NORTH SCRANTON. John Grzanas swore before Alderman Roberts last evening that Ruth Buchrizen struck him without any provocation. He furnished enough evidence to substantiate his assertion.

The defendant entered bail in the sum of \$300. John Mitchell was prosecutor in a case where Annie Reed was defendant. Mitchell claimed that Mrs. Reed perjured herself in a recent case tried in Alderman Roberts' court.

She entered bail in the sum of \$300. Daniel Mathias, a member of Company F, Thirtieth regiment, while home on a few days' furlough, was seized with a severe attack of nervous prostration.

He is at present at the home of Mr. and Mrs. Benjamin Davis, on Throop street. Michael Devine, of William street, is seriously ill.

The Ladies' Aid society of the Welsh Congregational church enjoyed a day's outing at Lake Winola yesterday. Miss Essie Ross, of North Main avenue, is enjoying a ten days' visit with friends in New York city.

The members of the North End Basketball team met last evening and conducted business relative to their opening game next Monday evening. The Christian Endeavor choir met last night and rehearsed the oratorio, "The Great Light."

James J. Lynch, Stephen O'Boyle and John J. Heffron left yesterday for St. Michael's college, Toronto, Canada, where they will resume their studies. William Borer, of Wayne avenue, is at Carbondale suffering from a serious injury received in a football game at Vandling last Saturday.

LIVE NEWS OF WEST SCRANTON

SURPRISE PARTY FOR MR. AND MRS. LEYSHON.

Tendered to Them at Their Home on North Bromley Avenue—Archibald Mine is to Resume Operations. Remains of Alvin L. Evans Are Expected to Arrive in This City This Morning at 10 O'Clock—Notes of a Personal Nature.

Mr. and Mrs. Arthur Leyshon, of 229 North Bromley avenue, were agreeably surprised at their cosy home last evening by the presence of a number of their friends. It being the occasion of the twenty-ninth anniversary of Mr. Leyshon's birthday, they took advantage of the opportunity to help observe it.

Tables were arranged and progressive whist was played. Miss Sadie Edwards played several piano selections and also sang during the course of the evening. Those in attendance were Mr. and Mrs. James Leyshon, Councilman and Mrs. William V. Griffiths, Patrolman and Mrs. Thomas E. Jones, Mr. and Mrs. Thomas Thomas, Mr. and Mrs. Robert Cooper, Mr. and Mrs. James Staples, Mr. and Mrs. Roy Sively, Mr. and Mrs. William D. Griffiths, Mr. and Mrs. George Field, Mrs. Oliver Leeds, and the Misses Fannie and Maud Field, Sadie Edwards, Edith Reez, Anna Clements, Elizabeth Thomas, Maud Jones and Cora Summerhill, John Thomas, Harry Randolph, Harold Leyshon and Frederick Davis, of Washington, D. C.

ONE MINE TO RESUME. In all probability the Archibald colliery, owned and operated by the Delaware, Lackawanna and Western company, will resume operations on or about Sept. 14. This means that about 500 men and boys will be given work for which they have long looked for, and especially welcome is this fact, now that winter is approaching.

Another fact connected with the resumption which would give great satisfaction, which, according to previous reports, is possible, will be the employment only of English-speaking workmen. A great many of the foreign-speaking workmen left the valley when the period of slack operations began and it was then announced, though not officially, that their places would be filled by the English-speaking men wherever opportunity afforded.

The mine has been idle for nearly eight months. Considerable repairs have been made inside and outside and it is now almost a model colliery. Two new foremen will be in charge when operations are resumed. Joseph Lloyd, inside foreman, will be succeeded by Henry Harris, now assistant inside foreman at the Holden colliery. William H. Fern, outside foreman, will be succeeded by William B. Thornton, at present outside foreman at the Oxford.

MINOR NEWS NOTES. Mrs. John Moore, of South Main avenue, recently sold her property which adjoins the parochial residence of St. John's German Catholic church, corner of Luzerne street and South Main avenue. The congregation of the above church, through the pastor, Rev. Frederick Fricker, made the purchase, and it is said the price was \$4,900. This was originally one of the old homestead residences of the Fellows estate, and it was in this house that Turvy Fellows, grandfather to the present Alderman, died. The building will be remodelled and converted to the uses of the parochial school in charge of the Sisters of the parish.

Lieutenant Williams and Patrolman Thomas Lewis of the West Scranton police detail, have been selected as two of the four patrolmen who will enter the pistol contest to be shot tomorrow at Mountain Park. A better selection could not have been made, as the lieutenant is recognized as the best pistol shot hereabouts. His associate, Patrolman Lewis, is also very clever. The Wilkes-Barre patrolmen will have to be superfluous to win. The excursion at which the contest occurs will be conducted by Flower of Lackawanna Lodge, Ancient Order of Britons, of this side.

