### SPANISH VERSION OF THE BATTLE

Cervera's Fleet.

MADRID STATEMENTS ARE TO THE EFFECT THAT THE SPANISH AD-MIRAL IS SAILING TOWARDS HA-VANA, AND HOPES ARE EX-PRESSED THAT HE WILL DE-STROY A FEW AMERICAN WAR-SHIPS ALONG THE ROUTE.

(Copyright, 1898, by the Associated Press.) Madrid, July 5 .- (1 p. m.)-Almost in- and committed to prison. describable enthusiasm continues to prevail here over the supposed escape of Admiral Cervera and his squadron from the harbor of Santiago de Cuba. The admiral's name is on every tongue and it is claimed that it was he who saved Santiago de Cuba by "adding to General Linares' handful of soldiers his brave sailors to man the guns ashore and repel the Americans under

Foreign news giving contradictory versions of the sortie have cast a tinge of perplexity and dampness upon the general rejoicing.

### Has Been Unprofitable and New England League Has Collapsed.

Brockton, Mass., July 5.-The New England base ball league, which has had a very unprofitable season to date, collapsed today, when the management of the Brockton and Taunton clubs deided to disband. President Keith, of the Brockton club, was in communication with President Hair, of the Newport association, today, and the latter said that his club would disband after today's game with Pawtucket. The other teams will be obliged to ake similar action or else remain independent, as when reduced to less than four clubs a league does not have national sanction.

# THE MARKETS.

Wall Street Review. New York, July 5 .- In the stock market oday there was a rush, but at the opening the bears who had had the temertriple holiday scrambled to cover. Lon-don also bought quite eagerly. Consequently stock which recently been under bear pressure, rotably People's Gas and Sugar, and the interrationals, showed the sharpest advances. But the fact was equally obvious that quite a number of stocks which have been pushed up in face of the recent lethargy were suffer-ing from profit taking. After the urgent demand from the shorts had been satis-fied the profit taking sales dominated largely (aducing all the earlier advances, and in many cases carrying prices well below Friday's close. The chief sufferers were Brooklyn Transit, Rock Island and Burlington. Sugar also developed marked weakness before the close. It is a measure of the great confidence which has been felt in Admiral Sampson and his fleet that the actual demolition of the Spanish squadron should have been met by selling of stocks as an event that had been theroughly discounted. It is quite possible that the later weakness represented in some degree a dampening of enthusiasm caused by reports that the projected bombardment and reduction of Santiago were to be postponed, sales were 285,400 shares.
