SOCIALISTIC LABOR CANDIDATES NAMED

Held a Convention Last Night in A. O. U. W. Hall on Lackawanna Avenue.

JOHN BURSHELL, OF WEST SCRANTON, NAMED FOR CONGRESS, DR. JOHN SZLUPAS FOR CORONER, JOHN KIRN FOR SURVEYOR, JAS. T. EVERETT FOR SENATOR AND AUGUST C. HOUCK FOR LEGISLATURE IN THE SECOND DISTRICT. RESOLUTIONS ADOPTED.

Men representing the county organization of the Socialistic Labor party of Lackawanna county met in convention last evening at the Ancient Order United Workmen hall, on Lackawanna avenue, at the call of the executive committee. The purpose of the convention was to select nominees for a county ticket; a nominee for the Eleventh Senatorial district, and a nominee for the Second Legislative district.

The platform of the party adopted at the national convention, held in New York city, July 9, 1896, was reaffirmed and a resolutions setting forth the intentions of the party in this county were presented and adopted. Dr. John Szlupas, in convention assembled, was chosen chairman and J. H. Gray secretary of the temporary organization, and later made permanent. The ticket selected comprised John Burschell, of West Scranton, for congress; Dr. John Szlupas, for coroner, and John Kirn, for surveyor.

Power was delegated the county committee to fill any vacancy which might occur, all candidates being instructed to tender their undated resignations according to the constitution of the party. The resolutions presented by the committee, comprising John Burschell, James F. Everett and John Burschell, were read and adopted. They are as follows:

THE RESOLUTIONS.

We, the committee on resolutions, present the following for your consideration: We, the Socialistic Labor party, of Lackawanna county, in convention assembled, finding the old time parties inadequate to better the conditions of the laboring classes by partial reforms and their sense of justice and equity. Therefore, we, the workers, have determined to separate ourselves and take independent political action for our own betterment and in the end, our political emancipation under the banner of the Socialistic Labor party of America. Therefore, be it resolved: That we endorse the national and state platforms of the Socialistic Labor party, and

Whereas, that while the means of producing and distributing wealth are in the possession of private capitalists, the conditions of the wage working masses will not be improved, but their condition continually grow worse, and

Whereas, laws that have been passed in the supposed interest of the working classes, the company stores, the semi-monthly pay bill, mine ventilation bill, employment of children under age bill, compulsory education bill, and others of their kind are practically null and void, and

Whereas, the taxation is iniquitous, inasmuch as the corporations are exempted from the payment of taxes, while the tax is extorted from the laboring class, and

Whereas, while in the west the people freeze for want of coal and are forced to burn their grain for want of fuel, the people in the east are dying of starvation for want of grain, and the means to get it, and

Whereas, we send our armies to free the down-trodden Cuban from the thrall of the capitalist and imperialist, and send our militia to shoot our citizen miners, who ask for the means of sustenance for themselves and families, were done at Latimer, therefore, be it

Resolved, That the producing classes take hold of the political power and no longer delegate our political rights in the hands of the capitalist class or their representatives, but seek and work out our own emancipation under the banner and principles of the Socialistic Labor party of America, and

Therefore we appeal to all intelligent and far-sighted persons to examine and sustain the principles of the platform herein presented for the welfare of themselves, their families, and the nation.

OTHE CANDIDATES NAMED.

The county convention was then adjourned and those present re-convened to select a nominee for the senatorial ticket. John Babitch, of Duryea, presided and Mr. Gray continued to act as secretary. James T. Everett will stand as their nominee for senator.

An adjournment and re-convening took place and a nominee was chosen for the legislature. Dr. Szlupas and J. H. Gray acted as presiding officer and secretary, respectively. August C. Houck became the nominee. Final adjournment was made. The platform of the National Socialists Labor party is as follows:

The Socialistic Labor party of the United States, in convention assembled, reasserts the inalienable rights of all men to life, liberty and the pursuit of happiness. With the founders of the American republic we hold that the purpose of government is to secure every citizen in the enjoyment of his right; but in the light of our social conditions we hold, furthermore, that no such right can be exercised under a system of economic inequality, essentially destructive of life, of liberty and of happiness. With the founders of this republic we hold that the machinery of government must be owned and controlled by the whole people; but in the light of our industrial development we hold, furthermore, that the true theory of economics is that the machinery of production must likewise belong to the people common. To the obvious fact that our despotic system of economics is the direct opposite of our democratic system of politics, can plainly be traced the existence of a privileged class, the corruption of government by that class, the alienation of public property, public franchises and public functions to that class, and the abject dependence of the mightiest of nations upon that class. Again, through the perversion of democracy to the ends of plutocracy, labor is robbed of the wealth which it alone produces, is denied the means of self-support, and is reduced to a state of wage slavery, is even deprived of the necessities of life. Human power and natural forces are thus wasted, that the plutocracy may gorge and miser, with all their crimes, that the people may be kept in bondage. Science and invention are diverted from their humane purpose to the enslavement of women and children. Against such a system the Socialist Labor party once more enters its protest. Once more it reiterates its fundamental declaration that private property in the natural sources of production and in the instruments of labor is the obvious cause of all economic servitude and political dependence. The time is fast coming when, in the natural course of social evolution, this system, through the destructive action of its failures and crises on the one hand, and the constructive tendencies of its trusts and other capitalist combinations on the other hand, shall have worked out its own downfall.

