

TWO CENTS.

SCRANTON, PA., TUESDAY MORNING, JUNE 7, 1898.

TWO CENTS.

SANTIAGO AGAIN UNDER HOT FIRE

Havana Dispatch Says the Bombardment Was Renewed Yesterday Morning. Conflicting Reports Concerning the Alleged Destruction of the Spanish Torpedo Boat Destroyer Terror by the Oregon—One Version Says a 13-Inch Shell Did the Business but this in Turn is Denied.

Havana, June 6.—At 8 o'clock this morning twenty-four vessels of the American fleet opened fire upon the fortifications at the entrance to Santiago harbor and along the coast line. The firing ceased about 11 o'clock. Further details are not yet known here.

Yesterday Colonel Alden, with a Spanish force, sustained a fire near Punta Cabrera from the insurgents on the land side and from the American warships. The Spanish forces are well entrenched on the line from Siboney to Aguaduleros and today they checked an attempt of the American forces to land and repelled them.

May Have Been a Train.

The first assumption was that the vessel was the Terror, but it is believed now that it was the Phiton or the Furor, as the Terror is not understood to have been at Santiago. On Saturday the Phiton was reported to have been found floating two miles south of El Morro.

Spanish Cruelty.

Admiral Sampson is determined not to allow the Spanish to remove the Merrimac from the spot where she lies. On Saturday it was reported that they were working at the hull and the American fleet formed in line of battle, with orders to bombard. It turned out that the Spanish were not engaged and the fleet withdrew.

THE INTERNATIONAL MINING CONGRESS

To Be Held in Salt Lake City Early Next Month.

SIX HUNDRED DELEGATES HAVE ALREADY ENROLLED AND A SESSION OF EXCEPTIONAL INTEREST IS ANTICIPATED—SOME OF THE PROSPECTIVE FEATURES.

Salt Lake, June 6.—Arrangements have practically been completed by the local committee for the second session of the International Mining Congress, which is to be held here on July 6th, 7th, 8th and 9th. The first session of the congress held in Denver last year was attended by more than 1,000 delegates, and the indications point to an even larger attendance here.

SEVERE EARTH SHOCKS.

People, Panic Stricken, Flee from Their Kentucky Homes.

St. Louis, June 6.—Specials to the Post-Dispatch says: A severe earthquake occurred in Northern Kentucky between 2 and 3 a. m. today.

SPAIN'S WAR BUDGET.

It is Alleged That a Big Loan Has Been Arranged.

Paris, June 6.—The Temps today publishes a dispatch from Madrid which announces that the Spanish minister of finance, Senor Puigcerver, has submitted to the cabinet the arrangements for the loan which, it is understood, is to be made without the guarantee of tobacco monopoly and without the assistance of foreign capital.

THAT CADIZ FLEET.

It Will Not Be Ready for Sea for Several Months.

London, June 6.—A special dispatch received in this city today from Vienna says: "According to private advices from Cadiz, the preparation for active service of the Spanish cruiser Carlos V, the battleship Pelayo and the auxiliary cruisers Patriota and Rapido is proceeding slowly and the vessels are not yet nearly ready to proceed to sea."

NEAR-BY POSTMASTERS NAMED.

Washington, June 6.—The president today sent to the senate the nominations of William H. Stoddard to be postmaster at Montrose, Pa., and Robert W. Bannister to be postmaster at Tunkhannock.

Lutheran Ministerium.

Philadelphia, June 6.—There was a big attendance at the fourth day's session of the one hundred and fifty-first annual convention of the Evangelical Lutheran Ministerium of Pennsylvania and adjacent States. Ten thousand dollars were recommended for benevolent and foreign work.

WORK IN PROSPECT.

The business sessions are expected to be of the greatest importance to the mining industry. One of the chief purposes of the congress is to secure the establishment of a national department of mines, with a cabinet officer at its head.

WARM TIMES IN MANILA

Insurgents Are Closing in Upon the City and it May Fall Ere Our Troops Arrive.

