

LAST DRESS PARADE IN "OLE VIRGINY"

THIRTEENTH RECEIVES ORDERS TO MOVE TODAY.

By This Afternoon It Is Expected They Will Be on the Way to Middletown—Sick Are Being Taken Away from the Camp Hospitals with All Despatch—Two Members of the Thirteenth Arrested for Illegal Liquor Selling—Corporal Myers Injured.

Special to the Scranton Tribune.

Camp Alger, Dunn Loring, Va., Aug. 30.—There is great rejoicing in the camp of the Thirteenth tonight. At dress parade Colonel Cousins in addressing the officers said: "Gentlemen, this is the last ceremony of this nature we are likely ever to have in the old dominion."

The order to move tomorrow has been received, and in the afternoon the Thirteenth will be heading for Middletown. The Sixty-fifth New York could not get away, and hence the Thirteenth will move a day sooner than it was expected it would. The boys are jubilant and cheer after cheer.

The Third Virginia expects to be sent to Richmond some time this week or the early part of next, where the men will be mustered out. After them the First Connecticut may be sent back to its own state to be discharged. It is expected also that the Seventh Ohio will soon go home. The fate of the other regiments here is not known. If they do not receive an order telling them to go to the place in their own states, where they were mustered in, they will in due time proceed to Camp Meade.

With the removal of one hundred and eight patients of the Sixty-fifth New York to Buffalo last evening, the Division hospital's roster of patients becomes much smaller than usual. The New Yorkers had their train of Pullman cars elaborately fitted out for their men. There are now only two hundred patients in the hospital, and after the other states shall have removed their sick, there will be very few there—only those unfortunate ones who will be too weak to be removed; but there, too, will be carefully attended to. At present most of them are out of danger, and the others are doing fairly well.

WHISKEY SMUGGLERS.

It will be remembered that some time ago General Gobin objected to the practice of smuggling whiskey into the men of his brigade, and published an order to that effect, notifying all officers, whether soldiers or civilians, to the effect that, on detection, he would have them handed over to the civil authorities of this county for punishment.

Since then only two offenders have been found in the Thirteenth, and these were caught in a way which makes their offense light, compared with the sneaky manner in which they were detected. For some time it had been the custom of members of the Third Virginia, who always seemed to bring with them their whiskey, to overtop the pyramids, or even the Washington monument, to come over to the Thirteenth for a drink.

VIRGINIAN TELL-TALES.

It was then that the Virginians informed on the two members of the Thirteenth who sold whiskey, telling the provost marshal the facts. The provost marched and there arrested, much to the surprise of the officers of the Thirteenth. It is safe to say that for some time to come the Third Virginia will be very much in disfavour, not only with the two men whom they had caused to be arrested, but with the entire regiment whose members resent the tactics of the Virginians. Such methods are not appreciated here. No action has yet been taken in this matter. For some time there will be no gilt-edged invitations passing from the Thirteenth Pennsylvania to the Third Virginia.

Corporal Anthony Myers, of F, met with an unfortunate accident yesterday. While engaged in a wrestling match with Corporal Oliver P. Williams, of the same company, he turned suddenly on his right ankle spraining it quite severely. Dr. Blanchard is treating the sprain, and expects it will not take long to cure it.

Privates Gillis and Fox, of H, who were absent from camp for ten days without leave, returned last night under guard. They will very likely receive a slight penalty, as the offense is not an aggravated one.

Private Frederick Greenberg, of A, was brought yesterday by Corporal George Millet to the government asylum at Anacostia Heights, opposite Washington, on the Potomac.

Owing to abuses of the privileges enjoyed in this camp, no man is now allowed to go beyond the limits of the camp without a pass signed by his captain and approved by the colonel.

Lieutenant Dodge, of E, is officer of the day; Lieutenant Benjamin, of H, officer of the guard; Archer Corwin, of H, sergeant of the guard; George Hiddleman, of B; Willard Lathrop, of A, and George Thomas, of E, corporals. Frank O'Neil, of G, is orderly. Captain Gillman, of D, is brigade officer of the day.

Lieutenant Edward H. Burkhouse, of C, who has been away from his company for several months on account of a serious illness, returned to camp last night. He looks well and was cordially welcomed by all the boys.

Floyd W. Gay, Company F, Sixty-fifth New York regiment, charged with robbing the mails at Camp Alger, has been dishonorably discharged from the service of the United States, forfeiting all pay and allowances and sentenced to serve three years at hard labor in the military prison at Fort Leavenworth, Kansas.

CAMP GOSSIP.

Captain Derman, of A, was in Washington yesterday. Private Robert Morling, of F, has returned from a seven day furlough. Private Lester, of G, returned last night after a prolonged absence from camp. While home on a furlough some time ago he became quite sick, necessitating an extension of furlough. He is now in good health.

Sergeant Peter F. Slatry, of H, leaves for his home in the North End, Scranton, today. He is suffering from hay fever and soreness of the eyes.

Private Richard Thomas, of A, left

gades orderly, left for Middletown today.

A member of the Sixty-fifth New York was belated last night and was picked up at the Thirteenth's guard lines. He was twenty-one days behind time and considerably "under the influence." He was taken in a wheelbarrow to the guard house.

