SURGEON GENERAL IS PLEASED WITH MONTAUK CAMP.

IS SATISFIED

Proceeds with His Inspection-Sees the Infantry and Cavalry Fields. Has No Fear of Typhoid Fever. May Have to Fight Malaria-Last Night's Statistics of Sick and Dead-Ohio Volunteers, Who Were to Go Home Today, Delayed to Await a Change in Transporta-

tion Plans.

Camp Wikoff, Montauk Point, L. I. Sept. 6.-Surgeon General Sternberg continued his inspection of the camp today, going through the infantry and cavalry fields. He said again that he feared no epidemic from typhoid, and that the only danger was a spread of malarial fever, and with this he was confident that surgeons would be able to cope. The surgeon general was pleased with all that he saw of the

The following deaths occurred during the night and this morning. Alfred Gardner, Company I, Eighth Ohio volunteers, pneumonia; William H. Farley, Battery G, Fourth artillery, consumption; James C. Brown, band, Fourth infantry, typhoid; John C. Quinn, Company L. First Illinois volunteers, pneumonia; William Leininger, Company C. Eighth Ohio, convulsions, brought on by eating something which did not agree with him.

There were only 891 men in the gen-

eral hospital today, a low figure. One hundred and fifty men have typhoid fever. Many furloughs have been isand convatescents have gone home in great numbers. One hundred men left camp on the morning train on furloughs. Fifteen typhoid patients were taken to New London on the Red Cross boat Red Cross.

OHIO VOLUNTEERS.

The Eighth Ohio volunteers were to have started from camp for Columbus, O., this morning, but they did not get away. There are 1,061 men of the regiment here, and 202 are sick. The quartermaster's department in New York had arranged to send the regiment to Ohio by the Pennsylvania railroad, but when President McKinley was in camp on Saturday Colonel Hard asked that the men be taken by the Pennsylvania and Eric roads. He explained that some of the men did not live along the line of the Pennsylvania road, and said that if all went to Columbus over the Pennsylvania it would necessitate another railroad trip for some men who could not stand it. The colonel is waiting to see if the orders are changed so that the men can go home on the road which passes nearest to their residences.

The Long Island railroad has transportation ready to carry the Eighth Ohio men to Long Island City. The regiment has four carloads of horses, eight carloads of baggage, and will require three trains. Transportation has also been ordered for the Third Texas troops and the First Illinois. The Texas troops expect to get away tomorrow and the Illinois men on Thursday. A large number of the First Illinois regiment have already gone home on sixty-day furloughs, and there is quite a number in the hospital.

More desertions were reported today from the ranks of the regulars. This announcement that som of the regulars are to be sent back to Cuba for garrison duty. There is a strong prejudice among the regulars against returning to Cuba on account of the climate and the unhealthy conditions. General Shafter, who is now in full command of the camp, with headquarters at the Club House, is giving special attention to the desertions and the dissatisfaction among the volunteers at not being sent home. General Shafter has not yet indicated what he proposes to do in either case, but he is expected to take some decided action before the day is over.

WILL VISIT OMAHA. President McKinley Will Attend the

Peace Jubilee.

Washington, Sept. 6.-President Mc Kinley and the members of his cabinet will attend some portion of the peace jubilee which begins at the Omaha exposition October 10.

The president so informed a delegation of Nebraskans who called at the White house today and presented to him a handsomely engraved invitation to attend. Only pressing public business will interfere with this programme; but at this time the president see no reason why he should not The presidential party will probably leave here October 4.

NO ACTS OF CRUELTY.

Spanish Prisoners at Manila Are Not Ill-Treated.

Washington, Sept. 6.-Admiral Dew. ey was recently called upon to investigate reports that the Spanish prisoners taken by the insurgents in the Philippines were subjected to cruel treatment. A message was received from Admiral Dewey saying that the story probably originated from the fact that the insurgents were unable to meet the wants of the Spanish prisoners owing to a lack of physicians and med-

He said he had been unable to find any proofs of acts of cruelty on the part of the insurgents.

FIRE DEPARTMENT NEWS

It was shown in Saturday's issue of The Tribune that no reason existed for the vicious report that Phoenix Chemical company and Chief Hickey were not on good terms. Evidence in support of this appears in the following communication, received by Chief Hickey yesterday, and which is selfexplanatory;

THE MARKETS.

Wall Street Review.

New York, Sept. 6 .- Today's stock mar ket was variable and irregular at all times. General speculation was almost times. General speculation was almost at a stand still and the movement of the market was confined largely to special stocks, the trading being highly profes-sional throughout. Early in the day the professional bears attacked the list in weak spots, retably Manhattan, People a Gas and Tobecco and soon wiped out the earlier gains. A number of individual stocks showed conspicuous strength all day and rally in People's Gas drove the bears to ocver and made them more cautious. The strength became general in the late dealities under the leadership of St. Paul and the close was strong at the best prices of the day and generally above Friday's cicse. Baltimore and Ohio was heavily bought by banking interests all day and showed an extreme gain of 5 points. Cther strong features were Denver preferred, Atchison prethuslasm. The Chester left Ponce three hours after the departure after ferred, Reading first preferred, Denver and Gulf, the Pacific Coast Improvement the transport Obdam, on board of which General Miles and staff emstocks and the Grangers in sympathy with St. Paul on the heavy advantageous barked. Nothing was seen of the latshowing in the latter's annual report. The total sales were 325,700 shares
