

EVENTS OF DAY IN SOUTH SCRANTON

Large Flag Unfurled by the P. O. S. of A. at Hartman's Hall.

WILLIAM MAUS, JR., WAS CHAIRMAN AND DAVID J. DAVIS THE ORATOR OF THE OCCASION—ODD FELLOWS QUARTETTE SANG "THE STAR SPANGLED BANNER"—ALSO A FLAG RAISING AT SCHNEIDER BROTHERS' STORE—NOTES OF A PERSONAL NATURE.

The sixty-foot flag pole in front of Hartman's hall on Pittston avenue, that for several years has been unadorned, now proudly floats a beautiful American flag.

The chairman and speakers occupied the right balcony at the second floor. William Maus, jr., was chairman, and he in opening the meeting made a pleasing address. The drum corps connected with the camp, played the "Star Spangled Banner." David J. Davis was introduced and delivered an eloquent speech filled with opportune allusions to the present unresolvable progress of the Stars and Stripes.

The Odd Fellows quartette, composed of members of James Connell lodge of Odd Fellows, sang the "Star Spangled Banner." They were heartily cheered. Joseph Jöhler gave an oration. Then the stately banner was freed from the fastenings and a breeze from the south soon had it spread out in all its glory.

A salute to the flag was given by a signal from Company A, Patriotic Guards. The quartette again sang, and Rev. F. P. Doty, pastor of the Cedar avenue Methodist Episcopal church, was introduced. Rev. Mr. Doty spoke on the duties and abuses of American citizenship.

He said that a man who will accept for his vote money or beer is by far a more dangerous enemy to our country than a Spaniard. The exercises closed with the singing of America by the entire gathering. The flag raised yesterday is 12x18 feet.

NUBS OF NEWS. Schneider Bros., the hardware men, set afloat from their warehouse yesterday morning, a flag 10x15 feet. The raising was not marked with any exercises.

The funeral of Mrs. August Remppe will take place this morning from the residence of her sister, Mrs. John Baur, of Hickory street. A mass of requiem will be celebrated at St. Mary's church at 8 o'clock. Interment will be made at St. Mary's cemetery at No. 5.

At the Artesian Well grove a highly successful picnic was conducted by the congregation of the Church of St. Mrs. Lena Ruby, of Neptune court, and John Boullier will be married this morning at St. Mary's church.

From her late residence, the funeral of Mrs. John Schamber will occur today at 2 o'clock. Rev. Mr. Lisse, of

the Evangelical Lutheran church, will officiate at the house.

WORK OF A BLANK CARTRIDGE. Badly Scored the Right Side of Harry Myers' Face.

The right side of Harry Myers' face was badly scorched by the explosion of a blank cartridge from a toy revolver yesterday. Harry lives on Franklin avenue and his age is 10 years.

One of his companions handled the weapon, and thought because it was a blank cartridge, it would do no harm. He placed it close to Harry's face and pulled the trigger. It took Dr. Newbury some little time to remove the powder grains and wash out the salt-petre marks from Harry's face. The sight of the boy's eyes was not injured.

QUICK STRUCK AN AWFUL BLOW. He Badly Sprained His Wrist During an Argument.

Loren B. Quick, a Price street carpenter, called at the Lackawanna hospital at midnight with his right arm in a sling. The swelling around the wrist joint was as large as a small fiece post.

He got into an argument in Yon's saloon on the West Side with some man he never saw before and dealt him a right-hand swing on the jaw. The damage done to the man has not been determined, but it will be two weeks before Quick can work. The wrist joint is severely sprained.

LIVE NEWS OF WEST SCRANTON

Large American Flag Swung to the Breeze at the Hospital.

W. GAYLORD THOMAS WAS CHAIRMAN AND SPEECHES WERE MADE BY HON. H. M. EDWARDS, T. J. JENNINGS AND HON. JOHN R. FARR—MR. GWILYM WILLIAMS BURNED BY EXPLOSION OF FIREWORKS—OTHER EVENTS OF THE DAY—PERSONAL NOTES.

"Old Glory" now waves proudly and protectively over that institution which all West Scrantonians are proud of, the West Side hospital. The beautiful emblem of all that an American should be "broken out" to the breeze yesterday morning, appropriate exercises being observed in connection with the event.

