LIVE NEWS OF WEST SCRANTON

Death of Mrs. Elizabeth Knapp, at the Advanced Age of Ninety-three.

SHE WAS A MEMBER OF AN OLD AND DISTINGUISHED FAMILY. CASES THAT WERE HEARD BEFORE THE ALDERMAN—FUNERAL OF MRS. JULIET BRYANT FROM HER LATE RESIDENCE—LAWN PARTY GIVEN BY MR. AND MRS. A. CONLIN.

Mrs. Elizabeth Knapp, relict of the late Asa W. Knapp, a resident of West Scranton for the past 20 years and 93 years, 7 months and 9 days of age, died at the residence of her daughter, Mrs. M. W. Decker, 1508 Price street, yesterday afternoon at 3.50 o'clock. Deceased was ill for over three months and succumbed to a complication of ailments which she was unable to withstand owing to her advanced age. She, however, retained all her senses until death.

If a complete history of her life were written it would cover many momentous pages in this country's history. Born in 1805 on the first day of the year she recalled clearly the stirring events of 1812 and the later trials of America. Many of her father's family and near relatives were prominent figures in those days and later as the country grew. Members of the family's descendants now reside near the old homestead at Deposit, N. Y.

Her father, Henry Weaver, was the son of a union that joined a prominent New York Dutch family to a proud Castilian family. Two Spaniards, brothers, came to America, the land of promise, and one of them married a Dutch belle. He was promptly disowned. Mrs. Knapp, however, on Monday last, when noting the victory of the Americans at Santiago said she was glad that so many Spaniards had fallen.

On the Knapp side of the family, the ancestry springs from great Englishmen, who bore arms and are recorded in the Records of Heraldry. Mrs. Knapp owes her years to the fact that the family for generations were long lived. She resided in Susquehanna county and at Dalton, Pa., before coming here and was always in touch with current events. Two brothers nearly as old as she reside in the West. The immediate survivors of her own family are one son, Samuel Henry Knapp, of Milwaukee, Wis., and three daughters, Mrs. Andrew Clark, of Polton, N. J.; Mrs. Stephen Whitbeck, of Fort Dodge, Iowa, and Mrs. M. W. Decker, of this city.

Deceased was a member of the Simpson Methodist church and attended service regularly until her illness intervened. The funeral will be held from the residence tomorrow afternoon at 2.30 o'clock. Interment will be made at the Washburn street cemetery.

ALDERMAN'S COURTS.

John Thomas, of Luzerne street, was held in jail in the sum of \$200 to appear at court, charged with assault and battery. The case was held before Alderman John and the charge was preferred by Thomas Richards, of Twelfth street. The two men have been almost life-long enemies since Tuesday night, or rather Wednesday morning. At that time Richards alleges he was on his way home and met Thomas and some others near Division street, on South Main avenue. He stopped to chat with them, and they began to throw stones at him and determined to have the law decide the trouble.

John J. O'Grady, of Jackson street, was fined \$20 and directed to pay the costs for an alleged misdemeanor on his part. Alderman Davies heard the case Thursday evening. It seems that some time ago cows belonging to Thomas Murphy and Mrs. Bridget McAndrew broke into O'Grady's rear lot and created some damage among some fine grapevines. Shortly afterwards Mr. O'Grady, to kill insects, spread a great quantity of paris green on and about his vines. The cows broke in again and two afterwards died. It is said that Murphy offered to pay for the damage done by the first visit of the animals but O'Grady said no. A remark is credited to O'Grady that the reason he did not collect damages was that his vines were "fixed" for another visit of the animals. Murphy sued for the loss of his cow and O'Grady was fined. His lawyer, C. P. Malley, will appeal from the alderman's decision.

FUNERAL OF MRS. BRYANT.

The funeral of the late Mrs. Juliet Bryant was held yesterday morning from the residence at 110 Academy street, and many friends attended. Rev. J. B. Sweet, pastor of the Simpson Methodist church, officiated and preached a short funeral sermon. A quartette, led by Prof. W. W. Jones from the Simpson Methodist church, sang the selections.

At the conclusion of the services the remains were taken to Portland, Pa., for interment via the 8 o'clock Delaware, Lackawanna and Western train. By funeral home of William Price, of South Main avenue. The pallbearers were: Charles Hill, William Dennis, Peter Rinker and J. P. Randolph.

LOST BOYS ARE FOUND.

Louis and August, 7 and 4 years of age respectively, the two sons of Mr. and Mrs. Louis Breiswitz, of 360 North Garfield avenue, who were lost yesterday on East Mountain, near Marshwood, are found. They were returned to their homes by some people who reside in Green Ridge and happened to be picking berries near the spot where the lads wandered to.

They had traveled about a mile and came out of the woods near No. 11 reservoir. There they waited and cried. The friends who brought them home were driving back toward Dunmore at the time. They brought the weeping lads along with them last night, the one to the care of some neighbors until Mr. and Mrs. Breiswitz returned, which they did at an early hour yesterday morning, after a fruitless search. The lads are none the worse for their experience.

BOY'S LEG FRACTURED.

Adelbert, the 9-year-old son of Mr. and Mrs. William Roberts, of North Hughes court, narrowly escaped being killed on Lafayette street yesterday afternoon. The boy, with some companions, were "hitching on" behind a wagon. A heavy dray wagon came along and hit the boys, and they fell, but young Roberts slipped in some manner and his leg caught in the wheel.

He was dragged from the wagon and his leg, the left, was badly fractured.

tured below the knee. His head was cut and his arms and shoulders badly bruised. Some men standing nearby picked up the lad and removed him to his parents' residence. Drs. Hall and Keage were summoned and made the injured lad as comfortable as possible. The shock is severe and it can not be positively stated as yet whether internal injuries exist.

A peculiar incident happened in conjunction with the accident. A miner, Homer Jones, of North Filmore avenue, was going up the street on his way home from work when the boy cried out in pain. Mr. Jones, whether overcome with heat or the sight, promptly fainted. Patrolman, Kliah Peters, who was hurrying to the assistance of the boy, caught Jones just as he fell. Stimulants were given him and shortly afterwards he was able to go on home.

LIPS AND CHIN CUT.

Patrick May, a driver boy at the Hyde Park mine, was painfully injured Wednesday afternoon by having his lips torn. May drives the mule on the culm dump, and having finished his work was on his way to the stable with the mule when he was struck by the barn. May attempted to dismount but his clothes caught and the mule becoming startled dashed into the barn toward his stall.

May's face was dashed against the iron bars and his chin and chin cut. The mule was stopped and May helped from the tangle. He soon afterwards went home, where he was afforded relief by Dr. H. C. Conneys. The injured lad is 17 years old and resides on Jackson street.

HIT WITH A STONE.

Harry Gallagher, of Twenty-second street, was injured yesterday afternoon by jumping on a wagon. It was an ice wagon and the lad claims he had only mounted the step on the rear of such wagon when he was struck by the driver's stone at him.

The missile struck the boy on the forehead, inflicting an ugly wound. If the driver can be located legal steps may be taken by the boy's parents to punish the fellow.

MINER INJURED.

David Williams, a miner employed at the Marvin mines, was very painfully injured yesterday just before noon by being partially caught in a heavy iron door. The injured man was squeezed about the hips and legs, and crushed about the back.

He was extricated from his perilous position and removed to his home at 323 North Bromley avenue. Dr. G. B. Reynolds was summoned and medical aid was given the injured man.