The ladies of the Women's Home and Foreign Missionary society of the Washburn Street Presbyterian church will hold a meeting at the church this afternoon and evening. A society of the Hampton Street Methodist church conducted a social at the church last evening. The attendance was very large and an enjoyable evening was spent.

According to the latest dispatches, the remains of the late Alvin L. Evans, of Company C, Twentieth regiment, who died of typhoid fever at Camp Alger, Tuesday night, will arrive here this morning at 10 o'clock. The funeral will be held from the residence, 922 Eynon street, at 2 p. m. Interment will be made at the Washburn street cemetery.

The lawn social of Camp 191, Patriot-Order of True Americans, that was postponed on account of wet grounds, will be held this evening at 415 North Seventh street, the home of Mrs. Stanger. The ladies of the A. O. U. M. society of the Hampton Street Methodist church conducted a social at the church last evening. The attendance was very large and an enjoyable evening was spent.

Miss Louise Storr, daughter of Alderman and Mrs. Christian Storr, and Henry W. Berghauer, of Elm street, were married last night at 8 o'clock at the bride's home, 321 Alder street. Rev. W. A. North, pastor of the Presbyterian church, was the officiating clergyman. Miss Hannah Meyers was bridesmaid and John Berghauer, brother of the groom, was the best man. The ceremony was performed in the main parlor of the home in the presence of the members and the immediate friends of the two families. The bride party entered the room to the strains of the "President's March" rendered on the piano by Miss Beattie Meyers. At the conclusion of the ceremony money dinner was served. Mr. and Mrs. Berghauer will commence house-keeping today on Cedar avenue. They were the recipients of many valuable and handsome presents. The newly married couple are highly esteemed by a wide circle of friends who wish them abundant happiness and success.

Lieutenant Zang and a squad of patrolmen composed of Flaherty, Geshele and George Jones arrested at 2 o'clock yesterday morning three men in a barn on Meadow avenue. In police court later they gave their names and addresses as Edward Daley, Baltimore, Con Fitzpatrick and Fred Cortes, of this city. The residents of the locality where the tramps were arrested, complain that they were there yesterday. The gang is composed of six men and they are suspected of being the perpetrators of numerous petty

Just previous to leaving here he disposed of the lunch business he was then conducting on North Main avenue. He was born in Minessville, Schuylkill county, Sept. 12, 1859, and was nearly thirty-nine years of age. He resided in this city since 1877 until he left for Boston. His mother, Mrs. John E. MYSTERIOUS WOMAN CAUGHT. Known as the "Woman in Black" on the West Side. A woman alleged to be "the woman in black" who has frightened many timid West Side people, has been arrested. She is Mrs. Thomas Kennedy. Her arrest was caused by Mrs. John Riley who had a warrant issued by Alderman Millar on the strength of affidavit that Mrs. Kennedy had purposely frightened her.

The case will be heard before Alderman Millar this evening. It promises to be interesting. Ten witnesses for Mrs. Riley have been subpoenaed to corroborate her charge. Mrs. Riley says that "the woman in black" has been terrifying pedestrians, especially women and children, on Merrick avenue. The mysterious person's usual plan of action was to step from behind a tree, shrubbery or gate post and, with her head and features concealed in the folds of a black shawl, frighten unsuspecting passers-by nearly to death.

Mrs. Riley says the "woman in black" appeared in front of her last Monday night and caused her to fall in a swoon. The black-robed figure was chased by some men and caught and proved to be Mrs. Kennedy, Mrs. Riley alleges.

Our Annual Exhibit OF Autumn Dress Fabrics Opens on Tuesday, Sept. 6th, and Continues During the Balance of the Week.

No event of the entire year is surrounded with so much genuine interest as the first view of a coming season Dress Goods stock, and of course, the interest is enhanced according to the variety and extent of the display. That's why Globe Warehouse "Openings" always attract the fashionable element for miles around, and hold a recognized place above all similar events in North Eastern Pennsylvania.

A Word on Weaves and Shades

Common sense is the leading characteristic in the textile world this season. Generally speaking weaves are plain, and the colorings strictly in keeping with the more sombre days to come. True, there are extreme novelties for those who care for them, and a few striking effects in imported goods, but the prevailing tendency is decidedly in favor of plain good fabrics, a quiet indistinct mixture which are much better adapted to the latest productions of the world's leading modistes than any thing else could be.

The New Materials Shown Include

Pelis Suitings, extra a superior covert Kamagra cloth, Two tone White Cords, exquisite Poplins, Mozcovite Suitings, English Broadcloths, French Whip Cords Banock brown mixtures, Lansdownes, Plain Serges, Henriettas, and the entire line of staples in new color effects.

Fancy Weaves Are Also Numerous

but are impossible of description here, while the assortment of checks and stripe effects, Novelty Plaids, etc. etc. leaves nothing to be desired.

During This Opening Exhibit

all visitors are welcome. We consider the present week as looking time and nothing more.
