DAY'S DOINGS OF NORTH SCRANTON

Further Movement Toward a United Mine Workers' Branch.

MEETING HELD LAST EVENING IN O'DONNELL'S HALL—PRIVATE FURNERAL OF MRS. CHRISTIAN H. SCHARAR—MARQUETTE COUNCIL COMMITTEE IS ARRANGING FOR ITS ANNUAL EXCURSION—SEVERAL POINTS IN VIEW BUT NONE HAS BEEN SELECTED.

An effort was again made last evening to further perfect the local branch of United Mine Workers. The meeting was held in O'Donnell's hall. The early attendance was not very encouraging, but as the evening grew older quite a throng of interested miners presented themselves.

FURNERAL OF MRS. SCHARAR. The funeral of Mrs. Christian H. Scharar was held yesterday afternoon at her late home on North Main avenue. Rev. George E. Gault, of the Providence Protestant church, was the officiating clergyman. He delivered an eloquent funeral sermon. The floral offerings were many and beautiful. The funeral was private. Interment was made in Dunmore cemetery.

Y. M. I. EXCURSION. The committee selected by Marquette council, Young Men's Institute, met last evening for the purpose of choosing a suitable resort for the annual excursion which the council proposes to have some time next month. Several places offering excellent attractions were mentioned. The following comprise the committee: James Crier, chairman, John Mullin, secretary. The others are Thomas Healey, John H. Kelly and James P. Lynott.

TOLD IN A FEW LINES. Evan Reese, of Plymouth, was in town yesterday. He was called here by the death of his father. George A. Burns was arranged for evening before Alderman Roberts on charges preferred by A. H. Harvey and held in bail on a charge of assault and battery.

Miss Mary Foster, of Honesdale, is the guest of Mrs. W. D. Decker, of Cherry street. Invitations have been issued for the marriage of Peter Murray and Miss Mary O'Hara.

church met last evening. Nothing definite was decided.

Dr. D. H. Jenkins, of North Main avenue, is representing the Lackawanna Medical association at the convention of physicians now being held in Denver, Col. Mr. and Mrs. Isaac Edwards, of Green street, are entertaining their daughter, Mrs. John Stoford, of Honesdale.

DUNMORE. The class exercises of the Class of '98 were held in Washington hall last night. So great was the attendance that large numbers were compelled to stand.

LESSER ITEMS. The graduates of the High school since 1896 will have another meeting in the Central building this evening. The idea of having the banquet on July 6th was not favorable to a great many, and it is possible that the date may be changed.

YESTERDAY'S MARRIAGES. The marriage of Miss Anna McDonald, daughter of Mrs. James McDonald, 108 Erie street, to William J. O'Boyle, of Lackawanna avenue, occurred yesterday morning at 10:45 o'clock at St. Patrick's church in the presence of many friends. Rev. J. B. Whelan, rector, performed the ceremony.

THEY ENJOY THEMSELVES. That brethren are not averse to the enjoyment of good music, is attested by a recent action of the Franklin Engine company. The company has purchased a combination piano and organ instrument, and its members are now "the go" at the company's quarters on North Hyde Park avenue. There are several good singers among the members of the company and chorister Richard Davis, who also acts as organist, is organizing a glee party. In addition, there are members who in different ways can assist in getting up a first-class entertainment on short notice. This most recent move of this wide-awake company serves several ends, but most of all it promotes the feeling of good fellowship among the men and furnishes the means of enjoying an enjoyable evening "at home."

FURNERAL OF MRS. MARY M'NALLY. The funeral of the late Mrs. Mary McNally was held yesterday morning from the residence, 116 North Van Buren avenue and was attended by

THEY WANT TO TELL

These Grateful Women Who Have Been Helped by Mrs. Pinkham.

Women who have suffered severely and been relieved of their ills by Mrs. Pinkham's advice and medicine are constantly urging publication of their statements for the benefit of other women. Here are two such letters: Mrs. Lizzie Beverly, 258 Merrimac St., Lowell, Mass., writes: "It affords me great pleasure to tell all suffering women of the benefit I have received from taking Lydia E. Pinkham's Vegetable Compound. I can hardly find words to express my gratitude for what she has done for me. My trouble was ulceration of the womb. I was under the doctor's care. Upon examination he found fifteen very large ulcers, but he failed to do me good. I took several bottles of Lydia E. Pinkham's Vegetable Compound, also used the Sanative Wash, and am cured. Mrs. Pinkham's medicine saved my life, and I would recommend it to all suffering women."

"I took cold at the time my baby was born, causing me to have milk legs, and was sick in bed for eight weeks. Doctors did me no good. I surely thought I would die. I was all so troubled with falling of the womb. I could not eat, had faint spells as often as ten times a day. One day a lady came to see me and told me of the benefit she had derived from taking Lydia E. Pinkham's medicine, and advised me to try it. I did so, and had taken only half a bottle before I was able to sit in a chair. After taking three bottles I could do my own work. I am now in perfect health."

many friends and relatives. The remains were borne to St. Patrick's church at 3:20 o'clock, where a high mass of requiem was celebrated by Rev. D. A. Dunne. At the conclusion of the service the remains were taken to the cathedral cemetery for interment. The pall-bearers were: Messrs. Cawley, Lally, Lavelle, Gurrell, McDermott and Gibbons.

