# FORECAST OF THE WEEK IN CONGRESS

## Last Days In Senate Will Be Devoted to Hawail.

SENATOR FRYE IS DETERMINED TO GET THE HOUSE RESOLUTION BE-FORE THE SENATE AS SOON AS IT PASSES-A VOTE ON THE NEW-LANDS RESOLUTION PROVIDING FOR THE ANNEXATION OF HA-WAII WILL BE TAKEN IN THE HOUSE ON WEDNESDAY.

Washington, D. C. June 12.-The first days of the week in the Senate will be devoted to miscellaneous matters on the calendar and the last days of it to the Hawalian question if present plans are pursued. The Hawalian question is attracting more attention than any other matter now before congress and upon its disposition largely depends the date of final adjournment of the session.

Senator Frye is determined to get the House resolution up in the Senate as soon as it passes the House and asserts his ability to hold the Senate in session for a reasonable time or until the matter can be disposed of. It is conceded on all hands that there is a majority in the Senate favorable to annexation, but some of those who are friendly to this cause, admit the difficulty of maintaining a quorum of He friends and expect the opponents of the annexation will refuse to assist them in maintaining a working Senate.

Among other measures which there will be an offort to have considered during the week, are the hill for the incorcoration of the International American bark, Senator Perfigrew's bill regulation the accounts of the public land states and the quarantine bill. The convergence committee report on the Indian appropriation bill is likely to receive attention and it is understood that if opportunity offers, a portion of the time will be devoted to private pension blils and to Heuse bills on the calendar. Senator Morgan hopes to have a favorable report on the Nicarngua Canal bill to present to the Senate later in the week.

#### HOUSE FORECAST.

The debate upon the Newlands resolution providing for the annexation of Hawaii, will continue in the House this week, on Wednesday afternoon, when at 5 o'clock a vote is to be taken. Mean time conference reports upon the gundry civil Indian and District of Columbia appropriations bills may be presented and considered, but ewing to the great desire to speak upon Hawall, these reports most likely will be de-layed until after Wednesday. The general deficiency bill is expected to be teken up Thursday and will be disposed of quickly. Aside from the Quarantine bill, there are no measures of much importance likely to come up beyond the appropriation bills.

## AMATEUR BASE BALL.

#### The Strong Eurekn Team Defeats the Y. M. C. A. Club Saturday.

For several years a great rivalry has existed between the Eurekas of the Nat Lead North End and the Y. M. C. A. clube as to which was the champlon organization. In former years the Scranton boys held the honors, but their colors and pride were dragged in the dust | Phil. & Read on Saturday at Athletic park.

Up to the fourth inning the game was hotly contested and the three innings were featured by two lightning double plays. In the fourth inning Owens reached first on a hit, went to second on Gaughan's single and was advanced to third on White's force hit. Gaughan was put out at second on the play and Steele struck out. The next man up was Gilleran and he was given his base on balls. With the bases full and two out, Reese came to bat and had two strikes and two balls. Umpire Horan here began to distinguish himself by calling the third strike on Reese on a ball that was fully a yard wide of the plate. This spoiled the Y's best chance for scoring any runs In the Eureka half of the inning, July. Impire Horan was again in evidence. P. Regan reached first by being hit by the nitcher, went to second on Cleary's July. error on McHugh's grounder and advanced to third on Keenahan's sacrifice. The latter was retired from O'Neill to Owens and McDonald went out from White to Owens. P. Regan scored on the latter play, and then Frank Regan, who was at bat, hit a ball that was foul by several feet, which the umpire declared safe, reaching second base on the throw to the plate, and McHugh scored. Gailagher, the next batter up, hit a foul to left field which Steele muffed, and which Umpire Horan called fair, F. Regan scoring, and Gallagher reached third

Kelly hit a grounder to White which
