, music, recitations, solos, etc., differed only in length or quantity, for the same patriotism was in all and a proper conception of the meaning of the exercises and their connection with Memorial Day seemed to pervade each youthful mind.

At No. 32, of which H. L. Morgan is principal, the pupils of the principal's room joined with those from Miss Fellows' and Miss Vaughan's rooms, primary B and C. A most excellent programme was carried out to the evident enjoyment of visiting parents and friends, Mr. Morgan presided and Master Garfield Davis acted as accompanist. Essays were read by Gordon Evans, Frank Dagger and Williard Oliver. Cora Jones, May Green, Lulu Fellows, Kate James, Mary Williams, Jennie Thomas, Alida Fellows and Maud Birtey, also Fred, Green, Albert Busch, Charles Feeney, Charles Moore, Roy Wheeler, Ellsworth Davis, Williard Oliver and Albert Thomas, R. J. Da ris sang a solo. A quartette, compris Elias Thomas, Thomas Lewis, Watkin Watkins and Milton Davis the programme songs were given by the school.

At No. 18 the exercises were given by the pupils of the rooms taught by Misses Jones, Storm and Murray, from the Grammar C and Intermediate A and B, and were rather elaborate. tain A. B. Stevens, of Ezra Griffin post, No. 139, Grand Army of the Republic, made a patriotic address in the form of "Personal Reminiscences of the Re-bellion." The programme consisted of recitations, etc.,interspersed with songs by the school. Recitations were given by the Misses Lillian Tewksbury, Florence Davis, Geraldine Phillips, Bessie Sloat and Mattie Hughes. Each did themselves credit, William Pryor entertained with appropriate selections from the phonograph and, to make the afternoon still more delightful, he took several of the songs and recitations on the rolls and then reproduced them. Especially was this interesting in the instance of the whole school reciting The Star Spangled Banner" in chorus, Humphrey Bradley read a well-prepared essay upon "Spain, Cuba and America." The pupils of the above rooms will assist in the services Monday afternoon at the Washburn street cemetery.

HONORARY MEMBERS HONORED. The members of the Women's Home Missionary society of the Simpson Methodist church entertained the honorary members of the society in the lecture room of the church last evening with a short literary and musical programme. Mrs. Gideon Moser, president of the society, presided and Miss Lillian Shivelly acted as accompanist, The programme was opened by singing "America." Rev. J. B. Sweet, the pas-

tor, offered prayer, and the Misses Ella Godshall and Rachel Jones. The literary part con-sisted of a recitation by Miss Jessie a Home Missionary Society," which tist church, was very comprehensive, by Miss Ripple div Rachel Jones. Addresses were made by John Fern, John Hale, Rev. J. B. Sweet, R. J. Hughes, James Jeremiah, W. H. Hagen and W. W. Davis. The honorary members, which really means the husbands of the ladies, were called upon to pay their dues. They did. The exercises concluded, a short social session followed, including the serving of light refreshments by the ladies. It was a most enjoyable affair, and similar ones will be held in the future and oftener than heretofore.

COMPANY DRILLS WELL. West Scranton Military company, as it has come to be known, had another drill last evening and they were complimented by the presence of a large number of spectators, who applauded liberally. The drill was held on Main avenue and Captain Lewis and Lieutenants Davis and Edwards were in charge. There were about fifty men in line and it would take a military critic to distinguish between this, their second drill, and at least two months'

Every man is in earnest and now that the call has come for which they or-ganized to be prepared for, there is much quiet enthusiasm apparent. The proffer of the services of the company has been made by the officers both to President McKinley and Governor Hastings and an answer is expected by next week. Every member is requested to try and be present at every drill. The next one will be held Tuesday evening and it is probable that the remaining officers of the company will be selected. It should be understood by all that this company is attached to no regiment in prospect or is organized for any purpose other than to go to the front and fight as a com-

TRIP OF THE JOLLY TEN.

Ten jolly good fellows, members of the K. of K.'s Literary circle, of this side, returned early yesterday morning from Dorranceton, just as Old Sol was beginning to wake up. The circle or "Ten" had driven down the valley the evening before to attend an anniversary celebration at the residence of William Boston, a former resident of West Scranton.

Despite the mud and threatening deluge, the trip was thoroughly enjoyed by all, and a very pleasant evening was spent with Mr. Boston and his friends.

Oliver Wendell Holmes says that if a man truly loved a woman he would not marry her unless he was absolutely sitive that he wa positive that he was the very best man in all the world that she could marry. According to this a man would have to be very conceited in deed or remain a bachelor. This is going a lit-

No man has a right to ask a woman to share the burden of his ill-health, and that is what he does when he asks her to be his wife. Ill-health in man asks her to be his wife. Ill-health in man is almost invariably the result of disorders of the digestive and nutritive organs. If a man's stomach is right and his liver right, his blood will be pure and rich, and his nerves strong and steady. When the blood is pure and rich a man cannot suffer from ill-health. Dr. Pierce's Golden Medical Discovery is the great digestive tonic. It is not a mere appetizer, but a scientific aid to the natural processes of secretion and excretion. It makes the apsecretion and excretion. It makes the ap-petite keen and hearty, promotes the flow of digestive juices, makes the assimilation

Mrs. P. Mortenson of Sanger, Oliver Co., N. Dak., writes. "Dr. Pierce's Golden Medical Discovery is the best cough medicine I ever tried. A little over two years ago I was afflicted with a very bad cough and thy home physician prescribed Cod Liver Oil and other kinds of medicine. He said I might go into quick consumption and might die in two or three months. His medicine did not do me any good. I heard of Dr. Pierce's Golden Medical Discovery and began taking it; when I had taken it about two months, according to directions, my cough was cured, and since that time we have always kept
