NEEDED IMPROVEMENT ON SOUTH BROMLEY AVENUE.

Excelsior Glee Club Has Been Organized by a Number of Vocalists. William Heath, of Snyder Avenue, Burned by an Explosion of Gas. Funeral of Mrs. W. T. Sproats from Her Late Home on Lafayette Street-Minor News Notes and Per-

Residents of South Bromley avenue view the approach of winter, with its thaws and slush, and spring, with its accompanying freshets and rainstorms, with equanimity. The sewer, which when it was first built years ago, was adequate for all purposes along the blocks between Jackson and Washburn streets, but during the last few years this block has been built up extensively and theadded sewerage has gone beyond the capacity of the sewer to carry it off, except under the most favorable conditions or when no great fall of rain has occurred.

It was then an eight-inch pipe and two small basins. Many times has the sewer allowed the overplus of sewerage to back into cellars and upon lots near the lowest level on the avenue. Complaint after complaint was made, but no relief was found. This spring, however, Councilmen Williams and Walker, of the Fifth ward, managed to secure a sufficient appropriation for the defraying of the necessary expense of

Bids were called for and a few months ago Flanagan & O'Hara, contractors, were awarded the contract, which called for the replacing of the eightinch pipes with twelve-inch pipes and getting a little more grade. The present basins will also be enlarged. The contractors have been engaged at the work for some time and expect to finish up in a week or so.

#### MALE PARTY ORGANIZED.

About twenty-five of the young men of this side organized themselves into was effected for the purpose of entering into competition in the approaching eisteddfod at the Jackson Street Baptist church, Oct. 12. Hugh Jones was made leader. The other officers selected are: David Smith, accompanist; John E. Lewis, treasurer, and Robert Evans, secretary.

They agreed upon the title of "Excelsior Glee club" for the party, and intend to rehearse faithfully towards a successful ending in the competition The first rehearsal will be held Sunday afternoon at 3.30 o'clock at 120 North Main avenue.

BURNED BY EXPLODING GAS. William Heath, of Snyder avenue, employed as a miner in the Bellevue mines, was severely burned about the face, neck and hands by an explosion of mine gas while at work yesterday morning. It is thought that a small 'pocket" of gas formed in the face after a blast had been fired and upon the return of the miner to his chamber his naked lamp ignited it.

The injured man was removed to his residence, where Dr. J. J. Roberts attended him and dressed his injuries.

He is not in a serious condition, though the burns are deep and very painful.

ANOTHER CANINE SHOT. Day Patrolman Matthews shot a arge shepherd dog yesterday upon instructions from Chief Gurrell, animal was the property of J. F. Duggan, of South Sherman avenue, and is said to have been a very vicious one. Several complaints were made concerning it previous to the one this week, but all efforts to have the dog disposed of were fruitless. The owners themselves once tried to kill the dog, but he broke loose and they gave

The last complaint was made by Dr. E. Russell, of 313 Linden street, who was slightly bitten while passing the yard. The canine dashed from the yard and inflicted the injury before Dr. Russell could avoid him.

With reference to the shooting Mr Duggan left the following in The Tri-

bune office last night: J. G. Duggan, of No. 214 Sherman avenue is desirous of letting the officer detailed to shoot his dog know that he did not perform his task outright as the said dog was alive and in a condition dangerous to any one who might approach him. When Mr. Duggan came home from work he had to go and get another man to put five bullets into him to end his career. How is that for one of our officers."

and many friends and relatives were in attendance. The floral offerings were numerous. The services were in charge of Elders of the Morman faith. In an article in this column referring to the appointing of Henry Harris as nside foreman at the Archbald, which position was held by Joseph D. Lloyd, of North Main avenue, previous to the shutting down of the colliery, certain persons seemed to gather that in using he word "displaced," some reflection was made upon Foreman Lloyd, No such meaning was intended, it being merely a statement of facts. Since the Archbald was laid idle Mr. Lloyd has been acting for the company in a similar capacity at their Jermyn mines. The company wished to retain him there and accordingly filled his former osition at the Archbald mines. Mr. Harris was inside foreman at the Holden instead of assistant, as was

INTENSE SUFFERING.

From Dyspepsia and Stomach Trouble.

Instantly Relieved and Permanently Cured by Stuart's Dyhpepsia Tablets.

A New Discovery, But Not a Patent Medicine.

Dr. Redwell relates an interesting account of what he considers a remarkable cure of acute stomach trouble and chronic dyspepsia by the use of the new discovery, Stuart's Dyspepsia Tablets.

He says: The patient was a man who had suffered to my knowledge for years with dyspepsia. Everything he ate seemed to sour and create acid and gases in the stomach; he had pains like rheumatism in the back, shoulder blades and limbs, fullness and distress after eating, poor appetite and loss of flesh; the heart became affected, causing palpitation and sleeplessness at night.

1 gave him powerful nerve tonics and blood remedies, but to no purpose. As an experiment I finally bought a fifty cent package of Stuart's Dyspepsia Tablets at a drug store and gave them to him. Almost immediate relief was given and after he had used four boxes he was to all appearances fully cured.

There was no more acidity or sour watery risings, no bloating after meals the appetite was vigorous and he has gained between 10 and 12 pounds in weight of solid, healthy flesh.

Although Stuart's Dyspepsia Tablets are advertised and sold in drug stores yet I consider them a most valuable addition to any physician's line of remedies, as they are perfectly harmless and can be given to children or invalids or in any condition of the stomach with perfect safety, being harmless and containing nothing but vegetable and fruit essences, pure pepsin and Golden Seal.

Without any question they are the safest, most effective cure for indigestion, biliousness, constipation and all derangements of the stomach however slight or severe. Stuart's Dyspepsia Tablets are made

by the Stuart Co., of Marshall, Mich., and sold by druggists everywhere at fifty cents per package. Little bock on stomach diseases

Albert Lutka was arraigned last night before Alderman Lentes on the charge of embezzlement, preferred by Charles Kirst, the well-known hotelman. Until recently the defendant was treasurer of the Holy Cross society of the Sacred Heart congregation. At the last elec-tion of that society a new treasurer was chosen. When the auditing committee went over the books of the retiring treasurer it was ascertained that his account was not correct. A committee was appointed to wait on Mr. Kirst, who was the bondsman of Lutka. At the hearing last night the defendant admitted that he used the society's money for a purpose, but it was given to a former pastor of the congregation. He stated at the hearing that it was not the retiring head of the congregation. The defendant was held in \$1,000

bail, which was furnished. Jacob Grossman, who is the proprietor of the Lackawanna shoe shop on Cedar avenue, went before Alderman Lentes yesterday and gave information for the arrest of Fred. Wyandt on the charge of obtaining goods under false pre-tenses. The prosecutor alleges that the defendant got a pair of shoes from him, stating that his father would remit the amount of the purchase. When the bill was presented to the father he refused to pay it, hence the arrest. Wyandt was held in \$500 bail.
