Peter Smith, of Thompson street, a laborer in the Brislin mine, sustained serious injuries yesterday while at work. He was engaged in loading when a large piece of coal fell from the roof, a considerable distance, striking him on the back. He suffered intense agony, and at first it was thought his back was broken. He was removed to the Moses Taylor hospital, where it is said he will probably recover.

**WHITELY SOCIETY SOCIAL.**  
On June 9 the Father Whitley society will hold a social after their regular meeting. At the last quarterly convention, which was held in St. Mary's hall, a committee from each society was appointed to arrange programmes for the first meeting in each month. Their idea in doing this was to try and increase the membership in the Catholic Total Abstinence union. All the members are requested to be present. They have the privilege of inviting their friends. The following programme will be rendered on June 9. Opening address, J. H. McCarthy; vocal solo, John Boland; declamation, John Gilboy; violin solo, John Nolan; recitation, Thomas Newberry; cornet solo, James Murray; select reading, J. P. Martyn; harmonica solo, Thomas J. Golden; recitation, G. J. Loftus; vocal solo, W. A. Lynott; song, F. W. quartette; declamation, James J. May; graphophone selections, Edward George.

**CHILD BADLY BURNED.**  
Annabelle, the 15-months-old child of William Pate, of West Market street, was badly burned by the upsetting of a cup of boiling hot coffee. The child was walking around the dining table and accidentally knocked over the cup containing the coffee. She received the contents over her face and chest. A physician was summoned and the painful wounds were dressed. No serious results are anticipated.

**WHEELMEN WILL CELEBRATE.**  
This evening the Anthracite wheelmen will celebrate their first anniversary. All arrangements have been made. Their club headquarters on North Main avenue has received careful attention in the way of decoration. The affair promises to surpass any social event of the kind yet attempted in this section.

**FUNERAL OF ANNIE LEWIS.**  
The funeral of Annie Lewis, the young child whose death was occasioned by frightful burns Saturday last, was held yesterday at the home

OBITUARY.

Mrs. Lucy A. Sanderson, widow of the late Frederick Sanderson, formerly of Beloit, Wis., died last evening at the residence of her daughter, Mrs. Alfred Hand. She was 74 years of age. Mrs. Sanderson was born in Williamsport, Mass., from which place she removed to Beloit, where she lived for more than forty years. Last August during a visit to her birthplace she was stricken with paralysis, from which, however, she recovered to almost a normal condition of health. Since that time she has resided in the family of her son, Mr. H. C. Sanderson, on Clay avenue. While at the home of Judge Hand she suffered a second attack about ten days ago, from which she did not remain conscious. Mrs. Sanderson leaves three children, Mrs. Alfred Hand, Mr. H. C. Sanderson, of this city, and Mr. Frederick G. Sanderson, who is seriously ill at his home in Palo Alto, California. The notice of the funeral will appear later.

Joseph Morley, died Monday at his home, 236 Phelps street, this city. He was born seventy-five years ago in Germany. His ancestors were French, who moved there from central France many years before. When 29 years of age Mr. Morley came to this country, and since 1821 has been a resident of this city. For several years he was watchman for the Dickson Manufacturing company and retired a few years ago. Six years ago his wife died. Three children survive her son, Mr. H. C. Sanderson, on Clay avenue. They are: Dr. E. J. Morley, of Philadelphia; Joseph Morley, Jr., and Miss Emma L. Morley. The funeral will be held today at 9 o'clock. At 2 o'clock a requiem mass will be celebrated by St. Mary's German Catholic church, South Scranton. The interment will be in the Petersburg cemetery.

At the conclusion of the exercises a general handshaking period ensued. Rev. Morris departs tonight for Ohio, where he will permanently locate.

The minutes were then signed and the company shot and step nearer to the goal for which it is aiming. These rolls go to Governor Hastings, and the names were added to those sent from other quarters. Within a few weeks the company may be an integral part of the volunteer army of 200,000 men.  
Owing to some misunderstanding in reference to the second lieutenantcy of the company for which John M. Edwards was first elected, another election was held last evening. William Luce was elected and is now second lieutenant. The non-commissioned officers will be appointed at next Thursday evening's drill. It is desired that every man be present. Any who wish to join should present themselves within the next two weeks.

FAREWELL RECEPTION.

