

DAY'S DOINGS IN NORTH SCRANTON

Two Bicyclists Met With Accidents at the Driving Park.

FRANK PRICE, OF WILLIAM STREET, AND WILLIAM MORRIS, OF BREAKER STREET, WERE INJURED, THE FORMER SERIOUSLY, WHILE SPEEDING AT THE DRIVING PARK—MEMORIAL DAY GENERALLY OBSERVED IN THE NORTHERN SECTION OF THE CITY. NOTES OF LESSER ITEMS OF NEWS.

Two wheelmen met with serious accidents yesterday which will confine them to their homes for some time. The most serious one of the two was that which befell Frank Price, of William street, at the Driving Park.

Price was going at a high rate of speed when the rim of the front wheel collapsed, hurling him against the fence. His friends had not witnessed this accident and were awaiting his appearance at the grand stand when they were apprised of the accident by another wheelman. They quickly hastened to the spot and found Price unconscious.

Dr. Jenkins was near at hand and administered restoratives. Price quickly revived and was conveyed in a carriage to his home. His injuries comprise wounds about the head, bruises on the body and a badly wrenched leg.

The other accident befell William Morris, of Breaker street, who, like Price, was testing his speed. The cement which holds the tire to the rim gave way and threw him to the ground. His face was badly scratched and he also received bruises about the chest.

MEMORIAL DAY. Memorial Day was appropriately observed yesterday in this section of the city. All business houses ceased to do business for the day and allowed the employees the benefit of an outing. In the morning the clerks of Malley's triple stores played a base ball game with the clerks of the Delaware and Hudson office on the diamond near the Driving Park. During the progress of the game Clarence Biedlow, catcher for Malley's stores, was quite badly hurt.

In the evening there were two entertainments, one at the Methodist Episcopal church and the other at the North Main Avenue Baptist. The former was attended by scores of people who were afforded a rare treat in the way of a first-class entertainment. Ice cream and cake were served. At the Baptist church the choir rendered excellent music under the direction of Prof. Reese Watkins. A lawn social followed.

TOLD IN A FEW LINES. The funeral of Annie, the four-year-old daughter of Mr. and Mrs. Thomas Lewis, of Margaret avenue, will take place this afternoon. Services will be conducted by Rev. W. G. Watkins, in the home of Mrs. Lewis, 112 Washington street. A good ball game was played yesterday on the Driving Park grounds between a team from this end and one

MUNYON'S PROOF.

Evidence so Convincing that Even Skeptics Believe.

Some weeks ago the West Side Volunteer company met for organization, the following officers were elected: Captain, John J. Lewis, first lieutenant, Albert Davis; second lieutenant, John M. Edwards. At the close of the meeting it was made known that the above election was not as had been planned by Mr. John Lewis, he having had Mr. W. H. Clark, for second lieutenant. When this was made known to Mr. Edwards he investigated the matter and found such to be the case.

Mr. Edwards not having looked for the office simply signing his name as a member of the company, and wishing to give all comers a chance to be elected to this office, waived the above election and stated before the company that if they wanted him as their second lieutenant they could have another opportunity of electing him on next Tuesday evening, May 31st. Mr. Edwards is an ex-sergeant of Company F, having served five years in the guard.

As a result of the present condition of affairs a spirited canvass is being made for the office.

There is another matter of peculiar interest to those who have signed the roll of the company. An important communication has been received and will be read. It is printed herewith:

Headquarters, Third Brigade, N. G. P., Lehigh, Pa., May 28, 1898. Sir: In reply to your communication of the 26th inst. to Governor Hastings, which has been forwarded to these headquarters, I beg to say that I have this day forwarded application for company organization rolls, which you will please have signed by the volunteers themselves, and after having secured the signatures of your county commissioners in the lower right hand corner. Great care should be taken in the selection of your field officers, and your examination will be made before the acceptance of any.

MINOOKA. Misses Julia and Mary Coyne, of Stafford street, spent Decoration Day in Plains.

The Maroons journeyed to Moonic yesterday to play the Popular Juniors and were defeated by the score of 12 to 11.

CITY OFFICIALS CRITICIZED. Few things which particularly affect West Scranton residents have so attracted the public attention as the recent official action of transferring the Columbia chemical apparatus from the quarters on this side to the May Aug Engine house in the central city.

Non-commissioned officers of the company will explain it in its own way. It is to be noted that the West Side company will be one of the four which will be taken to recruit the Thirteenth up to the three-battalion standard.

Through it is very evident that such action was warranted, yet a feeling exists that the West Side has been deprived. There seems to be the suspicion that the transfer may be a permanent one and probably this is the real source of the opposition spirit.

While the fire protection necessities of this side are being considered, it might be mentioned that they may be increased soon. Between Sweetland street and Bull's Head, in North Scranton, there is along North Main Avenue a large unprotected section of residential territory. The nearest available companies are the Franklin and the Excelsior, six blocks distant. Another hose company is thus seen to be a necessity.

ASPAH JUBILEE SINGERS. The efforts of the members of Simpson Chapter, Epworth League, of the Simpson Methodist church to provide a good entertainment were fully rewarded by the large and appreciative audience which heard the Asaph Jubilee singers last evening. Miss Maria Dorsa was soprano soloist and sang several selections. By special request she sang "Swanee River" in faultless style and the large membership of the company supported her in the chorus. The other soloists of the evening were Miss Mitchell, Walter Lawrence and E. Bernard Dufan. The company carried out a well-selected programme of vocal and musical selections.

QUIT WEDDING. Miss Margaret Gleason, daughter of Mr. and Mrs. George Gleason, of Morris court, was quietly married to Joseph Thomas, of Washburn street, last evening at 5 o'clock. The ceremony was performed at the parsonage of the Jackson Street Baptist church by the pastor, Rev. Thomas De Gruchy. The couple were unattended. Both are well-known young people on this side and will begin housekeeping immediately in a newly furnished home in Morris court.

PERSONAL MENTION. Mrs. Agnes Malott, of Division street, and Mrs. Carrie Kiernan and daughter, Miss Mary, of Eighth street, have returned from a visit at Parsons.

William Morris, a student at Bucknell university, is visiting his parents

LIVE NEWS OF WEST SCRANTON

Unusual Interest Attached to Tonight's Company F Meeting.

Mr. and Mrs. Thomas Montgomery, of Robinson street, were made happy by the arrival of a son at their residence yesterday shortly after noon. Thomas became enthusiastic and his enthusiasm led to his arrest a few hours later. He will be given a hearing this morning, charged with being drunk and disorderly.

William D. Thomas, of Lansford, visited friends here on Sunday. Mr. Thomas is one of the oldest mine contractors in the Panther Creek valley and has been particularly successful in work for the Lehigh Coal and Navigation company. He is well-known among the Welsh bands in this vicinity as "Jewell of a Bard."

On Friday being Decoration Day, the Lackawanna township school board raised two flags on No. 2 at Greenwood and No. 5 at the hamlet of No. 4.

At the former the exercises commenced with a song, "My Country, 'Tis of Thee," by the choir of the Greenwald Presbyterian church. Speeches were delivered by A. F. Doud, J. T. Davis and Prof. Coyne, the principal. As a finale the choir rendered "The Star Spangled Banner." At the latter school the board did not get the reception they anticipated, as some of the residents of the hamlet alleged that they should get a flag as good as any one placed at No. 4 building. After an explanation from the board the flag was accepted with appropriate exercises.
