LIVE NEWS OF WEST SCRANTON

Interesting Meeting of the Board of Trade Held Last Night.

PARK COMMISSIONER MCCANN APPEARED BEFORE THE BOARD AND MADE AN ADDRESS—MARRIAGE OF MISS MARY E. MORAN, OF GRANT AVENUE, TO F. J. ZIMMERMAN, OF PHILADELPHIA. FUNERAL OF WILLIAM WEATHERHOG—END OF KINDERGARTEN TERM.

The West Side board of trade met in regular monthly session in the rooms at the West Side bank building last evening. President Andrew R. Holmes presided. Parks, sewers and streets formed the principal topics of discussion.

After the meeting was ready for the transaction of business, Park Commissioner P. J. McCann addressed the members of the board on the question of parks. He stated that he desired to have a definite expression of the board's feeling in the matter of a West Scranton park or parks. This question would form a very important part of the proposed bond ordinance and now was their time to act. The Round woods was not at all suitable for a park and moreover could not be obtained. The trees were almost all dead or nearly so. The shrubbery growth is rank and stunted.

In reference to Trip's park site, too much was required, \$14,000 being asked. He suggested that a park could be obtained at the foot of the West Mountain on the Lackawanna Iron and Steel company's property at a reasonable outlay. The board discussed the question freely and from every standpoint. The general feeling was that under the circumstances no park could be gotten just now. Besides, it was the opinion of the board that parks could wait awhile longer and that all energy should be devoted to the realization of a viaduct, that being at present West Scranton's prime necessity.

Jenkins T. Keese's suggestion that a short street be constructed at the newly opened section of Price street between North Sumner and North Bromley avenues, was referred to the streets and bridges committee with instructions to consult with the Fourth ward councilmen on the idea. An inconsiderable amount of money will do the job.

Chief Hickey sent a communication to the board in reference to the procuring of a new steamer for the Franklin Engine company. The committee consisting of John R. Ryan, Daniel Elshinger and T. Fellow Mason, appointed three months ago to confer with the chief, were instructed to see him as soon as possible. The matter appears now in a more hopeful condition.

Mr. Resse called the board's attention to the ordinance blockading the Price street, between Fairview avenue and Robinson street. Mr. Ferdinando contends that this passageway belongs to him, having only been used for six months previous to his acquisition of the property adjoining. Maps of the city of West Scranton indicate a public highway. The street commissioner's attention will be drawn to the "blockade" by the board's committee on streets and bridges.

ZIMMERMAN-MORAN NUPTIALS.

The nuptial ceremony which united in marriage Miss Mary E. Moran, of 291 Grant avenue, to F. J. Zimmerman, of Philadelphia, was performed yesterday afternoon at 1:30 o'clock at St. Patrick's church. Only the immediate relatives and friends of the contracting parties were present. Rev. J. B. Whelan, rector of St. Patrick's church, officiated.

The bride costumed in a handsome gown of duchess satin and carrying a pearl prayer book, was attended by Miss Mary Cosgrove, of Wilkes-Barre, as bridesmaid. The bridesmaid was prettily attired in a gown of steel colored silk and carried pink cornations. P. G. Moran, a brother of the bride, acted as groomsmen. At the conclusion of the ceremony, the bridal party and guests repaired to the residence of Mr. and Mrs. P. C. Cayley, at 261 Grant avenue, where a sumptuous wedding repast was served.

Later Mr. and Mrs. Zimmerman departed on their wedding tour to Boston and New York city, via the 4:27 o'clock Saturday, was held yesterday afternoon from the residence on Hampton street. The remains were borne to the barracks of the local Salvation army corps on Price street, where, in the presence of many friends, Captain Williams and Mrs. Williams conducted the funeral services. Captain Williams also made a short but eloquent address.

The remains reposed in a handsome oaken casket almost concealed beneath a wealth of floral tributes and at the conclusion of the service friends viewed them. At the conclusion the remains, accompanied by a large funeral cortege, moved to the Washburn street cemetery, where interment was made. The funeral procession was led by the Bellevue Music Accidental fund, followed by Hyde Park castle, No. 246, Star of Hope lodge, No. 109, American Protestant association, and the Sons of St. George, in the order named. The West Side band played the funeral music. The flower bearers were W. J. Hopkins, Edward Moxley, Ivan Lewis and Isaac Evans, chums of the deceased. The pall-bearers were Samuel Libbey and George Capwell, of the Salvation army; Thomas J. Edwards, of the Accidental fund; Henry Martin, of the Sons of St. George; George Barnes, of the Golden Eagles, and David M. James, of the A. P. A.