WE, THEREFORE, CALL UPON THE WAGE WORKERS OF THE UNITED STATES, AND UPON ALL OTHER HONEST AND PROGRESSIVE MEN, TO ORGANIZE UNDER THE BANNER OF THE SOCIALISTIC LABOR PARTY INTO A CLASS-CONSCIOUS BODY, AWARE OF ITS RIGHTS AND DETERMINED TO CONQUER THEM BY TAKING POSSESSION OF THE PUBLIC POWERS; SO THAT, HELD TOGETHER BY AN INDIVISIBLE SPIRIT OF SOLIDARITY UNDER THE NEW TRYING CONDITIONS OF THE PRESENT CLASS STRUGGLE, WE MAY PUT AN END TO THAT BARBAROUS STRUGGLE BY THE ABOLITION OF CLASSES, THE RESTORATION OF THE LAND AND OF ALL THE MEANS OF PRODUCTION, TO THE PEOPLE AND THE DISTRIBUTION OF THE PEOPLE AS A COLLECTIVE BODY, AND THE SUBSTITUTION OF THE CO-OPERATIVE COMMONWEALTH FOR THE PRESENT CAPITALISTIC SYSTEM; INDUSTRIAL WAGE AND SOCIAL DISORDER; A COMMONWEALTH IN WHICH EVERY WORKER SHALL HAVE THE FREE EXERCISE AND FULL BENEFIT OF HIS FACULTIES AND OF ALL THE MODERN FACTORS OF CIVILIZATION.

THOMAS MONAHAN KILLED.

Run Down by an Engine on the Erie and Wyoming Valley Road.

Thomas Monahan, of Dunmore, met with a tragic death by being struck by an engine in the Erie and Wyoming Valley yard at Dunmore at an early hour yesterday morning. He was thrown beneath the engine and both legs were severed. He was given immediate medical aid, but later removed to the Lackawanna hospital, where he died at 8:15 o'clock.

Mr. Monahan, the past ten years, was night watchman at West Junction on the main line of the Erie and Wyoming Valley railroad and was home ward bound at the time of the accident which resulted fatally to him. He was walking through the yard when the engine, in charge of Engineer Stewart, backed down upon him. He was not seen until so near that it was impossible to stop the engine, though Stewart signalled and reversed instantly. Mr. Monahan was one of the oldest employes of the road and was trusted and respected. He was seventy-two years of age and a prominent member of the Catholic Men's Beneficial association. Five children survive him. They are Mrs. William Brundage, Mrs. Patrick Barrett, Mrs. Edward Gill and Michael and Patrick Monahan.

STILL WE GROW.

Population of Scranton Is Estimated to Be Over One Hundred and Twenty Thousand.

Taylor's Scranton directory for 1898, which is being distributed, indicates that the population of Scranton is over 120,000.

The directory of Scranton and Dunmore contains 45,121 names, as against 40,232 in 1897. Multiplying the number of names by three, the figure used in the most conservative directory men in figuring population, a total of 135,363 is obtained. Of this number it is estimated that 11,222 reside in Dunmore, leaving 124,141 as the population of Scranton.

The directory is one of the most correct and comprehensive ever issued in this city, and contains fifty-five more pages than the directory of 1897. It is being distributed about a month earlier than the directory of last year. This valuable book was compiled and issued under the supervision of J. James Taylor, who has few superiors in the directory business.

UNIFORM SYSTEM OF BANKRUPTCY

An Act to Establish It Passed Congress and Went into Effect July 1.

IT PROVIDES FOR THE CREATION OF TWO OFFICES, A REFEREE AND TRUSTEE—UNDER THE PROVISIONS OF THE ACT LACKAWANNA COUNTY WILL HAVE A REFEREE. THE APPOINTING POWER IS JUDGE BUFFINGTON, OF THE UNITED STATES DISTRICT COURT.

Under an act to establish a uniform system of bankruptcy throughout the United States, the provisions of which went into effect on July 1, there are two fat offices for Lackawanna county. A person shall be deemed insolvent within the provisions of this act whenever the aggregate of his property, exclusive of any property which he may have conveyed, transferred, concealed or removed, with intent to defraud, hinder or delay his creditors, shall not, at a fair valuation be sufficient in amount to pay his debts.

