Hot Weather Shirt Waists.

Fashions come and go, but the Hot Weather Shirt Waist for Ladies' wear has come to stay, because no garment has ever been devised that served its special purpose so well. True,

The Shirt Waist Conforms to Fashion's

decree, and changes in style with each succeeding year. Thus it is that the Summer Waist for 1898 is as different from the waists that were so popular in 1807 as anything well can be. Emphatic proof of this fact can be found by a visit to our Shirt Waist Department any day this week. We'd like you to call while the display is at its very best, and as an inducement offer for six days only,
