BOARD OF TRADE IS ON A RE-ORM CAMPAIGN.

Fire Protection, a Prescribed Fire Limit, a Park Site, Cleaning bstructions from Nealis' Court nd a Railroad to Bald Mount Are Some of the Things in View-Reception for Walter Williams, of England-Night Blooming Cereus at the Hospital

Little was done in the way of business at last evening's regular month-ly meeting of the West Scranton board of trade, but that little indicates good results. In fact positive results can be looked for. The present state of affairs concerning the fire protection for this side, the planning for an arrangement of a fire limit here, and steps to wards securing an option on property for a park site, were among the most important matters under consideration. The session was well attended and was called to order by Dr. P. F. Struppler, vice president, in the absence of President A. B Holmes.

Concerning the fire protection matter, Secretary Oliver called the board's attention to the item which appeared in these columns of yesterday's issue of The Tribune. "The facts therein stated," said he, in substance, "are too true and circumstances demand that the property owners be taken care of, As stated in that article we will soon be without adequate fire fighting facitties. We will only have about 500 feet of hose a broken down steamer and a chemical engine." Mr. Oliver spoke in his usual vigorous and terse manner and every one felt that his words expressed the situation.

So fully were Mr. Oliver's views met, that upon his motion a special committee was appointed to look into the affair and report at the next meeting. That committee composes Joseph Oliver, C. E. Daniels, J. T. Reese, Thos. O'Boyle and Simon Thomas. Messrs. Oliver, O'Boyle and Thomas are councilmen, the latter being chairman of the select council fire department committee. Their road is clear and wide. Another hose wagon, five hundred feet of hose, a permanent man and another horse are needed immediately. The Columbia quarters are especially constructed for just such an arrangement.

The feasibility of a fire limit in which certain kinds of combustible structures cannot be erected was considered. Upon motion of C. E. Daniels the secretary was instructed to have the matter placed before the council fire department committees, with the request that a fire limit be fixed by ordnance.

Upon motion of J. T. Reese, the com mittee on parks was directed to secure options upon the vacant property on North Main avenue, between Wymbs' court and Price street. This action has a park site in view and the committee were requested to have a report ready by the next meeting.

In reference to the matter of restraining the erection of buildings in Nealis court by Ferdinando Arigoni, which would block passage through that thoroughfare, satisfactory progress was re ported by the special committee of the board which has the matter in hand-The board's special committee anent

NIGHT BLOOMING CEREUS. Miss Smith, the genial matron at the West Side hospital, is the proud possessor of a night blooming cereus. It is a small one of the variety of this peculiar, but beautiful plant. Last evening four blossoms began to open and spread their fragrance about. The plant stands upon the lawn of the hospital and the flowers were admired by many who passed up and down Jackgon street.

There are many other beautiful flowering plants in the hospital which, under Miss Smith's care, lend their fragrance and beauty toward cheering the fedious hours of the patients.

From the family residence, on Pros pect avenue, the funeral of the late Charles Schmidt took place yesterday afternoon at 3 o'clock. The respect and admiration entertained by the friends and acquaintances of the de ceased were attested by the vast concourse in attendance. The casket was almost enveloped with floral pieces and bouquets of cut flowers. Long before the hour appointed for the funeral the home was thronged by friends who came to take a farewell look on the features of the exemplary young man. Rev. William Bubeck, of the German Methodist Episcopal church, of Prospete avenue, pastor and friend of the deceased, and Rev. Mr. Schmidt, of the Church of Peace, officiated at the services, which were conducted at the house. Rev. Bubeck pronounced touching eulogy. IN ALDERMAN RUDDY'S COURT. Walter Kirpicki and Martin Charnetzwki were arrested yesterday by Special Officer James Ruane on warrants charging them with forgery and obtaining money under false pretenses. The information for the arrests was given by Bolasuas Weinzshawski, who appeared as prosecutor in Alderman Donovan's court Monday night in the case in which Frank Gratcheutcys was charged with having received money with the intent to defraud the estate of Joseph Sobeski. At the hearing in Alderman Donovan's court the defendant produced an order that he said was signed by Sobeski, authorizing him to pay all his just bills and collect his pay at the Dickson works. It is alleged by the prosecutor that the order was a forged one, and that the defendants went to the Dickson works office with the order and upon the strength of it drew what pay was due to the dead man. Alderman Ruddy held the men in \$800 bail each, which

was furnished. Richard Walsh, the 75-year-old Lothario, of Cherry street, had a warrant issued for his 33-year-old wife, Mary, last night, charging her with assault and battery and highway robbery. However, Walsh in his information given to the alderman stated that last night, when en route to his boarding house, he was met by his wife, who demanded money from him. He refused her and she knocked him to the ground, beat him, and took from his pockets \$8. An effort was made last night to locate Mrs. Walsh, but she could not be found.

A warrant was issued yesterday for the arrest of James Kennedy, on the charge of larceny. Michael Gurcio, a shoemaker, charges him with stealing a pair of shoes from his shop.