A farewell reception was last night tendered Rev. J. T. Morris, the departing pastor of the Bellevue Welsh Calvinistic Methodist congregation at the church. The auditorium was crowded. **MANUFACTURING SITES.**  
The West Side board of trade is enjoying a season of quiet and undisturbed repose. The war and the financial depression are largely to blame for it. This is unfortunate particularly at this time when any one of many good manufacturing sites is available and satisfactory. The war and the financial depression are largely to blame for it. **ELABORATE RECEPTION.**  
A reception was held at Ivorite hall last evening by Mr. and Mrs. Roderick Jones, of South Sumner avenue, in honor of Professor and Mrs. Daniel Protheroe, of Milwaukee, Wis. The recipients of last evening's honors formerly resided here, and are visiting relatives while enroute to Wales to spend the summer.

Invitations to the number of 250 had been issued and the majority were accepted, many coming from out of town. The handsomely furnished rooms of the Ivorites were profusely decorated with palms and flowering plants. The main room was also artistically decorated with the national colors. Above the platform, which suspended the word "welcome" formed by numerous small incense-burners. The lights in the main entrance were so arranged as to give a red, white and blue effect. Mrs. Jones and Mrs. Protheroe were assisted in receiving Mrs. John T. Williams, Mrs. P. B. Thomas, Mrs. George Howell and the Misses Mary Harris, Amy Howell, Edith Jones and Norma Williams.

When the affair was well in progress the spirit of song seized the happy company and as a typical Welsh gathering they sang at her shrine. "Worthy is the Lord" was sung as of yore, when 300 voices in careful training were wont to sing in under Professor Protheroe's leadership. Professor Protheroe sang two selections himself and his five-year-old daughter, Helen, also sang. Several of the noted local talent present.

Short addresses were made by Hon. H. M. Edwards, Slect Councilman R. H. Williams, president of the old Cymrodorion, and several others. Mr. Salmon, of Milwaukee, was present and being called upon, paid a glowing tribute to his fellow citizen, Professor Protheroe, and cited the measure of respect in which he is held there. The inspiring chorus "The Summer" was sung as a finale.

DUNMORE DOINGS.

**Incendiary Supposed to Have Caused the Fire Which Destroyed McDonnell's Hotel.**  
The hotel of John J. McDonnell, of Drinker street, near Chestnut, was destroyed by fire at 3 o'clock yesterday morning. An incendiary is supposed to have applied the torch. It was the third time in two weeks that a blaze was kindled in the city. The people of the house had to escape in the night clothes, and an old man named Patrick Clark was almost suffocated. The servant girl jumped from the balcony and her ankles were dislocated. The Independent, Neptune, J. B. Smith and St. Peter's societies, promptly responded and by effective work prevented the fire from spreading to adjoining buildings.

The building was owned by George Frost and the loss will be \$3000 to him, as he carried only a small sum of insurance. Mr. McDonnell's stock was a large one and not a dollar's worth was saved. He carried little or no insurance. He is one of the borough's best known young men; well liked, and was doing a fine business.

HAPPENINGS OF SOUTH SCRANTON

**German Catholic Societies Entertain at St. Mary's Hall.**

AFFAIR WAS IN HONOR OF THE LADIES WHO ASSISTED AT THE PICNIC GIVEN DURING THE RECENT STATE CONVENTION—THREE ACCIDENTS, TWO OF THEM OF A VERY SERIOUS NATURE—JOHN SCHUMPLER, CHARLES CONRAD AND ARTHUR EVANS THE UNFORTUNATES.

St. Mary's hall on Hickory street was crowded last evening by the members of the German and St. Peter's societies, of this side; St. Joseph's society of the West Side, and the ladies who assisted these organizations at their picnic in Central park during the convention of the German Catholic societies. A dinner and dance was given to the women as a mark of appreciation for the inestimable aid rendered on the occasion mentioned.

In every sense the affair was successful. The ladies who worked so untriflingly feel that they have been amply repaid. At eight o'clock the guests and friends began their discussion of the good things on the menu. During the course Michael Kramer glowingly thanked the ladies for their kindness and consideration. Others of the men present spoke in a like manner.

At the conclusion of the dinner the floor was cleared and dancing was commenced. During the evening Professors Schmidt and Meckeneamp gave piano selections. The committee in charge was composed of Peter Rosar, Sr., Henry Wetter, August Kolmer, of this side; August Bauer and George Giehrer, of West Scranton. Frank Klose furnished the dance music.

THREE ACCIDENTS.

John Schumpler, 41 Long avenue, is now at the Lackawanna hospital suffering from a severe scalp wound received yesterday morning near his home. He was running to catch a street car and he stumbled over a stone, falling against a pointed iron fence. One of the blades entered his scalp, causing a deep wound. The ambulance of the Lackawanna hospital was sent for and Schumpler was taken there for treatment.

