

THREE IMPORTANT WAR SUBJECTS

The Movements of General Shafter; Probability of Reinforcements Having Reached Dewey, and the Fate of Lieut. Hobson—Probable Course of the Government in Case Spain Should Refuse to Exchange the Merrimac Prisoners—That Cadiz Fleet.

Washington, June 20.—Public attention here today was divided almost evenly between three subjects, the movements of General Shafter's army, the probability of reinforcements having reached Dewey and the status of Hobson, the naval hero. Up to a late hour neither of the anxiously awaited messages which were to announce the arrival of the transports at Santiago and Manila, had reached either the war or navy departments. It was not doubted, however, that our vessels are off Santiago, for although proceeding at a less speed than the English steamers which, at Kingston, today reported having passed them in the Windward passage last night, the distance which they would be obliged to travel from the Windward passage to Santiago is less than that traversed by the British ship, which came into Jamaica in the early afternoon. If they arrived only this morning off Santiago, they could report that fact solely by means of a dispatch boat running over to Kingston, a twelve-hour journey, so that direct reports from the fleet cannot be expected till a late hour tonight.

Further from the mitigating rules of regular war, and by rapid strides leads them to the inter-ecine wars of savages. SPANISH HAVE MOST TO LOSE. It was pointed out today by a leading officer of the army that the Spanish had most to lose by a course of cruelty which would call for retaliation, as the number of Spanish prisoners is far greater than that of American prisoners. There was a wholesale christening at the navy department today when Secretary Long supplied names for no less than thirty-five war craft. All of these were provided for in the last naval appropriation bill, and while contracts for their construction have not yet been let, the advertisements have been issued, except in the case of monitors, and all the boats will be under way before cold weather. First in the list of the big battleships is the Maine, for congress has provided that that name shall be continued in the naval list. The other two big battleships will be called the Missouri and the Ohio. The first of the torpedo boats bears the name of the brave young ensign, Bagley, who was killed on the deck of the Winslow under the guns of Cardenas, the first American naval officer to lose his life in the war. Four states have the privilege of giving their names to monitors, Arkansas, Connecticut, Florida and Wyoming. The names given to the torpedo boats and the torpedo boat destroyers are those of famous naval heroes of previous wars. Word went around the war department this afternoon that the Cadiz fleet had made another spectacular appearance, this time returning to the home port. The source of information is not disclosed so that it is impossible to tell how much credence to attach to the report. The navy department was promptly informed of the report of the message.

HAYTI'S LATEST REVOLUTION

All Quiet at Puerto Plata, but More Trouble is on Foot.

IT IS RUMORED THAT AT THE REQUEST OF THE DOMINICAN GOVERNMENT SENOR JIMINES, THE REVOLUTIONARY LEADER, HAS BEEN ORDERED TO QUIT HAYTIEN SOIL. (Copyright, 1898, by the Associated Press.) Male St. Nicholas, Hayti, June 20 (7 p. m.)—All is quiet, according to the latest advices from Puerto Plata, in the Dominican republic. Nevertheless it is known that another revolutionary conspiracy is on foot. At this moment the Olivis, a small steamer, is passing along the northern coast of Hayti picking up Dominicans, for the purpose, it is understood, of a new descent upon Monte Christi or Puerto Plata with a view to the overthrow of President Herceux. She called here yesterday. Revolutionary agitators are at work in the southern part of the Dominican republic to enlist prominent men in the movement. It is impossible to judge how much success these schemes are likely to have. If indeed, the remarkable publicity given them does not...

HOBSON'S PROMOTION.

The Gallant Officer Will Be Made Lieutenant Commander. Washington, June 20.—Lieutenant Hobson, the hero of the Merrimac, will be transferred from the construction corps to the line of the navy and raised to the grade of lieutenant commander probably this week. This action was definitely decided by the administration today and legislation empowering this action will be passed in both houses and its execution will almost immediately follow the affixing of the executive approval of the measure. It had been proposed to wait Hobson's personal expression as to his choice between the transfer to the line or promotion within the construction corps where future advancement is limited. The final decision today to give substantial recognition without further delay save for legislative authority which is to be immediately granted follows the formal refusal of exchange by the Spanish government. The matter was taken up by both the president and Secretary Long and it was announced privately that the administration is anxious for immediate legislation to permit the president to act and that promotion to the full extent authorized would immediately follow. This determination was reached after a short and informal consultation as to the Spanish attitude as to the exchange of prisoners and the likelihood that there will be no early release of the gallant lieutenant and his crew.

