Arranging for Children's Day Celebration at Hickory Street Church.

SOUTH SIDE MEN WHO RETURNED HEAVILY LADEN FROM FISHING EXPEDITIONS—MASCOT OF NEPTUNE ENGINE COMPANY FOUND CHAINED IN ANOTHER HOSE HOUSE—PETER ANDREWS COLLAPSED WHILE AT WORK IN THE CAR SHOPS—OTHER MATTERS OF INTEREST.

At the residence of Rev. W. A. Nordt, pastor of the Hickory street Presbyterian church, a meeting was held of the committee last night who are arranging an elaborate programme for the joint celebration incident to Children's Day and the anniversary of the Young People's society of that congregation which occurs one week from the approaching Sunday.

These occasions are awaited each year with much anxiety and that both events will be jointly observed will make the exercises unusually interesting.

FISHING PARTIES. County Commissioner John Demuth, Charles Kirt, Louis Zimner, Jacob Gloger, Jr., Oscar Helweg and Jacob Schauer returned from Lake Ariel yesterday with large strings of fish. Last evening several of their friends were presented with more or less of the fishermen's luck.

Philip Robinson went to Pocono Summit yesterday to join a party of friends spending a few days at that place, and incidentally catching trout. Frank Sloman was fishing at Gouldsboro yesterday and returned last night laden with a big catch.

NEWS OF NEWS. Prince, the mascot dog at the Neptune Engine company house, that has been missing since Monday, was found yesterday. Vermander Pickett, who is on his vacation, was visiting a certain hose house in another section of the city and in going through the quarters he discovered his valuable dog chained, and upon seeing his master, Prince made a dash that liberated him. The dog was at his home when Mr. Pickett reached there shortly after.

Last evening the St. Aloysius society in regular session decided to give a complimentary entertainment in Pharmacy hall Thursday evening next. Attorney John J. Murphy will be invited to make the address of the evening.

Permanent Henry Heem, of the Neptune Engine company, will go on his vacation today. Mr. Heem and his wife will spend ten days at Philadelphia.

A daughter was born to August Bahner, of Prospect avenue, yesterday. Schneider Bros. have been awarded the contract for the plumbing and tinning of the new Rosea building.

Division No. 22, A. O. U. W., will meet in special session tonight.

Peter Andrews, well-known on this side, who has been unable to work owing to illness for the past six months, resumed his position at the car shops yesterday morning, and within an hour after he commenced he collapsed, and had to be conveyed to his home.

LIVE NEWS OF WEST SCRANTON

Shoe Worn by Patrick Callahan's Horse Led to an Important Discovery.

IT ALSO CAUSED THE ARREST OF CALLAHAN, MARTIN SAYRON AND JOHN GALLAGHER—JOSEPH NASH FOUND LYING ON THE RAILROAD TRACK—NEW FLAG FOR NO. 19 SCHOOL WILL BE RAISED THIS AFTERNOON—FUNERAL OF THOMAS D. THOMAS.

It was one calked shoe that Patrick Callahan's horse wore that was the cause of it all and today the subordinate mine official at the Delaware, Lackawanna and Western Coal company feel that an entering wedge has been made. Mr. Callahan and his two friends Martin Sayron and John Gallagher, all residents of Twenty-second street are now under \$300 bail for their appearance in court to answer a self-confessed charge of larceny. The act which led to their arrest was committed, according to Mr. Callahan's own confession, last Sunday evening about 10 o'clock.

He and his two friends broke into a Delaware, Lackawanna and Western freight car which was standing on the Hampton mine switch and removed therefrom four bales of hay. The bales each weighing over 150 pounds, were rolled down the embankment at this point, lifted over a high board fence, placed in a wagon and next they were hidden in Callahan's barn. Old burlaps were used to conceal three of the bales. One was already being made of the fourth.

For sometime back Outside Foreman John Hoffman, of the Hampton mine, has been annoyed by continual petty thievery of hay, lumber, ties, etc., from in and around the barn. Monday morning when he found the seal of the hay car broken he reported the matter to General Superintendent Storrs and it was decided to take extensive measures. Many times previous similar steps had been taken, but without results. A search warrant was issued by Alderman Joyce, of the Twenty-first ward and Constable Dean was asked to serve it.

