COOK BOOK READY.

Valuable Volume Prepared by Young Lady Workers of M. E. Church.

The printing of the cook book compiled by the Young Lady Workers of the Methodist church has been com-pleted by C. R. Murn and is now undergoing the binding process at Froat the latter place. fessor A. P. Thomas' establishment. About 200 copies of the edition of 1,000 have been delivered.

The book is a neat little volume of 140 pages, five and one-half by eight inches. It is prettily and substantially bound in green oil cloth, which will prove quite as important a factor in the durability as in the appearance It is printed on fine paper and typographically is highly pleasing to the society.

The volume contains about thirtyfive pages of advertising and nearly 700 "tried and tested" recipes contrib- passed peacefully away with her famuted and signed by the well-known ladies of the city. First Great Semi-**Annual Clearing Sale**

MORE THAN GENEROUS HAS BEEN THE RESPONSE of the two hundred thousand people who trade in Scranton, to our announcements of this great sale. We have been overwhelmed with a horde of busy buyers. We added new salespeople-and are adding more-still we are overwhelmed. Our public must be cared for-promptly and properly.

Meanwhile, growing stronger and stronger, is the truth-inspiring confidence between Trade and Store. Nothing must be misrepresented here. Honest statements concerning goods. Honest facts concerning values. We do not spend hundreds of dollars each week in advertising to practice deception—for you'd soon grow to learn the truth. We are filling this massive store this week—every day—with pleased people. Pleased, because the bargains we

offer are as we represent them. Pleased, because as such they are greater than the city of Scranton has ever known before. It is the one grand summer triumph of our vast buying resources and extensive purchasing power. The opportunity is yet yours. Take advantage of it. What one dollar would have bought a week ago, fifty cents

will buy today. What one dollar will buy in any other store today, fifty cents will buy here. Come. This "Shopping Klondike" won't last many days, at the most.

OLYPHANT.

The installation of Rev. George Hague as pastor of the Susquehanna Street Baptist church yesterday was attended by large audiences. In the afternoon the service opened with a chorus by the choir, followed by a reading and prayer by Rev. D. J. Williams, of Peckville. After another chorus rendered by the choir, Rev. D. J. Williams was chosen chairman of the afternoon meeting and addressed the audience in English. Addresses were also made by Rev. George Hague and Benjamin Lewis, followed by a chorus. Rev. Peter Roberts, pastor of the Congregational church, offered a prayer. Rev. Mr. Davis, of Providence, then delivered an address in Welsh and a chorus in Welsh was sung by the choir. Addresses were then made by Rev. John Hague, of Plymouth: W. H. Priest, Rev. B. F. Hammond, pastor of the Presbyterian church, and Rev. Peter Roberts, followed by singing. The benediction was

strength are not already exhausted by violent muscular exertion, If, however, the circulation is impeded or the neryous strength exhausted, cerebral congestion, heart failure or nervous spasm is liable to seize even the expert and

render him as powerless as a baby in the mighty arms of the ocean's waves. The nervous strength is exhausted almost as much by exposure to cold as by muscular exercise. To remain in the water until one is chilled throughblue, trembling and chattering-is to invite cramp. It is a signal that the blood from the surface has retreated to the central citadels, and that the blood strain on these is at the danger mark. Such exercise is not a benefit to the health, but a distinct harm. A sand bath for all who suffer thus is far more strengthening. One should never bathe just after cating-that is an old

rule supposed to be known in every well-regulated household, but hundreds seem to forget it at the seashore. The advice to all is moderation in swimming at the seaside resorts."

Death Sometime Spares. A pathetic story of fact is told by an ex-Confederate soldier

of one dark night on the skirmish line during the war. When on the skirmish line this musket was aimed to kill a Union pick-et the latter, suddenly inspired with a sense of his own defenceless condition, began to sing those beautiful words: "Cover my defenceless head with the shadow of thy wing." The Confederate withheld his hand. He could not fire. The picket's life was saved.

life was saved. Death sometimes spares the one who seems marked to be his victim. Let no one despair, even in the darkest hour. Many a man who seemed picked out for death by consumption has found respite and safety through the use of that wonder-ful " Golden Medical Discovery," which Dr. R. V. Pierce, of Buffalo, N. Y., invented thirty years ago, and which has brought new life and hope to almost countless thousands of men and women. pronounced by Rev. B. F. Hammond. At the evening service, after singing a hymn and prayer, Rev. W. D.

Every day brings a multitude of letters to Dr. Pierce, telling gratefully what his medicines and his advice have done to restore health and happiness to homes the bibliotic sickness and mission had Thomas, of Pittston, delivered the charge to the pastor. Mr. Thomas gave a valuable and most entertaining address. Rev. W. F. Davis, of Provi-dence, then delivered the charge to the where hitherto sickness and misery had reigned supreme. congregation. reigned supreme. A gentleman living in Stillwater, Washington County, Minnesota, Mr. C. J. McNaney, writes : "In the spring of 1884, I was taken ill with consumption, and after trying everything I could hear of and doctoring all summer my physician said I had cousimption, and that my left lung was nearly gone, and that I could live but a short time. About twelve bottles of Dr. Pierce's Golden Medical Discovery brought me out all right, and I cured myself of two more attacks of the same trouble. I am satisfied that the 'Golden Medical Discovery' will cure con-sumption if taken in time. I consider it the best medicine in the world for the diseases for which it is recommended."