ANNEXATION TALK.

Hawaii Is Discussed in the Senate. Opponents Shown to be in Minority by a Test of Strength.

Washington, June 20.—Discussion by the senate of the question of Hawaiian annexation was begun today in open session. There was a test of strength afforded the friends of annexation late this afternoon when Mr. White, who is opposed to the resolution moved that the senate adjourn. Mr. Davis, chairman of the committee on foreign relations, immediately demanded the yeas and nays. The motion, the vote upon which was a test of strength between the friends and opponents of annexation, was defeated decisively 44 to 15. Having gained his point in developing the annexation resolutions of the opposition, Mr. Davis readily agreed to enter a motion for an executive session. The proceedings of the day indicate clearly that there is to be no debate upon the Hawaiian question in the ordinary operation of that term. It is not the purpose of the senate to adjourn to consume time in making speeches. They will permit the opponents of the project to occupy all of the time. This plan of campaign is not satisfactory to the latter and during the session today considerable bitterness was manifested at times. The speakers today were Mr. Morrill, the venerable senator from Vermont, one of the Republican opponents of annexation, and Mr. Bacon (Dem., Ga.) Mr. Morrill covered the general question, while Mr. Bacon discussed the power of congress to annex territory by legislative act, maintaining that such annexation was unconstitutional.

GARCIA CLOSING IN ON SANTIAGO

His Troops Now Within Forty Miles of the City.

THE GRIZZLED VETERAN INTERVIEWS ADMIRAL SAMPSON ON BOARD THE FLAGSHIP REGARDING THE OPERATIONS FOR THE INVESTMENT OF SANTIAGO AND CO-OPERATION OF THE AMERICAN AND CUBAN TROOPS—GENERAL GARCIA VERY ENTHUSIASTIC. (Copyright, 1898, by the Associated Press.) On board the Associated Press dispatch boat Dauntless, off Santiago de Cuba, Sunday, June 19 (6 p. m.), via Kingston, Jamaica, June 20 (4.20 p. m.)—The United States troops under General Shafter have not yet arrived. The delay is inexplicable. According to the latest information in possession of Admiral Sampson, the transports sailed last Wednesday, June 15, and they should have reached here this morning. Valuable time and favorable weather are lost by the delay. Though it is blistering hot, there has been no rain since the marines landed. The Cuban officers say, however, that in this mountainous section of the southern forest the heavy rains has practically ceased for the end of July. The Cubans are extremely active and a cordon has been drawn around Santiago de Cuba. General Garcia with four thousand troops, coming by forced marches from Banes is now near Santiago. His troops are within forty miles of the city. He left 2,000 men at Holguin to prevent the Spaniards there from effecting a juncture with General Toral at Santiago. The Spanish troops at Guantanamo, under General Maso, are also cut off from General Toral and are being pinched for food. They wildly appeal for provisions and reinforcements, but the only reply they got was that both were impossible. General Maso said his men were even then at half rations and that the supply was only sufficient to last during the present month.

SPAIN'S RESOURCES.

Abundant, According to the Minister of Marine—Says He Has Been Given Unlimited Credit.

London, June 20.—The Madrid correspondent of the Morning Post says: "The real reason for the visit of Captain Anson, minister of marine, was his desire to attend the trials of a new rocket, so powerful that on its explosion near an ironclad so great a displacement of water would be produced that the vessel would be engulfed. I interviewed the minister of marine while here. He admitted that the government had given him an unlimited credit to purchase war material, adding that they relied upon the loyal support of the wealthy classes to provide further necessary munitions. "It is lamentable," he said, "that we have been unable to dispatch a fleet to the Philippines. Our lack of foresight has cost us dear and ought to serve as a lesson to us in the future to strengthen our navy at all costs. I am determined to dispatch vessels to Manila. It would be an unpardonable crime to abandon our heroic soldiers there without an attempt to aid them." "Captain Anson said he feared it would be impossible for Admiral Cervera to escape, but that he was confident Cervera would not be taken in ambush by the insurgents. Fierce fighting ensued and was carried on for three days, during which General Donet was killed. The native troops joined the insurgents, and the Spanish troops which were left about 500 surrendered.

