AN AWFUL POSSIBILITY. After fruitless missionary work in many of the nearby towns two Mormon elders have returned to "the land of their fathers," and according to newspaper reports are meeting with good Success. Susquehanna is now headquarters for the two apostles of the cratic ticket of their selection as the Latter Day Saints. Here it was that party's candidates was announced this Joseph Smith was "called of God to call men to repentance," and the first McQuiston, of the Altoona convention-and wood steps. Whitney writes so el-oquently against the Mormon olders oquently against the Mormon elders names of all who will be present at the that we infer he wishes to get rid of gathering at Bedford on August 17. the "pesky" fellows before he fails a when the notification proceedings ocvictim to their seductive wiles. The scheme to consolidate the Susquehanna and Lanesboro Cornet bands has gone glimmering. The funeral of Mrs. Mary Reilly, an aged resident of Forest street, was

On Thursday evening the barn of Charles Belcher, in North Jackson, was struck by lightning and destroyed by fire. Forest City yearns for manufacturing establishments. The Susquehanna shirt factory is for sale,

IT WASN'T A COON.

Farmer Bradley, of Melrose, a few mornings since went out upon the hills for a coon hunt. Near noon the dog started something and, after running it for a short distance, treed his game in a tall ash. The hunter walked about the tree several times without discovering the animal, which he supposed

Wall Street Review. New York, Aug. 9.—The belief was gen-eral today that Spain's reply to the United States proposals were of such a character that it might endanger the whole negotiations for peace by its failare to return straightforward answers to

the questions at issue. This belief was effective in depressing securities. The list of names announced by Chairman McQuiston has notably absent from it the names of the leading factionists of the party in the state. These omissions will, however, probably be rectified by sending invitations to be present to such as are not honored officially. It is recognized to b impossible to satisfy everybody with a place on the committee, hence the resort to extra invitations. As already noted the committee will meet at Bedford Springs on August 17.

MOVING TROOPS

Soldiers at Jacksonville and Other Southern Points Will Come North. Washinton, Aug. 9.-A large move-

nent of troops northward is probable. It is the purpose of the war department, now that General Wade's Porto Rico expedition has been abandoned, to move the troops at Jacksonville Chickamauga and Newport News, and

perhaps those at Manassas.Va., further north. Practice marches will be resorted to in a considerable degree in order to improve the health of the troops.

All the soldiers at the points named will not be moved, but a large part of them will receive orders.