Manila, May 31, via Hong Kong, June 6.—Spanish outposts have been driven in all along the line simultaneously. Great slaughter of Spaniards. Over 10,000 have been killed. Fierce hand-to-hand fighting for seventy hours, in spite of the typhoon that is raging. Insurgents hold the suburbs of the city.

Hong Kong, June 6.—The British gunboat Swift, which has just arrived from Manila, reports that the insurgents have cut the railroads outside the town and advanced to within four miles of the city.

A Spanish regiment mutilated and shot its officers. Fighting between the insurgents and the Spanish troops is frequent, and the former brought a thousand prisoners to Cavite. The Americans, it is reported, at Manila, assist the insurgents with boats and machine guns.

The Swift repeats a rumor that the insurgents had captured and tortured a number of priests. The British residents, at the time the Swift left, still remained in Manila, but the foreigners were taking refuge on the foreign shipping.

London, June 7.—The Hong Kong correspondent of the Standard says: "Advices from Manila say that Admiral Dewey has gathered the steamers now blockading the river to lie off Cavite in readiness to receive foreigners. The Spaniards are losing arms, ammunition and field pieces almost daily, so persistent are the rebel attacks. The natives are flocking to Aguinaldo's standard. He is, on the whole, conducting the campaign on humane principles."

"In the course of a pitched battle on May 30, a number of the native auxiliaries deserted the Spanish colors for the insurgents. Judging from the general tenor of the news from Manila there is reason to believe that the city will fall into Dewey's hands before the arrival of the American troops."

INSURGENTS' PRISONERS. There is some speculation here by anxious minds as to how the insurgents will treat the prisoners they have taken. It is generally expected that the Cuban insurgents since their war began, it was reported by cable, soon after he had secured the co-operation of the insurgent chief, Aguinaldo, that the Cuban insurgents would see to it that the insurgents observed the rules of civilized warfare. This caution was made necessary by the terrible tales that had been circulated of the barbarous treatment of prisoners captured by the insurgents.

ANOTHER MONITOR IS SENT TO DEWEY

The Monadnock is Also Ordered to Manila Bay.

THIS MEANS THAT THE AMERICAN FLEET WILL SOON BE IN SHAPE TO DEFEAT ANY OPPOSITION—PHILIPPINE INSURGENTS DOING A RUSHING BUSINESS—NO NEWS FROM SANTIAGO.

Washington, June 6.—After a lot of conflicting rumors of naval engagements, the landing of troops and such matters at the navy department, there came at the close of the day one important bit of news embodied in a report from Admiral Dewey of important successes achieved by the insurgents at Manila. The officials have been more anxious than they cared to betray as to Admiral Dewey's condition. They were not seriously apprehensive of personal danger to the fleet, but an impression was gaining ground that the admiral had not maintained the same measure of success in his operations in Manila bay that he reported his first effort. Now, the report received here would seem to indicate that he has succeeded in placing upon the insurgents the burden of conducting military operations against the Spaniards while he himself is lying in enforced idleness awaiting the arrival of troops, and that he has succeeded in preventing the corruption of the insurgent leaders by the Spaniards, which appeared at one time to be threatening.

THIS MAY EXPLAIN IT

Auxiliary Cruiser from Santiago Tells of Sighting and Escape of a Torpedo Boat Destroyer.

Key West, Fla., June 6.—An auxiliary cruiser of the United States fleet which left Santiago de Cuba at 1 o'clock Saturday morning came in here this afternoon for coal. She had been in Santiago waters since Wednesday morning, but saw nothing in the nature of a bombardment.

She reports, however, that on Friday night, when about a mile from shore, what was thought to be a Spanish torpedo boat was sighted, heading for the cruiser. Three or four ships immediately opened a heavy fire upon her and when the smoke cleared away the torpedo boat had disappeared, having apparently put back into the harbor. Apart from the sinking of the Merrimac in the channel of Santiago de Cuba by Lieutenant Hobson and his gallant companions, this torpedo attack was the only occurrence coming within the knowledge of the officers of the cruiser.