Late Monday afternoon after an all day search a clue was obtained. Constable Dean was directed to search into the barn where Callahan kept his tracks, which were exactly like the horse noticed in the field near the car. The horse had one calked shoe out of four. The barn was entered and the horse's hoofs examined. It was just as expected. Further investigation brought the hay to light, even the tags being still intact. Mr. Callahan was called in and confronted with the evidence. He confessed and implicated the other two.

Sayron was arrested a few hours later and Callahan was taken to court, arrested until early yesterday morning. Constable Dean stayed outside the house all night and caught him just as he was going to work. All three were then brought before the alderman and gave bail. Sayron and Gallagher claim they were drunk and not responsible. Superintendent Storrs commended Constable Dean upon his cleverness.

FLAG RAISING. Public school No. 19, of which Miss Josie D. Lees is principal, was presented with a beautiful flag in August, 1896, to be unfurled on the handsomely equipped school building, Camps Nos. 322 and 478, Patriotic Order Sons of America, and Camp 35, Patriotic Order of America, Ladies' auxiliary, joined to perform this commendable act. After proudly floating at appropriate times the flag met with ruthless destruction in a sudden and terrific rain storm Thursday evening, May 19. Teachers and pupils alike regretted the loss exceedingly and it did not seem probable that the loss would be mitigated by the possession of another flag.

A week ago, however, the matter having been brought to the attention of School Controller Benson Davis, and through him to the board of control, a new flag was ordered to be purchased. This afternoon at 1 o'clock it will be raised by the pupils and appropriate exercises will be carried out. The parents of the children and members of patriotic orders are invited to be present. Following is the programme:

HAD A NARROW ESCAPE. Joseph Nash, of 41 South Ninth street, while temporarily affected in mind, wandered from his residence early yesterday morning and narrowly escaped being killed near the Mt. Pleasant mines, by the early morning passenger train, which arrives here from Binghamton at 5 o'clock. He was noticed lying on the tracks of the Delaware, Lackawanna and Western railroad by the firemen at the colliery and they went down and carried him up into the fire-room. A few minutes later the train passed.

Clothed only in his shirt and trousers, with his bare feet, face and hands cut from falling and walking over the rough ground, he presented a bloody appearance. The mine discovered he could not obtain any information from him, as he would not talk. He had been missed, however, and his sons soon located him and removed him to his home. The family are very much distressed over the happening and cannot account for the sudden vagary. His boyhood home is near Lake Ariel and it is possible that he was trying to go there.

Mr. Nash is in his sixty-fourth year, and for several years past has been in ill health. His ill health is in a measure due to the hard life he had while serving in the army during the late rebellion, from which he retired at the war's close with an honorable record. He spent 1867 in the south and was much benefited, but the past winter was hard on him and for months he has not left the house until last Sunday, when a friend took him out for a drive. Possibly this had something to do with his action of yesterday morning, as he had since expressed a desire to go over to Lake Ariel.

He is well known and much respected, having been engaged in the building contract business for many years, until compelled to retire on account of his health. His long illness seems to have attacked his mind and he has fallen into a delirium. He was very much weakened by the trip of yesterday, which must have taken him over the Oxford culm dump, and he is under Dr. Heerman's care. He was perfectly rational last evening, but could not explain his action to the members of the family.

FUNERAL OF THOMAS D. THOMAS. As on the day previous when West Scranton, by the attendance of many of her residents, paid a final tribute of respect to the memory of a deceased citizen, so yesterday this sad, yet impressive testimonial regard was shown in the latter gathering, which assembled to attend the funeral services of the late ex-Postmaster Thomas D. Thomas. The services were held at the residence, 303 South Main avenue and in addition to the many friends and relatives, prominent citizens, there were many out of town persons present.

Hyde Park lodge, No. 339, Free and Accepted Masons, of which the deceased was a member, attended in a body. The congregation of the First Welsh Baptist church was largely represented, as a mark of deep respect for the deceased for, though not a member, he had done much in a quiet way towards the church's welfare.

