ONCE BELIEVED TO BE THE ONLY CURE FOR PILES AND RECTAL DISEASES.

### Better Way Now Discovered Which Cures Every Form of Piles Without Pain or Incon-

Many people suffer the pain, annoyance and other serious results from piles, for years, and after trying the lotions, salves, cintments and many so-called cures without cure or relief, give up the hope of a final cure, rather than submit to the intense pain and danger to life which a surgical operation involves.

Happily all this suffering is no longer necessary since the discovery of the Pyramid Pile Cure; a remedy which is approved by the medical profession, as being absolutely safe, free from any trace of opiates, narcotic or mineral poisons and which may be depended upon as a sure cure (not merely rellef) in any form of piles, whether itching, blind, bleeding or protruding.