Privates George Dolph, Rowland Rice, John Haton and J. D. Hull, of A, enjoyed their Sunday dinner at the Rotchford farm house, Ash Grove. They were afterwards given the freedom of the orchard, a privilege which was very welcome.

Private Thomas Casey, of D, who had such a long and hard siege of it in division hospital, where he was treated for a severe attack of fever, has recovered with unusual rapidity. He is now able to walk around, and will likely receive an extended furlough.

Corporal Robert Armstrong, of E, is the company chemist. He looks after the filter, and always has a supply of good water on tap for the boys of the company.

Sergeant Corwin and Corporal Biddleman, of H, were in Washington yesterday and on their return to camp went to see Lieutenant Huff, of the same company, now at the Fort Myer hospital. They bring very favorable reports as to his recovery.

Corporal Fred Rippl and Private William Loftus, of E, were in Washington yesterday.

Lieutenant Varcoe and Corporal Dersheimer, of E, went to the capital yesterday for a square meal.

Corporal Lewis Carter, of A, who had been on the sick list for a few days, is now able to attend to his duties again.

Private Leo Murphy, of D, who has been nursing a sore arm, which was knocked out while pitching a game of ball, is now quite well. The arm is getting into good condition.

Sergeant Robert Williams, of F, had dinner yesterday with Mr. and Mrs. Lake, of Fairfax Court House.

Some of the boys of F played a practical joke on Private Thomas Kelly, of that company, last night, and when he awoke this morning and donned his blouse it was ornamented with corporal's stripes.

Captain J. W. Kambeck, of B, was at the Fort Myer hospital to see Lieutenant Berry. After a severe illness, the lieutenant is now able to walk around, and it is expected he will visit the boys of his company before the regiment leaves for Middletown.

The non-coms of E had a chicken dinner yesterday. Contrary to expectations, none of them were on the sick list this morning.

Corporal Watkins, of E, left for Middletown yesterday to count the lumber for the headquarters of this division.

Sergeant Smith, of B, was visiting friends in Vienna yesterday.

Corporal Bailey, of H, is in charge of a squad today watching the train of lumber which has been at Dunn Loring for several days.

James Dubois, of Washington, spent yesterday in camp visiting Private S. Bruce Chase, of G.

Privates Charles Miller, of Susquehanna, and Percy Barnes, both of G, were yesterday discharged from service on account of physical disability.

Corporal Walter Brown, of H, left for home today on a seven day furlough. He was called home on account of the sickness of his child.

Richard J. Bourke.

The school board held a special meeting in the central building last night. Messrs. Wilson, Bronson, Spencer and Kellam being present. Bills to the amount of \$2,433.86 were paid. Secretary Bronson, who was appointed a committee of one to find out the board's share of the costs of the late certified bill from the court, which placed the amount at \$3,600. The bill was placed on file. Superintendent Lovard, chairman of the committee on text books, reported that he had called a meeting and only three of the committee responded. They were over the book, Bible Readings for schools, edited by the state superintendent of schools, and had decided that it was a good book, but left it for the board to decide. The matter was laid over until the next meeting. John J. Barrett was appointed janitor of No. 6 building at a salary of \$5 per month, salary to date from Aug. 1. Miss Ruth Ransom, of Hartford, sent in her resignation as a teacher, having accepted a like position at the Dickinson school. The board then proceeded to elect a successor to Miss Ransom. Four votes being necessary to a choice the result was as follows: First ballot, Miss Flannely, 2; Miss Runnell, 2; second ballot, Miss Flannely, 3; Miss Gilligan, 1. Third ballot, Miss Flannely, 3; Miss Gilligan, 1. No election resulting from the voting. Mr. Spencer made a motion that Miss Flannely be appointed as Miss Ransom's successor and that Miss Gilligan be appointed to fill the first vacant position. This also resulted in a deadlock. Considerable discussion here occurred, after which on the final ballot Miss Flannely was elected. Miss Gilligan was selected to fill the first vacancy which may occur. The board then adjourned.

This Week Our Great Suit Store Holds Its Annual Fall Opening

WHEN the Ready-to-Wear Costume first appeared it was greeted with enthusiasm by thousands of women, who saw in it not only a saving of time, but a saving of money. But there were objections. The chief objection was a marked similarity of style. One costume was very like another, and the purchaser found herself duplicated at every street corner. Things are different now, and we have done our share in bringing about the revolution. The objection of duplication has not been fully removed as a whole, but it has been entirely eliminated from this store. There is no point in which we are so particular as in this matter of exclusiveness of style. The gowns you find here have no duplicates elsewhere. The first thing you'll notice will be the jaunty, snappy, tasteful, stylish air about them. The next thing will be the exquisite finish and detail of their manufacture, made as they should be made. Made as you like to have them made. The materials are Coverts, Broad Cloths and Cheviots, in the season's new shades. Most of the suits are fully silk lined, some tight-fitting, others in double-breasted or reefer effect. The skirts are made in all the new shapes.

Our showing of Separate Skirts, Jackets, Capes, Collarettes and Neck Scarfs is most complete.
