# MEETING OF PAVEMENTS COMMITTEE

Property Owners of Hyde Park Avenue Had a Hearing. The payements committee of select uncil last night met and heard sevval property owners who object to the laying of the Hyde Park avenue payement for much the same reasons as prevailed in connection with the reposed Providence payement.

The ordinance for paving Hyde Park venue between Lafayette and Divison streets is now on its passage Property owners between Jackson and Washburn street recently petitioned ouncils not to permit the laying of the payement until the sewer on the avenue was enlarged or some other steps taken to increase the present sewer facilities which are undoubtedly inadequate. The sewer is only twelve inches in diameter and performs a ser vice wholly out of proportion to its

An effervescent pleasant tasting howler, for the almost immediate curs of
feadache. Neuralgia and Backache.
Philo' is effectual in all cases of Sleepessness, Indigestion, Heartburn and Alcould not be enlarged some relief might making a connection with the Jackson street sewer.

The committee could not encourage "For Neuralgia and Headaches Philip perfection." Anna E. Huber, C. C. State of the latter proposition as the Jackson street sewer, which empties into the Main avenue sewer, is but eight inches in diameter and is none too large to in diameter and is none too large to properly serve the territory dependent It does not extend to the Hyde Park avenue corner, its western terminus being thirty feet away from the latter thoroughfare.

While the pavements committee was uxious to accord the property owners possible consideration they were to reach any definite conclus on last night in the absence of infor nution from the city engineer. It is essible that he may be consulted to ay and a report may be made to

deet council tonight. Chairman O'Hoyle and Messrs. Mc ndrew and Williams were the mem bers of the committee present to hear the property owners last evening.

# SOLDIERS' RELIEF COMMITTEE.

Regular Weekly Meeting to Be ifeld This Afternoon.

Michael F. Sweeney, the champion high jumper of the world, is in the city, and will do his training at Athletic park for his exhibition on July t. He was at Athletic park yesterday aftermoon and had the ground arranged to soit him for his work. Mr. Sweeney is in excellent form this year, having cleared 6 feet 6 inches last Saturday at Trenton, N. J. He believes he can lower this record, and will probably make an attempt on the Fourth if the conditions are favorable.

The regular weekly meeting of the executive committee of the Soldiers' Relief association will be held this afternoss in the board of trade rooms. It was expected that a report from Chaplain N. F. Stahl would be on hand and from which the committee might get information of families in need. However, in response to a telegram sent him yesterday Chaplain Stahl answered that only half of the men in the regiment had recipied to his in-The regular weekly meeting of the the regiment had replied to his inquiry as to the needs of those dependent upon them.