The affair was arranged by Hon. John R. Farr and Dr. M. J. Williams, of the hospital board of directors, but to E. M. and G. W. Clarke, of Clarke Brothers, is due the credit for the happy idea of having a flag raising on the hundred and twenty-second anniversary of our country's declaration of independence. They accordingly prepared pole and flag and had the pole erected, the pole stands midway on the lawn between the street and the building and is 82 feet high. The "Star Spangled Banner" is 12x18 in size.

Near the base of the pole a platform had been erected and gaily decorated with flags and bunting. Upon it were seated those who were to participate and a few invited prominent persons. The hospital building and grounds are at the intersection of Jackson street and Bromley avenue and each of the four directions were people massed, being verily a sea of faces beaming with the spirit of the hour.

Those who found seats upon the platform were: Assistant District Attorney W. Gaylord Thomas, who was chosen chairman; Hon. H. M. Edwards, Messrs. E. M. and George W. Clarke, whose donation prompted the exercises; Hon. John R. Farr, Dr. M. J. Williams, Dr. W. A. Paine, Dr. E. G. Beddoe, Dr. D. Evans, of the hospital association; Rev. James Hughes, Rev. J. P. Moffatt, Rev. Thomas de Gruchy, Clerk of the Courts T. P. Daniels, John Benore, John Fern, E. T. Daniels, Charles O'Leary, esq., John H. Reynolds, Dr. Jenkins, of Albany; School Controller T. J. Jennings, and members of the Lyric quartette.

Dr. M. J. Williams introduced W. Gaylord Thomas, as chairman, and the selection was greeted with applause. Mr. Thomas accepted the duties imposed with a few eloquent remarks. He spoke of the unity of purpose which pervaded the land, the meaning of the day and the spirit of the present occasion. He also expressed the hope that many such affairs would be held in years to come in Cuba, and other places, "America" was sung by the Lyric quartette.

Eon. H. M. Edwards was introduced as speaker of the day, and after the enthusiastic evidences of welcome had subsided, he delivered an inspiring address. He carried his hearers in mental travel to distant landings and in a beautiful manner portrayed events as they were plainly happening there and how fared the "Stars and Stripes." He concluded his deeply inspiring remarks with a thrilling allusion to the apparently entire obliteration of north and south. One flag, the one emblem, one people, one sentiment. United they stood and firmly.

"Down Devey's Way." John Courier Morris' most recent masterpiece production, which has been set to music by Parson Price, of New York city, was rendered by the Lyric quartette, comprising Thomas Beynon, David Stephens, P. H. Warren and John W. Jones. It was cheered to the echo. Proudly still were they that the author was an ex-resident of West Scranton.

School Controller T. J. Jennings then presented the flag to the hospital association in behalf of the donors. Clarke Bros. His remarks were timely and patriotic in sentiment. Following the presentation the flag was "broken out" by Miss Mamie Williams, and as the young streamers by the Lyric quartette, cheers arose followed by the singing of the "Star Spangled Banner." Hon. John R. Farr, in behalf of the association, accepted the beautiful gift and uttered words of unstinted appreciation of the donors.

Clark, who had heretofore exhibited their kindness toward the hospital. Cheers for "Old Glory" and its givers, proposed by E. T. Daniels, and given with a will, concluded the exercises.

VERY QUIET FOURTH. Strange to relate a thorough canvass of West Scranton indicated that this great and glorious Fourth of July just passed into the records of history left no particular scar upon nature, man or beast, though the fun was fast and furious.

During the day only one event of any particular importance so far as an observance of the day is concerned, occurred. The West Side hospital was given a beautiful flag recently by Clarke Bros. and yesterday morning the emblem was unfurled with appropriate exercises. In the afternoon those who could and had not gone to excursions out of town, took cars to Nay Aug, Laurel Hill, or the Athletic Park.

In the evening nearly everyone seemed to stay in West Scranton and came out for a promenade on Main avenue, young and old, particularly the young. The West Side hospital was given a beautiful flag recently by Clarke Bros. and yesterday morning the emblem was unfurled with appropriate exercises. In the afternoon those who could and had not gone to excursions out of town, took cars to Nay Aug, Laurel Hill, or the Athletic Park.