WED NOT LOSE THEIR HEADS.

Conductor Walter Evans, of the Scranton Railway, during a mishap to one of the company's double track cars while ascending West Linden street hill to Hyde Park, Monday evening, gave a commendable display

"I DO MY OWN WORK."

So Says Mrs. Mary Rochette of London, New Jersey, in this Letter to Mrs. Pinkham.

"I was bothered with a flow which would be quite annoying at times, and at others would almost stop."

"I used prescriptions given me by my physician, but the same state of affairs continued."

"After a time I was taken with a flooding, and I was obliged to keep my bed. Finally, in despair, I gave up my doctor, and began taking your medicine, and have certainly been greatly benefited by its use."

"Lydia E. Pinkham's Vegetable Compound has indeed been a friend to me."

"I am now able to do my own work, thanks to your wonderful medicine. I was so near death I believe as I could be, so weak that my pulse scarcely beat and my heart had almost given out. I could not have stood it one week more. I am sure, I never thought I would be so grateful to any medicine."

"I shall use my influence with any one suffering as I did, to have them use Lydia E. Pinkham's Vegetable Compound."

"Every woman that is puzzled about her condition should secure the sympathetic advice of a woman who understands. Write to Mrs. Pinkham at Lynn, Mass., and tell her your ills."

of coolness. The car was literally packed with passengers on account of the severe storm which occurred about 8 p. m. When near on the brow of the hill one of the two sets of motors burned out, throwing all the work on the forward truck, which on account of the slippery condition of the rails, was not equal to the task, causing a short delay. The remainder of the run proceeded slowly but surely.

Conductor Evans with rare presence of mind quickly forced his way into the very centre of the overcrowded car, assuring the passengers that there was no danger, and coolly began counting over his transfers, although the car was rapidly gaining speed backwards, not being stopped until it reached the very bottom of the hill. Conductor Evans' thoughtfulness, no doubt, averted a panic. The motorcar, with equal coolness remained at his post and did his best to stop the car.

KINDERGARTENERS STOP WORK.

Daisy Memorial Kindergarten, No. 2, which was conducted in the Fellows Mason building on South Main avenue, held its closing session yesterday morning. This marks the end of the second term of this branch of this great work among the little ones.

But little of the lesson work was done after assembly at 9 o'clock. The Misses Cowan and Gregory who have been in charge during the term, had intended taking the children to the Round school for an outing. The threatening weather unfortunately prevented and they contented themselves in their school room. Amusements, etc., congenial to juveniles were provided for them. Cake, candy, nuts, oranges, ice cream and other goodies were served.

The school, founded about two years ago by Mrs. Hackley, has grown and prospered in its work under the careful painstaking efforts of Miss Cowan. Its membership now numbers forty-five and their ages range from three to six years.

ROUTING AN ARMY.

How the Worst Invasion of Modern Times Is Absolutely Overcome.

When men or women feel depressed or tired at the present day, it is common to say, "I think I have malaria."

What is malaria? It is only an army of germs that get into the body; germs that ruin the health and undermine the life. They are aggressive, they feed upon the body, they multiply and increase.

It has been thought that quinine would accomplish this, but many people cannot take quinine; it disagrees with them. It often nauseates. It is known, however, that pure whiskey taken in moderation will kill and entirely exterminate the worst army of germs which ever invaded the system. They cannot withstand it. Under the influence of pure stimulant the germs are killed, the body is strengthened and the health restored.

It should not be understood, however, that all whiskey will do this. Few will. It requires something specially pure, and specially designed for this purpose, and that is precisely what Duffy's Pure Malt Whiskey is. It is a scientific, medicinal preparation. It has the highest endorsement of doctors and scientists; it is wonderfully popular because it is so efficient and powerful. Do not be deceived into the use of any other, for there is no other preparation upon the market that can accomplish what is accomplished by Duffy's Pure Malt Whiskey. You will find that it is kept by reliable druggists and grocers.
