Flag Raising at the Hotel of Charles Huester on Cedar Avenue.

SEVERAL PATRIOTIC ADDRESSES WERE MADE AND THERE WAS MUSIC BY THE DRUM CORPS-PICNIC OF ST. JOHN'S CONGREGATION MONDAY IN ARTESIAN WELL GROVE-MEETING OF THE WILLIAM CONNELL HOSE COMPANY TO APPLY FOR A CHARTER.

At the hotel of Charles Huester, ex-recorder of deeds, on Cedar avenue, just evening a large flag, 12 by 18, was set up in the breezeway with fitting ceremonies. The exterior of the building was adorned with the stars and stripes-AE'S band of the Washington camp, P. O. S. of A. drum corps left their quarters and marched to the hotel. They rendered several patriotic numbers and the meeting was opened.

John J. Gordon was chairman and he, in his opening remarks, dwelt at length on the meaning of the beautiful emblem of the nation. The band played at the hotel of the chairman's address. Addressed by the chairman, the address was made by Charles H. Schickel, introduced and he spoke in German. Mr. Lentes address was a brilliant and eloquent effort. He closed his address by stating that the American sailors and soldiers would "Remember the Maine." The band again played and the chairman stated that it was with reluctance he announced that Attorney A. J. Celburn, Jr. was unable to be present and delight the immense gathering with a speech. The meeting dispersed with hearty cheers for the flag. At the conclusion of the exercises an informal banquet was held in the dining room of the hotel. Those who sat about the festive board were: Dr. Koby, James Crogan, Frank MacKey, Charles Huester, John J. Gordon, John Fickus, Leopold J. Peter, Peter Rosar, Sr., Charles Heimerl and John Greenfield. Several impromptu speeches were made.

PICNIC JULY 4. The congregation of the Church of St. John the Evangelist made an excellent choice when they selected Artesian Well Grove for their picnic and celebration on July 4. It is located on one of the highest points in the city, close to Connel's Park, which affords a most beautiful view of the city. The immediate surroundings are delightful and the grove affords many advantages over any other resort in this part of the country.

In perfect harmony with the other pleasant attractions, numerous wild birds abound in this beautiful grove, and many Scrantonians will be surprised to see rabbits, squirrels and other game so plentiful right here within our borders.

Refreshments and various amusements will be provided and those who wish to breathe the mountain air and have a good time will be gratified by spending the Fourth at Artesian Well Grove, which is only a short distance

LIVE NEWS OF WEST SCRANTON

Tommy Reese, of Division Street, the Victim of a Peculiar Accident.

A FISH HOOK CAUGHT IN HIS EAR AND MADE AN UGLY WOUND. NUMBER OF OFFICERS RECENTLY ELECTED WERE INSTALLED. BALL GAME THIS MORNING THAT WILL FURNISH ABUNDANCE OF EXCITEMENT-NEWS NOTES AND PERSONALS.

Tommy Reese, of Division street, was the victim Thursday afternoon of a peculiar accident which was not very serious, but was decidedly painful. He and his brother were wrestling in their yard and Tommy had succeeded in throwing the brother to the ground. The brother held Tommy fast when he wanted to get up, and while Thomas was squirming loose a large fish-hook in the under man's pocket caught in his right ear. It was utterly impossible to get loose.

The more his brother squirmed the more pain was Thomas in. Their cries brought the mother of the lads to the scene. She viewed the situation and the procuring her scissors she cut a piece out of Tom's brother's pocket and Tom was free. The fish-hook and piece of cloth was still attached to his ear.

The mother took the now thoroughly frightened lad to a physician and the hook was removed. It's dollars to doughnuts that the next time Tommy wrestles with his brother that brother's pockets will be empty of fish-hooks and things.

HYMN IN TIME OF WAR. O Lord Almighty, Thou whose hands Repair and victory give; In whom, though tyrants tread their lane, The souls of nations live; Thou wilt not turn Thy face away From those who work Thy will. But send Thy peace on hearts that pray, And guard Thy people still.

Remember, Lord, the years of faith, The spirits humbly brave, The strength that died defying death, The love that loved the slave;

The race that strove to rule Thine earth, With equal laws unbought; Who bore for Truth the wages of birth, And brake the bonds of Thought.

Remember how, since Time began, Thy dark stars in mind Through lives of men that fear not man Is light for all mankind.

Thou wilt not turn Thy face away From those who work Thy will, But send Thy strength on hearts that pray.

For strength to serve Thee still, -Henry Newbolt, in Longman's Magazine.

DAY'S DOINGS OF NORTH SCRANTON

Interesting Flag Raising Exercises at the Home for the Good Shepherd.

NUMBER OF PROMINENT SPEAKERS WERE HEARD-SINGING AND MUSIC BY THE CUMBERLAND BAND WERE FEATURES OF THE PROGRAMME-SPECIAL SERVICES SUNDAY AT THE NORTH MAIN AVENUE BAPTIST CHURCH-PARTY GIVEN BY MISS SMITH.

The most auspicious flag-raising that has occurred in North Scranton for some time past was that of last evening at the Home of the Good Shepherd. The beautiful and spacious grounds that surround the place were thrown open for the celebration and the invitation to participate was most agreeably accepted by throngs of people.

The announcement was short-heralded, the crowd that attended was very large. The exercises commenced with the introduction of Colonel E. H. Ripple by the Rev. P. J. McManus, of St. Paul's church. Colonel Ripple spoke in a patriotic vein that inspired much enthusiasm in the hearts of those present.

Then followed selections by the Cumberland band. A choir of about seventy-five children who reside at the home sang patriotic selections in a way that instilled enthusiasm everywhere. The exercises concluded with the next speaker, Rev. McGinley, who particularly upon the great good of the sisters of mercy had accomplished on the field of battle, their untiring efforts in bringing back the wounded to life. At the conclusion of Mr. McGinley's speech selections were rendered by the band and the children.

Rev. Father MacGoldrick, of the central city, was next introduced and delivered an interesting and instructive address.

A brief season of music was enjoyed between the latter's address and that given by the Rev. P. J. McManus. He cited the trying conditions that the glorious flag had been compelled to undergo, how in every instance it came out victorious and untainted. He spoke of the way the flag was devised by the thirteen colonies and its triumphs since that time. He stated that today we have no north, east, south or west but one great nation. At the conclusion of the address the flag, a handsome one, measuring 18x20 and made by the sisters of the home, was hung to the breeze amidst the cheering of the gathered throng mingled with the strains of the "Star Spangled Banner," played by the band. At the conclusion of the programme the guests repaired to the reception room of the home, where supper was served. The inmates of the home then gave a brief entertainment, reciting and singing in an excellent manner.

CANADIAN CANAL PROJECT. Waterway from the Rockies to the Great Lakes.

A continuous waterway from Lake Superior to the Rocky mountains, in British possessions, is contemplated, according to a St. Paul dispatch. The costliest portion of the work would be between Lake Superior and Rainy Lake, where canals would be required over the height of land to reach Rainy Lake. From the last-mentioned point to Edmonton, on the Saskatchewan river, the work would be comparatively light. Thence there is clear navigation across the Lake of the Woods to the Rousseau river, which flows into the Red river. There would be clear sailing to the Saskatchewan by way of the Red river and Lake Winnipeg.

At the mouth of the Saskatchewan the Grand Rapids would have to be overcome by a canal. Then there would be uninterrupted navigation to Edmonton, 1,900 miles.

The distance in an air-line between Lake Superior and Edmonton is about 1,400 miles. The proposed waterway, following a circuitous route, would be over 300 miles further than that.