Charles Conrad, Sr., over 50 years of age, and who has been blind for the past 20 years, lies at his residence on Cedar avenue in a precarious condition. He fell from an outdoor stairway late Sunday night at his home. Mr. Conrad had been visiting a nearby neighbor, and was returning home. He knows every foot of ground about the place, but he got too near the side of the steps, and by a misstep, he was precipitated to the flag walk beneath striking on his face and head. He laid there some time before his weak voice attracted assistance. Dr. Roser was sent for and he found his patient badly cut and bruised, and suffering from prostration. It is feared he is injured internally.

In his efforts to save a small child from falling into a cistern of water seven feet deep, Arthur Evans, of Pittston avenue, narrowly escaped drowning last evening about 7:30 o'clock. The body of water is in the rear of the house now being torn down. The children of that locality find that spot a favorite playing ground, but they have been warned daily not to play there on account of the cistern. Last evening Evans, fearing that the little one would fall in, dashed from his home nearby to save the little one, who was over the cistern when Evans reached it. He stepped on the board to catch the child and it gave away. He caught the little one as they fell and threw him to the surface, but his efforts to reach to dry ground were unavailing. He shouted for help and Paul Heisick responded, rescuing Evans from his dangerous position.

NUBS OF NEWS.

Lieutenant of Police Zang, when returning to his home yesterday morning, after finishing his night's work, found on Willow street a new coat, vest and hat in the middle of the street. In the clothes was a purse with a sum of money. The owner can have the goods by identifying them. They are at the Alder street station house.

George Grabner, of Cedar avenue, has returned from a visit at Reading.

AVOCA.

The body of John McClave, who left his home several days ago, proved to be the same that was found on the porch of a school at Glen Lyon on Saturday. Deceased was a respectable resident of this town, but owing to sickness and being unable to work he became demented and at times would wander away for several days. He was about 50 years of age and is survived by a wife and several grown-up children.

Mr. Homer Wilcox is home from the University of Pennsylvania.

Friday evening the election students gave a very pleasing recital in Nelson Memorial hall. A very large audience was in attendance. The programme showed the excellent work being done by this department.

Prof. Evans, of Hackettstown, N. J., inspected the seminary building last Saturday and expressed himself highly pleased with the equipment of Wyoming.

Saturday afternoon Wyoming's base ball team met and defeated the Connans Collegiate Institute base ball team of Hackettstown, N. J. The game was finished in seven innings. This makes the second time this season that Wyoming has met and defeated the C. C. I's. At the beginning of the second half of the first inning Mr. Walker, Wyoming's catcher, received a hit from the ball on the right thumb, splitting it open, breaking the bone and dislocating the joint. He was quickly removed to the doctor's and Mr. Touhill took his place behind the bat. The game was marked by a large number of errors. "Josh Billings" Wyoming's center fielder, was at Syracuse, thus necessitating the shifting of the team. Altogether it was an interesting game. Hackettstown played well at first, hitting Cannon but not being able to hit anything but short flies. The pitchers for the visiting team went to pieces easily and this accounts for the large score: Wyoming seminary, 18; Hackettstown, 3. This is Wyoming's fifth game of the season. Two have been ties and three victories.

At the inter-scholastic meet at Syracuse last Saturday Wyoming was represented by six picked men, Billings, Barnes, Evans, Hoeselker, Louder and Hubler, Syracuse High school was represented by seventeen men and took first place, scoring 35 points; Clark came second with twelve men, scoring 22 points; Wyoming seminary with six men scoring twenty-five and one-half points. Barnes took first in the Broad Jump. Evans first in half-mile race, second in quarter-mile race.

The annual game of base ball between the Junior and senior classes took place on "Yoming field" yesterday afternoon. The admirers of both classes were present and there was great enthusiasm over the game. After the first inning it was plainly seen that the Juniors were sure to win. The score was Juniors, 15; Seniors, 8.

As the classes played Seniors—Andrews, s.s.; Stark, c.; Dayport, r.f.; Sampson, p.; Horton, l.f.; Hoeselker, 3b.; Barnum, 1b.; Larish, c.f.; Sturdevant, 2b. Juniors—Woodburn, p.; Ruggles, c.; Mooney, 1b.; Derehimer, 2b.; Pierson, c.f.; Clinton, 2b.; Billings, s.s.; Leider, 3b.
