BIG CROWD AT THE MAITLAND FAIR

THE RACING ALL THAT COULD BE DESIRED.

Minnie T. Won the Race for Horses of the Three Minute Class and May Taskey Captured First Money in the 2.23 Race-There Will be Three Races Today Besides One That Was Not Finished Yesterday. Second Accident of the Track.

The attendance at the Maitland fair yesterday was a record breaker, there being over 6,000 present. The weather was all that could be desired and the farmers turned out en masse. The usunl fakirs were everywhere in evidence and reaped a rich harvest from the gullible farmer boys. The wheel of fortune and the shell game had the most attraction for those inclined to invest their savings in a game of chance.

The exhibition hall was the resor of the women and children and the variety of produce was a large one. The best from a size standpoint were three large California pumpkins about the size of a bushel basket. The exhibit of potatoes was one of the larges at the fair. Another exhibit that deserves special mention is the fancy work department where crazy quilts rugs, pictures, etc., all home made are to be seen. The poultry exhibit is a large one but some mischevious persons have mixed things up badly by changing tags. Leghorn chickens are labeled Wyandotte and everything else is mixed in the same manner. About one hundred stalls are occupied by the horses, cattle, sheep and swine and presents a creditable appearance.

There was ample police protection and there was no drunkeness on the grounds and only one row; that was a small affair, one of the members of the Hillside Home band having an alterention with one of the special officers. Deputy Sheriff Bortree was called and soon quelled the disturbance

ATTENDANCE LARGE. There was a large attendance of Scrantonians, among whom were County Commissioner S. W. Roberts regiments or the regular army. About and John Demuth, Coroner Longstreet, ex-Sheriff Clemons, Attorneys Gardner and Carpenter, F. H. and George B. Jermyn, A. A. Vosburg and wife, Captain and Mrs. John Horn, P. K. Potter, Frank Crane, W. D. Greene, M. J. Kelly, W. J. Kann, William Bright, J. K. Johler, Jacob Dietrick, A. C. Kays, William Conrad. Legislative candidates Mackey and Evans were also present.

The chief feature of the day was the races, three in number, the three min-ute class, the 2.23 and the 2.27 class. There were thirty-nine starters and the races were close and exciting, all being hotly contested. The first race was the three minute and there were thirteen entries. The summary,

Time, 2.29t4, 2.20t4, 2.12. May Toskey won first money; Duke, second; Jim Doyle, third; Lilly H fourth, The 2.27 race was started, but was not finished. There will be three races today besides the unfinished 2.27 class and from a racing standpoint these will be by far the best of the week. The leading horsemen in attendance unite in saying these are the best races ever seen in this county and that it will be many years before as good horses will compete for such

small prizes. The day was not without accidents there being three, but only one very serious. In the first heat of the 2.33 race Charlie Lee's horse Topsy collided with another horse and the result was a demolished sulky. In the second heat of the same race a strap in Julia R's harness broke and she began kicking, knocking the driver, David James, off, hurting him badly, wrecking the sulky and badly cutting the horse's leg.