The courts of bankruptcy shall be the district courts of the United States, the supreme court of the District of Columbia, the district courts of the several territories, the United States court in the Indian territories and in the District of Alaska.

These courts shall, within territorial limits of which they have jurisdiction, appoint referees, each for a term of two years, and designate the limits of the districts of such referees, so that each county may constitute at least one district. The qualifications to be a referee require a man to be a lawyer, and he must not hold any office of justice or emolument under the laws of the United States or of any state other than commissioner of deeds, justices of peace, masters in chancery or notaries public. He must not be related by consanguinity or affinity, within the third degree as determined by the common law, to any judge of the courts of bankruptcy or circuit courts of the United States, or of the judges of the appellate courts of the district wherein they may be appointed. The same oath is prescribed as that for judges of United States courts.

The other office is that of trustee, but no one person can be designated, because the creditors of the bankrupt estate, shall after the first meeting they hold, appoint one or three trustees of the estate.

Proceedings commenced under state insolvency laws before the passage of this act shall not be affected by it.

PATCHING THE ASPHALT PAVEMENTS.

City Officials Decide to Use Concrete for the Purpose.

Mayor James G. Bailey, Street Commissioner P. A. O'Boyle and City Engineer J. P. Phillips had a conference yesterday with a view to devising some plan for filling up the numerous ruts in the asphalt pavement of the city. It was decided that sufficient money is not available to repair the streets with asphalt and as a substitute concrete will be used if tests that are to be made prove at all satisfactory. Monday night Street Commissioner O'Boyle will fill some of the holes on Linden street between Penn and Millin avenues with concrete and give it ample time to set and dry.

DEATH OF MISS MARIA M'DONOUGH.

Was the Oldest Daughter of Martin McDonough, of Minooka.

Miss Maria McDonough, oldest daughter of Martin McDonough, Minooka's well known business man, died at 8 o'clock last evening, and the news was a shock to a wide circle of friends of the family. Though not in rugged health, yet she appeared to have a long lease of life. She was naturally of refined and sensitive characteristics. A few weeks ago she went to Delaware Water Gap, not so much for her health as a vacation. Yesterday she was overcome with an attack of hemorrhages, and was brought home hurriedly. She arrived at noon and was driven to Minooka in a cab. Her condition did not appear so serious until toward evening.

Miss McDonough was about 23 years old. She is survived by her father and mother, her brothers, Martin H., of Minooka; Thomas F., of Montana, and her sisters Laura and Annie, the latter a novice in the convent at Carbonade. The funeral arrangements are not completed.

AGLI UNDER ARREST.

He is Charged with Allowing a Prisoner to Escape from Him.

Special Officer Frank Agli was behind the bars in Center street police station last night. He will go to the county jail today unless a bondsman comes to his relief. Alderman Milllet committed him and the alderman is the prosecutor in the case. The charge is for permitting a prisoner to escape. Frank Spangenberg, of the South Side, swore out a warrant Thursday for Pasquale Monicello for perjury. The latter went before Alderman Milllet, of the Sixth ward, a week ago and swore that Spangenberg's wife robbed him of \$10. Spangenberg accuses him of perjury on that statement and that was what the warrant was for.

The warrant was put in the hands of Agli. He arrested Monicello. The defendant could not furnish bail in the sum of \$200, but he said he could furnish that amount in cash if he were permitted to have time until banking hours yesterday. The alderman could not accept such a plea, and had to make out the papers to send him up. It was 8 o'clock Thursday evening when Agli left the office to bring his man to jail. A few minutes after that Alderman Milllet on his way to the postoffice saw officer and prisoner going into the Brunswick. On his way back from the postoffice the alderman again met the pair. This time they were at the corner of Washington avenue and Spruce street and they were endeavoring with energy to find the bottom of a bag of peanuts.

A Bellevue car was the first along. This they boarded. Agli tried to explain to the alderman that he went to the South Washington avenue flats to see if a bondsman could not be secured, and that they went into a saloon kept by a friend of the prisoner. There was a crowd in there jostling around. The prisoner got separated from him, bolted for a doorway leading to the cellar and escaped. This story did not excuse his conduct.

Agli is the man who achieved more or less fame in wriggling a confession from Leonardo Rosa, who murdered Vito Larusso in Dunmore on February 26, 1895. Agli is an Austrian but he can speak Italian and other languages. He was put in the same cell with Rosa, and by gaining his confidence secured information that led to the discovery of the revolver, and assisted the commonwealth in other ways. Rosa was found guilty of murder of the first degree, but a new trial was granted to him mainly through some statements made by Agli under oath, after the man was convicted, which varied considerably from the testimony he gave at the trial, and when Rosa was called for trial the second time he entered a plea of guilty. The court fixed the grade at second degree and sentenced