HAPPENINGS OF SOUTH SCRANTON

Several Flags Raised with Appropriate Ceremonies.

NATIONAL EMBLEM FLOATED AT THE NATIONAL BREAKER, MEADOW BROOK SHAFT AND SIMPSON SILK MILL—SEVERAL LIVELY BOXING BOUTS DECIDED UNDER THE AUSPICES OF THE INDEPENDENT SPORTING CLUB—VICIOUS DOG BITES A LAD AND IS SHOT BY LIEUTENANT ZANG.

Flag raising exercises at industries on this side were the principal features of yesterday's happenings in this section. At the National breaker of Connell and company, near the city line, a flag 12 by 18 feet was set aloft with fitting ceremony in the afternoon at 2:30 o'clock. Colonel E. H. Ripple was chairman of the occasion. He made a stirring address at the beginning of the exercises. The Forest hand was in attendance and gave a programme of patriotic selections before the gathering was called to order. When the signal was given to unfurl the emblem, two slate picker boys pulled the rope, and amidst cheers the band struck up the "Star Spangled Banner." The crowd joined and sang. Howell Harris, of the surveyor corps, was called to address the assemblage, and he delivered a speech that moved his hearers to a high pitch of enthusiasm. A procession was formed by the breaker boys headed by the band. They marched to the Meadow Brook shaft where another flag was set aloft.

The Meadow Brook raising was not attended with the same programme of oratory, as the Stars and Stripes were swung from the fastenings, the band again played, and a mighty cheer went up from the crowd. Colonel Ripple then announced that each slate picker was to receive a bag of peanuts and candy and a bottle of soft drink. The scene that followed can be conjectured.

The employees of the Simpson silk mill raised a large flag over the mill at noon time yesterday. Superintendent Butler made the address, and the employees sang popular selections.

BOXING TOURNAMENT. The Independent Sporting club, a Twelfth ward organization, conducted a tournament at Central Park Garden hall last night. The opening go was between Tiche and Evans. At the end of the third round the bout was stopped and called a draw.

The next bout was between Jack McConnell and Bert Giles, colored. They boxed for three rounds. The decision of Referee Moran was a draw. "Conqueror" Maloney and John Gillis, brother of Bert, were announced for the following bout. Their go was a repetition of the preceding one. In the fourth round both men pounded one another until exhausted, and fell into each other's arms and laughed until time was called. Maloney was the victor by decision. "Moxie" Jordan and John Carr fought four lively rounds. Their engagement was the cleanest of the number. They were evenly matched, and at the close of the fourth round another short one of a minute was ordered. Maloney gained a decision, which was awarded to Carr.

FLAG RAISING JULY 4. Camp 430, Patriotic Order Sons of America, will have flag raising exercises at their hall on Pittston avenue the morning of July 4. In front of the building is a sixty-foot pole yet unadorned, but the boys of Camp 430 have decided to set aloft a big flag. The various societies of this side will be invited to participate and if the camp receives sufficient acceptances there will be a parade. The committee in charge of the event are: Charles Weisber, jr., chairman; August Wismeyer, William Haas, jr., Theodore Haas and George Wirth.

TOURIST CLUB OFFICERS. The Tourist club, recently organized by the young men of St. Mary's congregation, elected the following officers at a special meeting Monday night: President, George Relf; vice-president, William L. Janssen; secretary, Frank P. Kloz; treasurer, John Lansford; auditors, Adolph Moser and William Bluzeg. The Tourist club will have an adjourned regular meeting next Monday evening to adopt constitution and by-laws.

BITTEN BY A DOG. George Tempe, of River street, and his five-year-old son were watching the team of the Century Home company go through their usual evening drill Monday evening when a dog belonging to John Miller, a neighbor, bit the boy's left leg. Dr. Kolb was called to cauterize the wound. Lieutenant Zang shot the beast last night.

NUBS OF NEWS. The annual picnic of the Century Home company will be held at Central Park garden this afternoon and evening. Judging from the immense sale of tickets, the affair will be a rousing success.

The excursion of the Sabbath school of the Hickory Street Presbyterian church yesterday to Lake Ariel was attended by several hundred persons. The funeral of Mrs. Patrick Smith, of Cherry street, will occur this morning. Interment will be made at Mill City.

From his late residence on Fig street the funeral of James Keogh, will be held this morning. Services will be held at St. John's church, and interment made in the cathedral cemetery.

INJUNCTION WAS GRANTED.

In the Equity Case Brought Against County Officials.

Hon. L. A. Watron, representing the Spring Brook Water Supply company, took action in equity yesterday to restrain County Treasurer Kelley and the county commissioners from selling at tax sale twenty-one tracts of land in Spring Brook township.

The bill alleges that the whole of the land has, since March 1, 1892, been used solely for the purposes of incumbrance, and the state tax has been paid on its capital stock, and all taxes imposed by state laws have been paid, but notwithstanding this the county commissioners have caused these tracts to be assessed for county purposes, although they had no legal right to do so, and in default of payment of the tax on their assessment they propose to sell it as unseated land. Judge Edwards granted an injunction.