Plain and even had been the deceased's life, and his wish to have no pomp or circumstance observed. Rev. J. B. Sweet, pastor of the Simpson Methodist church, acting for the Masonic order, offered prayer. A short address, the testimony of an intimate friend, was made by Rev. David Jones, pastor of the First Welsh Congregational church. His remarks both in the Welsh and English language. The selections were rendered by a quintette comprising Mrs. G. W. Powell, Miss Elizabeth Jenkins, W. John Davies, W. Evans and D. Jenkins.

The services concluded, friends passed through to view the remains of the deceased. The handsome casket was nearly concealed beneath the wealth of beautiful floral offerings. This concluded, the immense cortege accompanied the remains which were borne to the Washburn Street cemetery for interment. The Masonic funeral service was read by Chaplain B. E. Stevens, followed by the singing of the Welsh hymn, "Hyddnyddo O Rhyfeddodan." The pallbearers were: Hon. H. M. Edwards, Thomas Carson, R. H. Williams and Richard Nichols. The flower bearers: Edraas Howell, E. J. Davis, and H. D. Jones.

DAY'S DOINGS IN NORTH SCRANTON

Young Son of David Davies Was Run Over by a Wagon and Injured.

WILLIAM WILLIAMS BURNED BY AN EXPLOSION OF POWDER IN THE STORRS MINE—ARTHUR BURNS EMPLOYED IN THE MARVINE MINE BURNED IN A SIMILAR MANNER—WILLIAM PALMER ARRESTED FOR ABUSING HIS FATHER—MALONEY PROSECUTIONS.

A young son of David Davies had a miraculous escape from instant death on North Main avenue last evening about 6 o'clock. The boy ran out on the street to jump on a moving car when he ran right into the Delaware, Lackawanna and Western machinist wagon.

The collision threw the boy under the wagon and before the wagon could be brought to a standstill the wagon, containing six men, passed over him. He was picked up and carried into D. D. Jones & Son's store, and was afterwards removed to his home on West Market street, where a physician was sent for and found the wheels to have passed over his stomach. The injuries, though serious, are not necessarily fatal unless inflammation sets in.

TWO MINERS BURNED. William Williams, a miner in the Storrs mine, was painfully burned by powder yesterday. He had occasion to go to the tool box, where the powder is kept, when a spark from his lamp fell in the powder, exploding it. He was instantly enveloped in flames and it was with difficulty that the flames were extinguished. Williams was found to have been badly burned about the face, one eye is thought to be seriously affected. He was conveyed to his home on Parker street.

Arthur Burns, employed in the Marvane mine, was severely burned about the face and arms yesterday. He was preparing powder for blasting and had a quantity of the loose powder in his hand. In some manner the powder was ignited, burning him painfully on the face and arms. He was removed to his home on Wells street, where Dr. Donne attended and dressed his wounds.

AN UNNATURAL SON. A warrant was issued yesterday by Alderman Roberts for the arrest of William Palmer. The legal paper was given to Constable Bernard Davis, who forthwith proceeded to the home of Palmer, on the corner of Wayne avenue and Putnam street. After explaining to him the contents of the paper, he placed him under arrest and proceeded to take him to Alderman Roberts' office for a hearing.

Palmer, who is a muscular young fellow, resisted the efforts of the constable and fought desperately. It was with the greatest difficulty that he was taken to the alderman's office. When the hearing was in progress he was constantly watched by three men. The charges that Palmer was asked to answer were preferred by his aged father, who stated that the son had taken various articles from his residence, which were afterwards sold. The son also was accused of threatening to kill his parents. The charges were considered sufficiently serious to hold him in \$500 bail.

MORE ARRESTS MADE. T. H. C. Maloney yesterday had warrants issued by Alderman Pflizer for the arrest of Thomas Kelly and Walter Providence on the charge of selling liquor without a license. They were arrested by Constable Seth Smith and given a hearing last evening after which both furnished bail in the sum of \$500 for their appearance at court.
