## Great August Sale

The second week of our August Sale is about over and the increase of sales over that of last week is surprising. People seem to know that our sales are genuine and that what we advertise as bargains are bargains in actual fact and not on paper only.

The reduction in price on all regular or staple goods is about 25 per cent. throughout the whole of our stock, while the odd lots and other shoes we wish to close out entirely are sold off tables at prices so low that it has become merely a question of finding the size. We are constantly loading up these tables and a look around the store would convince you that our August Sale is a great moneysaving opportunity.

Ladies' Shoes, worth \$1.75 and \$2.00 a pair. August Sale Price, \$1.15 and \$1.25.

Men's Shoes, odd lots, \$4.00 and \$5.00 goods. Price now \$2.00 a pair. Misses' \$2.00 Russet Shoes, the best make we

know of, on tables at 95c a pair. We merely mention these prices to give an idea of the cut we are making on goods we wish to close out. They are at best a poor illustration of the many good things to be seen in every department.

Don't miss our AUGUST SALE.