And best of all no fire alarm either general or still occurred in the district. The celebration was tinged with the "Remember the Maine" and what did Dewey do at Manila and Sampson at Santiago. Though the sale of the means to celebrate was less than in other more recent years yet just as much pleasure seems to have been derived. In police circles no arrests for "helplessly drunk, disorderly or fighting" were made up to a late hour.

All in all, few if any "Fourth's" celebrated on this side, have been observed with such a lack of inarring features.

FAREWELL PARTY. Daniel J. Moran, of Meridian street, is another guest of the company boys who has gone to the front to fight his country's battles. Previous to his departure, his parents, Mr. and Mrs. Timothy Moran gave a farewell affair to a party of their son's friends, at their residence. The pleasant and enjoyable hour refreshments were served.

Just previous to the departure of the guests Mrs. Thomas Moran sang the Star Spangled Banner and all joined in the chorus. The guests were: Mr. and Mrs. Thomas Moran, Mr. and Mrs. Needham, Mr. and Mrs. Robert Flynn, Messrs. Joe Flynn, Patrick Flynn, Martin Gerrity, John Maloy, John Sheridan, James Sheridan, John Hennigan, and Martin Kennedy.

LITTLE BOY BURNED. A little ten-year-old boy came into the West Side hospital yesterday afternoon and asked to have his wounds dressed. The little fellow had been playing with some companions and an exploding fire cracker burned his hands and chest.

The burns were not severe but he was afraid to go home until he had been "fixed up." The nurse at the hospital took care of him and he went home.

TWO MINOR ACCIDENTS. Gwilym A. Williams succeeded in breaking the monotony of the general answer of all the physicians on this side to "no accidents" by getting into trouble.

With some friends he was celebrating. Firecrackers, torpedoes and rockets were all fired successfully and without accident. Then pin-wheels were produced. Gwilym met his "Waterloo." The "wheel" he was riding failed to turn and, exploding, severely burned his left hand and fingers.

Dr. J. J. Roberts dressed his burns. Pin-wheels were dispensed with and safer firecrackers enjoyed.

HOSTETTER'S CELEBRATED THE BITTERS EXPELS MALARIA, FEVER AND AGUE and all impurities of the blood.

Good blood tells in the countenance as well as in the system. As regards speed and the equipment of its trains. Tourists will agree that a journey via the Lake Shore is made as pleasant as possible.

TO LIFT THE EARTH. The Power Required and the Steam Necessary to Generate It. The weight of the earth is undoubtedly pretty accurate known, and knowing its weight it is of course an easy matter to know the number of foot-pounds of work that would be required to lift it any specific distance.

J. A. Renie, in Power, gives the figures as follows: "It would require the power of a 10,000 horse-power engine about 70,000,000 pounds to lift the earth one foot in height, and to do this work, allowing thirteen pounds of water per hour per horse-power, it would require about 10,000,000,000,000 gallons of water, or more than would be discharged at the mouth of the Mississippi river in 40,000 years."

WASTEFUL MINING. Methods Employed in Taking It Out and Preparing It Leave Much to Be Desired. "Attention is every now and again called to the fact that there is much avoidable waste in the mining of coal, not in this country alone, but throughout all coal mining centres, both at home and abroad," says the Iron and Coal Trades Review.

PERSONAL MENTION. Miss Edith Tucker, of Ashley, is the guest of Miss Mae Thomas, of Luzerne street. Dr. John Walton, of Florence, N. Y., has returned home after visiting friends here.

Walter Thiston, who is at present employed at the Schuylkill creek, at New York city, is visiting his mother on South Summer avenue. A son was born on Saturday to Mr. and Mrs. David Bradshaw, of Lafayette street.

MINOR NEWS NOTES. All young men who desire to become members of the West Side Military company are requested to be at the armory on Jackson street, this evening, when the company drills. It is expected Major Cameron will be present.

He got it from a yellow, lantern-jawed, slant-eyed Chinese armed with a wash rag and a bucket of suds.