CHASED BY A GUNBOAT.

Captain Hopkins, of the Boston Fruit Company, Escapes Transport.

(Copyright, 1898, by the Associated Press.) Port Antonio, Jamaica, June 20, 3 p. m.—Captain Hopkins, of the Boston Fruit company's steamer Brookline, which arrived at Port Morant this morning, reports that he sighted transports conveyed by United States warships fifty miles south of Cape May. He reports that the transports were headed southeast and, in his judgment, for Puerto Rico. He says that he was bound around Cape May for Santiago, they were far off their course. It is believed here that Captain Hopkins is mistaken and that the transports were simply keeping clear of sight from land.

TRANSPORTS PASSED.

British Steamer Ethelwold Passes American Ships Near Cape May.

Kingston, Jamaica, June 20.—2 p. m.—The British steamer Ethelwold arrived at Port Antonio and reported passing yesterday evening near Cape May, the extreme eastern point of Cuba, an American gunboat, an auxiliary cruiser, two transports and a schooner, in tow. Later she passed another steamer with troops on board. The Ethelwold was stopped by a gunboat with a blank shot and was questioned as to her identity.

WILL MUSTER PENNSYLVANIA INFANTRY.

Hagerstown, June 20.—Lieutenant Edgar W. Howe, of Lancaster, who has been assigned by the war department to muster in the eighteen companies of infantry from Pennsylvania under the president's second call for volunteers, reached here tonight to confer with Governor Hagerman and Adjutant General Stewart. The work of recruiting and mustering the new organizations can be done within the next two weeks. The companies will be recruited largely from the counties within representation in the volunteer army, preference being given to the large counties.

ROBBERY AT SHAMOKIN.

Shamokin, Pa., June 20.—The home of John Lomertz was robbed of \$1,300 in cash last evening while the old gentleman and his wife were being entertained at the residence of Charles Zech. An investigation resulted in the arrest of Charles and August Zecher and Anthony Cleaver on suspicion of having committed the robbery. Four hundred dollars were recovered hidden in old shoes at the homes of Zecher and Cleaver and the prisoners were committed to jail.

DELIBERATE SUICIDE.

Behleheim, Pa., June 20.—After arranging a crape from a black silk veil and taking it on her front door, Mrs. John Schweitzer, a widow, aged 65 years, took a piece of kerosene and hung it in the garret this morning. She attended herself in morning, too, and left a note saying that she was tired of living and wanted to join her husband and only son in heaven.

RED CROSS STEAMER.

Key West, June 20 (5 p. m.)—The Red Cross society's steamer State of Texas, with Miss Clara Barton on board, sailed this afternoon.

GARCIA'S GREETING.

Thanks the American People for Their Interest in Cuba.

(Copyright, 1898, by the Associated Press.) Off Santiago de Cuba, Sunday, June 19, by Associated Press dispatch boat, via Kingston, Monday, June 20 (5 p. m.)—A correspondent of the Associated Press has been afforded an opportunity of interviewing General Calisto Garcia, who, with his staff, was brought to Admiral Sampson's flagship this morning on the gunboat Vizen. The white haired gentleman was lying in the cabin of Captain Chadwick, the commander of the New York. He was seasick. This is the message General Garcia sent to the American people: "I am greatly obliged for the efforts of the American people in securing the independence of Cuba, and I shall do all I can to defeat the Spaniards quickly. Speaking of the march from Banes, where he went to receive the munitions of the "Florida expedition," he said: "We had a hard, hard march over the rough roads. Had no engagement with the Spaniards, because there were no Spaniards. My 4,000 men are in good condition except for the slight fatigue of the long march. We found enough food, though the Spaniards are starving. The patriots are not suffering from the blockade. They can always get food. It is the Spaniards who pay no Spaniards.
