

GARRETSON'S MEN MOVED

Have Started to Reinforce General Shafter at Santiago.

SOME WENT TO CHARLESTON

Others Were Sent by Rail to New York City.

FROM THAT PLACE THE AUXILIARY CRUISER ST. PAUL WILL TRANSPORT THEM TO CUBA—YALE AND HARVARD WILL CARRY THE MEN WHO WENT TO CHARLESTON.

Special from a Staff Correspondent.

Camp Alger, Va., July 5.—The chief interest at Camp Alger today was centered in the departure of the Second brigade under the command of General Garretson, and consisting of the Sixth Massachusetts, Eighth Ohio and Sixth Illinois.

The Yale and Harvard will be used to transport the troops from Charleston. The outgoing soldiers were given a rousing farewell by the men who remained behind.

The Massachusetts was the first regiment to arrive at the Dunn Loring railroad station, and they were compelled to wait there for five hours, owing to the fact that proper facilities had not been made for their transportation.

Camp Alger was struck by a heavy rain storm last night, and the atmosphere today is much more bearable than for the past few days.

An order was received by Major Stunkard in charge of the Second division hospital, notifying him to have the First brigade hospital corps ready to take the road at a moment's notice.

No one at the Second division headquarters seem to know anything about it. It is not believed that they are going on a practice march, as they would have no one to practice on and it would deprive a whole brigade of their services.

MEN ANXIOUS AND EAGER.

Enthusiastic Over the Orders Directing Them to Go to Santiago.

Washington, July 5.—The Second brigade, First division of the Second army corps, broke camp at Camp Alger this afternoon and started on their journey to Santiago to reinforce General Shafter's force. The Second brigade is composed of the Eighth Ohio, Sixth Illinois and Sixth Massachusetts, General Garretson commanding.

The Ohio regiment goes to New York where it will embark on the St. Paul while the Illinois troops go to Charleston, and with the Massachusetts men will be transported upon the Harvard and Yale. All superfluous baggage was left behind and everything that could be spared was discarded, it being the desire to lighten the regiment with all possible haste.

Only six horses were allowed to a regiment, all other animals belonging to the brigade being retained here, whence they will be shipped as soon as possible to Tampa under charge of a commissioned officer and from there they will be sent later to Santiago.

The brigade is in fine condition, and the men left, enthusiastic and eager to reach the seat of war before the end of the Santiago campaign. It is expected to have the troops off Santiago Sunday. When the soldiers left Camp Alger they were given a royal send-off by the men who were left behind. The greatest enthusiasm has prevailed there since the good news was announced yesterday and eagerness to be ordered to the front is everywhere manifest.

GOSSIP OF THE CAMP.

From a Staff Correspondent.

Camp Alger, Va., July 5.—Several fine specimens of the great national game furnished the chief cause of excitement in camp yesterday. In the Thirtieth, Company F's first and second teams played two games, both resulting in favor of the first team. Later on, a team representing the Eighth, Twelfth and Thirtieth Pennsylvania regiments, played with a team from the Sixth Massachusetts, defeating it by a score of 14 to 4.

Major Walter Wood, of the Second battalion, and Quartermaster Cox paid a visit to the capital yesterday. Company C had a grand march last evening. It was led by Lieutenant Murphy and Corporal James Koch. It was a genuine "hot time in the old town."

Private George Phillips, of C, is permanently detailed at the brigade commissary department.

Sergeant Zedler and Corporal Gaines, of B, returned last night from home, where they spent their furlough.

LETTERS FROM THE SOLDIERS

Many Are Forwarded Through Consul Snyder's Generosity.

ALL LETTERS FROM PORT ANTONIO WAY MUST BEAR THE JAMAICA-ENGLISH POSTAGE STAMP, WHICH COSTS 5 CENTS—THE CONSUL HAS ALREADY SPENT MORE THAN HIS SALARY FOR POSTAGE FOR THE SOLDIERS.

(Correspondence of the Associated Press, Copyright, 1898.) Port Antonio, June 29.—The American soldiers in Cuba are having great difficulty in getting their letters through to the United States. Almost daily thousands of letters are brought in here by the government dispatch boats but only for the generosity and patriotism of United States Consul Snyder, at this port, very few of them would get through.

Private Harry Coloney, of B, after a short illness, has been discharged from division hospital. Almost one-half of the members of Company D volunteered yesterday morning to march to the Potomac. They started early and returned to camp at 10 o'clock last night.

Sergeant McCullough, of D, is on guard today at division headquarters.
