BASE BALL GAMES.

Carbondale Loses Two to the Honesdale Team

Carbondale lost two games to Honesdale yesterday. The morning game was played at Alumni park and was witessed by a large number of spectators, many of whom were from the Maple city. The game was for a purse of fifty dollars and was interesting from start to finish, although at times there was considerable wrangling. Cleary, of Olyphant; Hayes and Powell, of Mill Creek, and Nerney, of Scranton, strengthened the locals and it is due to their efforts that the scores were kept as small as they were Honesdale went up in the air in the morning and the locals succeeded in batting in three runs, to which they afterward added one, making their

total for the game four.

The score stood four to three in the eighth inning, when Honesdale came to the bat, and when they went out again the score was changed to six to four in the visitors' favor. With two mer on bases, Williams made a timely hit, scoring the two runs and won the game for Honesdale. Carbondale came to the bat again but went out in one, two,

The cranks, whose hopes had been high in the earlier part of the game. went wild when the game ended in Honesdales' favor. Considerable money changed hands, with the odds slightly in Carbondale's favor. Rogan, the umpire, rendered his decisions with a trifle of partiality for the home team, although at most times his judgment was excellent.

O'Gara was in the box for the home team, while Matthewson was on the rubber for the visitors. The former pitched an excellent game, but did not receive the support he should have. He made several assists himself, some of them being exceedingly had chances. Matthewson was very speedy, but at times lost control of the ball. He was cool at critical points, however, and twice struck out men while second and third bases were occupied and two men

The locals cannot hope to cope with Honesdale's present team until they have more practice together. Although they are individually a strong set of players, they do not play together. The features of yesterday morning's game were Schuler's catch in the ninth and Williams' timely hit in the eighth. Cleary's catch of McAndrew's hot liner also deserves special mention. Lynott played a good game in the field.

The afternoon game, was uninterest ing as it was decidedly one-sided, Honesdale having the best of it from start to finish. While Hayes can throw a fast ball he is by no means a twirler as he lacks the headwork necessary for a good pitcher. The game ended after much wrangling with the score 14 to 5 in favor of the team from over the Moosics. During the play Burke, 1. Inesdale's fast man, was severelly

MISS COOGAN DEAD.

She Expired Yesterday Morning at 6 O'clock.

Miss Rose Coogan died yesterday morning at 6 o'clock at the home of been ailing for some time past, but her demise was unexpected. What adds to the sadness of the death is the fact that some of the family were having an outing at Crystal Lake and were not present at the death bedside.

IS IT CURABLE.

A Question Often Asked by Those Afflicted with Piles.

Is a strained joint curable? Is local inflamation curable? Of course, if properly treated. So is piles.

People become afflicted with piles and ask some old "chronic" who has always persisted in the wrong treatment and naturally he discourages them by telling them that their case is hope-

They in turn discourage others, and thus a disease that can in every case be cured by careful and skillful handling is allowed to sap the energy of thousands who might free themselves of the trouble in a few days. Pyramid Pile Cure will cure the most

aggravated case of hemorrhoids in an astonishingly short time. It relieves the congested parts, reduces the tumors instantly no matter how large, allays the inflammation and stops the aching or itching at once.

Thousands who have resorted to expensive surgical treatment have been cured by the Pyramid Pile Cure-in a number of instances persons who had spent months in an hospital under a pile specialist. It is a remedy that none need fear