The latter say the sunken collier effectively blocks the channel. Their version of the affair is similar to the reports on the subject cabled to the Associated Press. They add that when Captain Oviedo, Admiral Cervera's chief of staff, went out to the flagship New York under a flag of truce to obtain the release of the prisoners, he remained on board the New York for three hours and effectively congratulated the American officers on the gallantry of the crew of the Merrimac. Captain Oviedo expressed his admiration of the daring of the Americans and said he had never seen anything to equal it. All of the Americans were uninjured, he explained, and all they needed was money and clothing, which were sent to them. The American officers who saw the Merrimac's perilous adventure say it is a wonder any one on board escaped.

While off Santiago de Cuba the officers of the cruiser recognized the Spanish armored cruiser, Cristobal Colon, and they also saw two other ships of identical appearance in the harbor of Santiago de Cuba.

CARRANZA AND PAL ARRESTED

Spanish Spies at Montreal Held on a Capias Issued at the Instance of an Indignant Detective—Their Money to Be Attached on a Suit for \$25,000 Damages for False Arrest—Ambassador Hay Brings Their Case to the Attention of the British Foreign Office—Lively Time for Sagasta's Canadian Information Bureau.

Montreal, June 6.—Magistrate La Fontaine today honorably discharged Detective Kellert from custody on the charge of stealing the now famous letter from Lieutenant Carranza. Immediately afterward Kellert's lawyer began suit for \$25,000 damages against Senor du Bose and Carranza for false arrest. The money they have in the Bank of Montreal will be garnished and leave will be asked to seize all their personal property before judgment so as to have a guarantee on their part for costs. It was reported today that Senor Carranza fled from the city, but later it was learned that he had hurriedly carried his valuable papers and property to a place of safety in order to prevent their seizure.

Arrest Is Made. Montreal, June 6.—Lieutenant Carranza and Senor du Bose were arrested late this afternoon on a capias issued at the instance of Detective Kellert, at the house of the consul general of Spain.

London, June 6.—United States Ambassador Hay, at the foreign office today, protested against a Canadian base of operations and protested against a continuance of this practice.

Short Respite Obtained. Washington, June 6.—Lieutenant Carranza and Senor du Bose have succeeded in obtaining a brief respite from expulsion, through the denial by Carranza of the accuracy of certain features of the letter attributed to him. The British authorities have been ready from the outset to act on any well established case, but the expulsion of a foreigner is such a serious matter that it is said no such step would be proper while the evidence was open to question. The Carranza denial is but a question of veracity which can be readily settled by the production of the original letter. When the accuracy of the translation is established the British authorities will act promptly.

RIOTING IN IRELAND. Orangemen Attack the Police and Troops Are Summoned—Many Officers and Civilians Injured.

Belfast, Ireland, June 6.—During the celebration of the anniversary of 1858, when seven civilians were shot on Shank Hill road by the constabulary, the Nationalist procession, while returning this evening from Hannamstown, was broken up in a riot. Several thousand Orangemen in the Shank Hill road attacked and overpowered the police and chased them back into the house square barracks. Several were injured.

The police reinforcements which arrived were compelled to threaten the crowd with their revolvers before they were able to rescue their comrades from the fury of the mob, which bore up the street for miles. The troops were then called out but the mob charged them and sang "Rule Britannia."

The disturbances then ceased, though the excitement continued. The feeling of the Orangemen against the police is very bitter. A score of arrests were made.

Midnight—The riots have been renewed and at a late hour this evening the troops were compelled to charge mobs numbering several thousands. The rioters stoned the police and the troops. One constable who fell from his horse, was savagely beaten with stones by the rioters. When Shank Hill was cleared the crowds gathered in the side streets. Altogether this was the worst rioting that has occurred here since 1858. It was prolonged until midnight and at this hour the city is still in a dangerous state of excitement.

Over fifty policemen have been injured, and twenty-four have been taken to the hospitals with fractured skulls and scalp wounds. Many civilians were injured in the military charges, some dangerously. The military are now in practical occupation of Shank Hill.
