MEMBERS ARE UNABLE TO AGREE UPON A VERDICT.

After Fruitless Efforts Since Friday the Jurymen Are Allowed to Go Home-At Each Ballot the Panel Stood 7 to 5 for Acquittal.

Wilmington, Del.,July 25 -- After having been locked up since last Friday at 12.45, the jury in the case of Senator Richard R. Kenney, who is charged with aiding and abetting in the loot-ing of the First National bank of Dover, tonight was still unable to agree upon a verdict and were discharged by Judge Bradford from further consideration of the case. The decision of the court to discharge the jurors was arrived at after the jury had twice notified Judge Bradford that they were unable to agree. The first time was on Saturday afternoon, when a note was sent to Judge Bradford so notifying him. The jury filed into court and were addressed by the judge, who urged them to give the case further deliberation and try to reach a decision. Since then the jury has been endeavoring to come to some conclusion. Tonight about 8 o'clock the jury notified Judge Bradford that they could not agree on the verdict. District Attorney Vandegrift, Senator Kenney and his counsel. Senator Gray and Levi C. Bird, were present when the jury came into the court room. The news that the jury had failed to agree spread rapidly and a large crowd assembled to watch the proceedings. The court asked the jurors if they had been unable to agree and being answered in the affirmative, he addressed counsel and asked them whether they objected to the discharge of the jury. There being no objections, the jury was accordingly relieved from further consideration of the case.

THE VOTE.

It is said that since the case went to the jury that about twenty-five ballots were taken and in nearly every instance the vote stood 7 to 5 for acquittal. Immediately after the fact that there had been a disagreement became known there was considerable discussion as to what course will be followed by the government with relation to another trial. District Attorney Vandegrift said that he could not say when Senator Kenney would be placed on trial again, but was under the impression that the government would endeavor to have it arranged to take place in September.

The trial of Senator Kenney began in the United States district court two weeks ago today and aside from the nature of the charge against him, occupied considerable attention because of the defendant's high position as the junior United States senator from Delaware. Much testimony was taken during the trial and the principal witness against Senator Kenney was William N. Boggs, former teller of the liam N. Boggs, former teller of the bank, who pleaded guilty to default-ing in the sum of \$107,000. The bill of terest was formed. The marking up of Indictment under which Senator Kenney stood trial named specifically twenty-five counts on which the grand jury had found a true bill. All but six of these were disposed of by demurrer or nolle prosequi. These six aggregated about \$3,500, which amount the senator was charged with aiding and abetting Boggs in taking from the bank.

The weather at this popular resort is all that can be desired. A nice breeze constantly sweeps o'er the lake, much to the delight of the owners of the many sailboats here.

One of the largest parties given here this season occurred at "Camp Alger" cottage Friday evening. The young ladies of this cottage, who, since their arrival here, have earned the reputation of the best entertainers on the lake, simply outdid themselves. The most entertaining as well as humorous event of the evening was a meck marriage ceremony, which was made to resemble the "real thing" in every detail. Benton McLain, of Scranton, and Miss Gene Ellis, of Meshoppen, were the contracting parties. Professor Arthur Morse entertained on his mando-

lin and quitar, assisted by Miss Grace Acker on the piano. Dainty refreshments were served during the evening. The following were present:-Mr. and Mrs. A. M.
